Architect's Project #23002

Dear Carmen:

In accordance with the City's Outreach Ordinance, this letter serves to confirm the summary of the Community Outreach relating to the above referenced matter.

One November 3, 2023, we sent notice to all properties Owners and Civic Associations within 500 feet from each property line of the subject Property informing them of a virtual public meeting to be held on November 21, 2023, at 6:00 PM. The Virtual Notice included information about this Project's location.

The Virtual meeting held on November 21, 2023, was attended by the Owner, Ms. Kelli Whritenour and Mr. Glen Margoles, neighbors in the Community. The Architect, Mr. Joseph Kaller of Kaller Architecture presented the Project in a Power Point Presentation and following the Presentation had a time of questions and answers.

The attendees asked about a construction timeline, and they also asked if any of the units would be Affordable Housing. All questions were addressed by the Architect to the neighbor's satisfaction and the meeting was adjourned.

Please do not hesitate to contact me if you have any questions or comments.

Very Truly Yours,
Kaller Architecture

Joseph B. Kaller, AIA, LEED AP BD+C
President

ABOUT US

Project Team

The Client is the new Owner of 2217-2239 Jackson Street and is a boutique real estate investment and development group from New York with substantial development experience in both South Florida and New York. The group is investing in Hollywood for existing properties and developing new properties to improve the design and overall City for residential multifamily.

The Client recently closed on the property and has been working closely with our team to design the project. Our design team created a welcoming and contemporary façade design which we felt would fit into the City of Hollywood but simultaneously create a design concept that modernize the immediate neighborhood. We have designed a new, 4-story multifamily building with 95 residential units. We are providing a rental unit mix of studios, 1 bedrooms and 2-bedroom apartments with an average 800 Sq. Ft. per unit. Furthermore, we provided a amenities comprised of a fitness center with a interior courtyard and pool deck with lounge seating and BBQ areas.

We are not requesting any variances, special exceptions, etc.
