However, the parties also recognize that the City has established an internal procedure to investigate and resolve alleged cases of discrimination which is in addition to existing and adequate procedures established by Broward County, the State of Florida and the Federal Government. Accordingly, it is agreed that allegations of employment discrimination cannot be processed through the contractual grievance/arbitration procedure.

- 10.4: It is recognized by the parties that activities enumerated in Sections 2 and 3 are contrary to the ideals of professional Public service and to the City's overall community responsibility, and that any violation of this Article would give rise to irreparable damage to the City and to the public at large. Accordingly, it is understood and agreed that in the event of any violation of this Article, the City shall be entitled to seek and obtain immediate injunctive or other legal and/or equitable relief in any court of competent jurisdiction.
- 10.5: For the purpose of this Article, it is agreed that the Employee Organization shall be responsible and liable for any act committed by its elected officers or agents.

The City will notify the Union as early as practicable of the City's intent to contract and/or subcontract any existing or future work where such action would directly affect and result in layoff of employees covered by this Agreement. This does not imply any limitation to the City's right to contract and/or subcontract out such work. If a decision is made to contract out or subcontract work, any reduction in force will be handled insofar as practicable through attrition and/or transfer to other positions, and/or hiring of employees affected by the successor agency in comparable jobs.

- 11.3: The above rights of the City are not all-inclusive, but indicate the type of matters or rights, which belong to and are inherent in the City in its capacity as management. Any of the rights, powers, and authority the City had prior to entering this Collective Bargaining Agreement are retained by the City except as specifically abridged, delegated, granted or modified by this Agreement.
- 11.4: If the City fails to exercise any one or more of the above functions from time to time, this will not be deemed a waiver of the City's right to exercise any or all of such functions.

ARTICLE 12: WORK WEEK AND OVERTIME

- 12.1: Forty (40) hours shall constitute a normal work week, consisting of five (5) eight-hour or four (4) ten-hour days.  - i. CID Investigative Services, but excluding SROs, and excluding any employee assigned to any Federal, State or Local task force.

Shift Selection

It is agreed that the Police Chief has the right to determine the amount of personnel on each shift within the COP Division. The Police Chief will fill at least 75% of the vacancies for a given shift for Officers and at least 50% of vacancies for a given shift for Sergeants and Lieutenants by seniority subject to the following conditions:

- a) Shift picks will commence in October of each year. A designated window period will be formally announced in order to allow members to bid for the three different patrol shifts. It is the sole responsibility of each Officer to be available for the bidding period. Officers who miss the bidding period will be subject to being placed on a shift without consideration to seniority.
- b) After shifts are chosen, the initiation of the new schedule will be during the first two weeks of January of each year.
- c) Those members coming into the COP Division from an outside Unit or Division can choose a shift. No "bumping" will be allowed. However, an adjustment period will occur every June in order to

facilitate the request of those members coming into the COP Division. Members within the COP Division cannot re-bid for a new shift until October, which will be effective, January of the following year. Exceptions can only be granted by the Police Chief or his designee.

- d) The Police Chief shall reserve the right to alter the provisions of this article when situations arise that could create a negative impact within the organization such as conflicts of interest, workplace diversity, nepotism, or other serious personnel issues. The Police Chief or his designee shall meet and confer with the President of the PBA or his designee should any member of the Department directly affected by any alteration of this provision request such a meeting. It is agreed that with regard to members who are negatively affected due to the above (conflicts, nepotism, etc.) the member with the least seniority, when appropriate, should be considered first for the involuntary transfer.
- e) At any time during the term of this agreement the Police Chief or the Union may, with thirty (30) days' notice, open any section of 12.2 to renegotiate said article.

12.3: Nothing herein shall guarantee any member payment for a forty (40) hour week unless the member actually works his forty (40) hours, or his actual hours worked and his authorized compensated leave total forty (40) hours. Authorized compensated leave shall mean leave compensated under the provisions of this Agreement or under existing City policy.

12.4: Hours actually worked in excess of the regular forty (40) hour work week shall be compensated at the rate of time-and-one-half the member's regular straight-time rate or, if appropriate, the equivalent in compensatory time; provided, however, that no member shall receive straight time, overtime or compensatory time for time spent in correcting work, which had been assigned and was improperly performed during the member's normal work day. Further, nothing herein shall require the payment of time-and-one-half or the equivalent in compensatory time when an insubstantial amount of time, defined as fifteen (15) minutes or less, is worked in excess of the normal work day. Overtime opportunities will be distributed among employees in the same rank and work assignment in a manner that is fair and equitable within the requirements of operational needs, except that this provision regarding the distribution of overtime opportunities shall not apply to or include employees who are serving in a probationary period as defined in Article 33. Any grievance filed regarding the distribution of overtime may be taken only to the City Manager level of the grievance procedure for a final and binding decision, and no such grievance shall be subject to the arbitration provisions of the grievance procedure.

- 12.5: If a member of this Bargaining Unit is called out to work at a time outside his normal working hours, he shall receive a minimum of three (3) hours pay at the rate of time-and-one-half his regular rate of pay, and time-and-one-half his regular straight time rate for each additional hour beyond the initial three (3) hours or, if appropriate, the equivalent in compensatory time. However, a member who has not worked a forty (40) hour work week will be compensated for the call-out rate at his regular straight time rate. Call-out rates shall apply to each successive incident whereupon a member is called to duty outside his normal working hours. Called out to work means that the officer must actually appear at his regular or assigned duty station in proper uniform/apparel for such assignment; mere response to a telephone call or conversation by phone does not substitute for actual appearance at duty station.
- 12.6: Where the member is required to appear, while off-duty, as a subpoenaed witness in Federal, Circuit or County Courts, or at depositions or statement sessions where such proceedings involve pending criminal cases or civil cases, the minimum call-out rate of three (3) hours at time-and-one-half shall apply; provided, however, no member shall be compensated more than once for appearances occurring within the same minimum three (3) hour period. Officers who are required to appear while off-duty, as a subpoenaed witness in a Federal, Circuit or County Courts, or at depositions or statement sessions where such proceedings involve pending criminal cases or civil cases, within one hour of the beginning of their regularly scheduled shift will not receive the three hour minimum compensation referred to above; rather, these Officers will be entitled to a minimum of one hour of compensation at time-and-one-half for such Court appearance. Officers on extended standby shall be paid as required by the Fair Labor Standards Act. In the event that the provisions of the Fair Labor Standards Act do not require Officers to be paid for "extended standby", Officers shall receive pay or compensatory time at straight time rates. The decision to provide pay or compensatory time shall be within the discretion of the Chief or his designee and shall not be grievable or arbitrable.
- 12.7: Where a witness or subpoena fee is received by a member for an off-duty appearance said fee shall be kept by the member. The member, in addition to the witness or subpoena fee, will also be entitled to call-out pay in accordance with Section 12.6 (above) provided he/she meets the requirements of Section 12.6.
- 12.8: No supervisory official shall take action to cause the non-payment of straight time, time-and-one half, or compensatory time in circumstances wherein a member covered by this Agreement has performed work, which entitled him to such payment. However, nothing herein shall restrict the City or the Department from altering work schedules, with five (5) working days' notice whenever practical, excluding emergencies, or taking any other action to reduce the number of overtime, court time, or call-out hours worked by the members covered by this Agreement.
- 12.9: **Compensatory Time**

- a) The allocation of compensatory time will be exclusively determined by the City to a maximum accrued balance of eighty (80) hours per employee.
- b) Compensatory time shall be utilized at the request of the employee upon five (5) working days' notice, subject to the approval of the Chief or his designee whose approval shall be final. Provided, however, the use of compensatory time does not mitigate minimum staffing requirements beyond a reduction of two Officers, and the use of said compensatory time does not unduly disrupt the operations of the Police Department or impose an unreasonable burden on the Department's ability to provide Police services of acceptable quality and quantity to the public.
- c) Upon termination for any reason including retirement, all unused compensatory time shall be paid in accordance with the provisions of the Fair Labor Standards Act.

12.10: The City and the PBA recognize the F.L.S.A. The parties are desirous of maintaining the provisions of compensatory time as negotiated in the labor contract. However, if the F.L.S.A. mandates regulations contrary to the contract and no discretion is available in its implementation, the parties will recognize the provisions of the F.L.S.A.

12.11: Effective October 1, 2009, the blood time credit benefit shall be discontinued and no additional blood time may be accrued as of that date. Any member who has accrued blood time as of October 1, 2009, shall be entitled to maintain that accrued time and thereafter use it consistent with the current approval requirements, or be paid for that accrued blood time upon termination or entry into DROP at the member's current rate of pay.

ARTICLE 13: POLICE OFFICER'S BILL OF RIGHTS

- 13.1: The Police Officer's Bill of Rights, Florida Statute 112.532, is incorporated herein in its entirety as a part of this Collective Bargaining Agreement. Should the statute be amended during the term of this Agreement, such amendment shall automatically be incorporated herein.

ARTICLE 14: LIFE AND HEALTH GROUP BENEFITS PLAN

- 14.1: The City agrees to provide group health coverage for its regular full time employees. Co-pays are \$40.00.
- 14.2: The cost for all Bargaining Unit members for the health medical plan will be as follows (Dependent Coverage costs are added to the Employee Coverage cost):

For two or more Dependent Coverage add \$110.00 bi-weekly (for a biweekly total payment of \$165.00).
- 14.3: Upon retirement (terminating employment) members shall have the option of continuing under the City's health plan with no cost for single coverage, however they shall pay for the full cost of dependent coverage. Effective June 26, 2003, any vested member who leaves/left service with the City on or after that date prior to becoming eligible to draw retirement benefits, must continue health coverage through COBRA and must thereafter become eligible to collect retirement benefits from the City during the COBRA coverage in order to be eligible for continued health coverage per this section. Any such member who did/does not follow this criteria shall not be eligible for continued health coverage. Any vested member who retired prior to June 26, 2003 before becoming eligible for retirement benefits will be eligible for health coverage under this section at such time the member becomes eligible to collect retirement benefits from the City.
- 14.4: The City shall provide a dental insurance plan for its regular full-time employees and such dependents meeting eligibility requirements thereof at a total cost not to exceed \$19.00 per employee per month. Any premium requirements in excess of \$19.00 per employee per month will be borne by the participating employee.
- 14.5: Retiree Health Savings Accounts
- a) Effective after October 1, 2006, tax deferred retiree health savings accounts were created, subject to applicable tax laws, for active employees. The City initially paid ten dollars (\$10.00) per month into each account. Each employee was initially required to pay at least ten dollars (\$10.00) per month into their respective account.
 - b) Effective on October 1, 2009, the following fixed/regular contributions shall be made each month into the employee's tax deferred health savings account, based on the employee's years of service, by the City and by each employee:

Under 10 years of service:	Zero
From 10 to 19 years of service:	\$10.00 per month
20 or more years of service:	\$25.00 per month

- 14.6 The Flexible Spending Account (FSA) for each employee, in the following increased amounts shall be made available to each employee in each new calendar year starting on January 1, 2016, which will be based on the number of dependents the employee has on the City's health plan: \$300 for single coverage; \$400 for single plus one dependent; and \$700 for single plus two or more dependents. Employees who are not covered by City health insurance shall have access only to the single coverage amount (\$300) in an FSA. The annual amount shall be available on a "use it or lose it" basis to use for IRS approved medical expenses, with unused amounts being returned to the health fund for use in funding FSA accounts the next year. The FSAs shall be subject to all applicable requirements and limitations set forth in federal laws and regulations.

ARTICLE 15: GRIEVANCE PROCEDURES AND ARBITRATION

- 15.1: The parties recognize that State Law, Court decisions, and Attorney General's opinions favor collective bargaining relative to the general scope of wages, hours, and working conditions. In a mutual effort to provide a harmonious working relationship between the parties to this Agreement, it is further agreed and understood by the parties that there shall be a procedure for the resolution of grievances between the parties and that such procedure shall cover both grievances involving the application or interpretation of this Agreement and grievances involving discharge, suspension, demotion or any other adverse personnel action against a member covered by this Agreement.
- 15.2: Every effort will be made by the parties to settle any grievance as expeditiously as possible. Should either party fail to observe the time limits as set out in the steps of this Article, the grievance will automatically be processed to the next step of the procedure. Written responses for each of the steps detailed below may be sent to the appropriate party via-email.
- 15.3: Grievances shall be presented in the following manner and every effort shall be made by the parties to secure the prompt disposition of such grievances.

Step 1:

The member shall first take up his grievance with his immediate Supervisor within ten (10) days of the occurrence of the event (s), which gave rise to the grievance. Such meeting between the member and his immediate Supervisor shall be on an informal and oral basis and, within five (5) days thereafter, the immediate Supervisor shall respond in writing to the member presenting the grievance.

Step 2:

Any grievance which cannot be satisfactorily settled with the immediate Supervisor shall be reduced to writing by the member and presented to the Police Chief or his designee within ten (10) days after the immediate Supervisor's response is due. This shall be done either through a representative of the Employee Organization or by the member himself at the member's option. The grievance shall be discussed in a meeting by and between the member (or a representative of the Employee Organization) and the Police Chief or his designee within five (5) days from submission of the written grievance. The Police Chief or his designee shall within ten (10) days after this meeting, render his decision in writing, with a copy to the Employee Organization.

Step 3:

In the event the member is not satisfied with the disposition of the grievance in Step 2, the member shall have the right to appeal the Chief of Police's decision to the City Manager or his designee within five (5) days of the date of issuance of the Chief of Police's decision. Such appeal must be accompanied by the filing of a copy of the original written grievance together with a letter signed by the member,

or at the member's option, a representative of the Employee Organization, requesting that the Chief of Police's decision be reversed. The City Manager or his designee, shall within ten (10) days of the filing of the appeal (or some longer period of time as is mutually agreed upon), render his decision in writing with a copy to the Employee Organization.

- 15.4: Where a grievance is general in nature, in that it applies to a number of members rather than a single member, or if the grievance is directly between the Employee Organization and the Department or the City, such grievance shall be presented in writing directly to the Chief of Police, within the time limits provided for the submission of a grievance in Step 1. The grievance shall be signed by the aggrieved members or a representative of the Employee Organization. Thereafter, the grievance shall be processed in accordance with the procedures set forth in Step 3.
- 15.5: The parties, recognizing that the public policy and prevailing law permit certain provisions of this collective bargaining agreement (i.e., the Grievance Procedure), to supersede general legislation, special legislation, and local ordinances and desiring to give this collective bargaining agreement the maximum force and effect, do hereby agree that this grievance procedure shall be the sole and exclusive method of resolving any dispute concerning interpretation or application of any provision of this Agreement or any matter involving discharge, suspension or demotion against any member covered by this Agreement. A grievance over discharge, suspension or demotion, shall be filed directly with the Chief of Police at Step 2 of the grievance procedure, within the same time limits as for the initial filing of a grievance at Step 1. The arbitration procedure set forth below shall also apply. Probationary employees shall not have the right to utilize the grievance procedure.

- 15.7: The City and the member (or the Employee Organization) shall mutually agree in writing as to the statement of the grievance to be arbitrated prior to the arbitration hearing, and the arbitrator, therefore, shall confine his decision to the particular grievance thus specified. In the event the parties fail to agree on the statement of the grievance to be submitted to the arbitrator, the arbitrator will confine his consideration and determination to the written statement of the grievance presented in Step 2 of the grievance procedure. The arbitrator shall have no authority to change, amend, add to, subtract from or otherwise alter or supplement

this Agreement or any part thereof or amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration or which is not a grievance as defined in this Agreement; nor shall this collective bargaining agreement be construed by the arbitrator to supersede applicable laws in existence at the time of signing this Agreement, except to the extent as specifically provided herein.

- 15.8: The parties shall make their choice of the arbitrator within five (5) days after receipt of the panel from the Federal Mediation and Conciliation Service. Any party desiring a transcript shall bear the cost of such transcript unless both parties mutually agree to share said cost.

The City's decision to curtail the supplemental benefits or not to extend said benefits shall be subject to the grievance and arbitration provision of this Agreement starting at Step 4 of the grievance and arbitration procedure. Except as provided for in Sections 2, 3, 4, 5 and 6 below, the City will maintain the existing Pension Plan Ordinance provisions regarding benefits and contributions for bargaining unit employees for the duration of this Agreement.
- 37.2: The City agrees to amend the Police Pension Plan Ordinance no later than sixty (60) days after the ratification of this 2014-2017 Agreement as follows:
- Amend the definition of normal retirement date so that an employee hired prior to October 1, 2011 with less than ten years of credited service as of September 30, 2011 and an employee hired on or after October 1, 2011 may retire on the day he or she attains age 55 and completes 10 years of creditable service or on the day he or she completes 25 years of creditable service.
 - For employees who had less than 10 years of creditable on September 30, 2011, add 0.3% to each year of creditable service an employee had through September 30, 2011.
 - Police officers shall become members of the Police Pension Plan and begin contributing into the Police Pension Plan upon their hire date with the City as a certified police officer.
 - If an employee terminates his/her employment with the Police Department with less than ten years of service, either voluntarily or by discharge, and is not eligible for any other benefit under the Police Pension Plan, he/she shall receive a refund of his/her contributions without interest.
 - Create a benefit to be known as the Reformed Planned Retirement Benefit. The Reformed Planned Retirement Benefit, as described below, will be effective upon the ratification of this 2014-2017 Agreement and any employee actively employed by the City (and not participating in DROP) on or after the date this 2014-2017 Agreement is ratified will be eligible for this benefit as provided in this Article.
 - Allow employees, upon entering the Reformed Planned Retirement Benefit, to elect one of the following two (2) options. The election shall be irrevocable:
 - 1) While participating in Reformed Planned Retirement benefit, contribute 8% of earnings as that term is defined in Section 33.126 of the City Code until termination of employment and upon termination continue to have the three options currently allowed under Planned Retirement and set forth in Section 33.128(G)(4) of the City Code; or

- 2) While participating in Reformed Planned Retirement, contribute 0.5% of earnings as that term is defined in Section 33.126 of the City Code and upon termination only be provided with the first option set forth in Section 33.128(G)(4) of the City Code, which is taking a lump sum payment that would be valued based on the number of years the employee worked after electing to participate in Planned Retirement.
 - a. For employees who choose this option, investment earnings/losses applicable to any lump sum payment shall be calculated in arrears using the net investment rate earned/lost by the pension fund on its net assets for each month of creditable service worked during the planned retirement benefit participation period or reformed planned retirement benefit participation period and applied to the prior pension annuity balance including all prior months of creditable service, including prior monthly earnings. The investment earnings/losses shall be compounded monthly to determine the amount of investment earnings/losses to be credited during each year of the planned retirement benefit participation period or reformed planned retirement benefit participation period. The aggregate value of the monthly investment earnings/losses calculations will determine the amount of investment earnings/losses to be credited for the planned retirement benefit participation period or the reformed planned retirement benefit participation period. Upon termination employees will be allowed to leave the lump sum payment in the pension plan. The pension plan's actual investment rates of return (whether positive or negative) shall be applied to the lump sum payment for as long as any portion thereof remains in the pension plan.
- An employee may enter the Reformed Planned Retirement Benefit at any time on or after reaching his/her normal retirement date.
 - Employees currently in the Planned Retirement Benefit will be given 60 days from the implementation of the Reformed Planned Retirement Benefit to make their election. If they elect the new option, they will receive a refund of their contribution into Planned Retirement (7.5%) for the time spent in planned retirement that the employee elects to take as a lump sum upon termination.
 - Employees electing to participate in Reformed Planned Retirement shall not exceed 30 years of service with the City including any time participating in Planned Retirement, Reformed Planned Retirement or a combination of both.
 - Participation in Planned Retirement Benefit, Reformed Planned Retirement Benefit or a combination of both shall be limited to 8 years for those with 10 or more years of service as of September 30, 2011 and 5 years for those with less than 10 years of creditable service as of September 30, 2011.

- Any bargaining unit employee who elects to participate in the Planned Retirement Benefit or the Reformed Planned Retirement Benefit shall continue to be subject to termination from employment for just cause as provided in the collective bargaining agreement.
- An eligible employee who submits the written election to participate in the Reformed Planned Retirement benefit may also elect to cash out his/her accrued sick leave, as provided in Article 29 (Sick Leave), and accrued vacation leave, as provided in Article 26 (Annual Leave); and comp-time accruals, as provided in Article 12 (Work Week and Overtime Off From Duty). This cash-out election may be made only one time on or after the NRD but before the employee's separation from employment, but can be made either on the date the employee submits the written election to participate in the Reformed Planned Retirement Benefit or on any subsequent anniversary of the employee's NRD.

- 37.3 The parties agree by mutual consent that all premium tax refunds received by the City pursuant to Chapter 185, Florida Statutes, shall be used to offset City contribution requirements. The parties also agree, by mutual consent and in accordance with Senate Bill 1172, to create a share plan. The share plan shall not be funded during the term of this 2014-2017 Agreement.
- 37.4: The parties agree that if any changes in State Law or any action by the Division of Retirement or the Pension Board eliminates or reduces the annual amount of premium tax refunds below \$1,000,000.00, then the parties agree to reopen Article 43.3 of this Agreement to re-negotiate the percent wage increase of the applicable fiscal year.

- 37.10 The parties agree to meet on a quarterly basis during the term of this 2014-2017 Agreement to explore different options so that the costs associated with the pension plan and the pension plan's unfunded liability may be reduced. The Program covers tuition costs and books.
