AED PROGRAM MANAGEMENT PLAN OPTIONS

SCHEDULE B

You've committed to making your organization heart safe by investing in AEDs, but your responsibility does not end there. The next step is to manage your AED program. Rescue One's AED Management Programs are designed to help you manage every aspect of your program, including helping to keep your AED in proper working order, ensuring that your AED program is being conducted in accordance with each state's laws and regulations, and helping you to protect you and your business from liability under the Good Samaritan Law. Rescue One offers 3 AED Program Management options to meet your organization's specific needs.

STANDARD PLAN - \$226 per AED	STANDARD PLAN – Special - \$140 per AED	PREMIUM PLAN - \$340 per AED

The AED Program Management Services Agreement is a 1 year contract and will be automatically renewed and billed on the renewal date each year unless Rescue One is notified 45 days prior to renewal date.

I have read and understood the terms of the AED Program Management Services Agreement set up by Rescue One. I am aware that I will be billed annually for this service and that regular AED checks are required by your facility's AED coordinator as part of the program agreement (see AED Coordinator Responsibility sheet for more information). **Maintenance visits will not be made until customer has paid for the program.**
