NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF HOLLYWOOD, FLORIDA:

Section 1: That the foregoing "WHEREAS" clauses are ratified and confirmed as being true and correct and are incorporated in this Resolution.

Section 3: PURPOSE. The purpose of this Resolution is to comply with the requirements of Florida Statute Section 197.3632 generally regarding the uniform method for the levy, collection, and enforcement of non-ad valorem assessments to enable the imposition and collection of the City's nuisance abatement special assessments for the City's fiscal year beginning October 1, 2024.

Section 4: IMPOSITION AND COMPUTATION OF ASSESSMENTS. The nuisance abatement special assessments shall be imposed against the Tax Parcels specified in the attached Appendix "A" that are determined to be specially benefited by

the work performed by the City. The nuisance abatement special assessments are computed in the manner set forth in Appendix "A," and total \$161,767.41. Consistent with the provisions of Ordinance No. O-2013-06, the total amounts assessed against the properties include the City's direct cost of performing the remedial work, as well as accrued interest on the balance and all other costs incurred by the City (such as administrative, legal, postal, and publication expenses) in collecting the amounts due.

In accordance with Ordinance No. O-2013-06, written notice of the pending non-ad valorem special assessments has been sent by certified mail to the affected property owners shown in Appendix "A." The written notice included the aggregate amount of costs incurred by the City and an itemized list of such costs for each parcel. The aggregate amounts set forth in Appendix "A" for each Tax Parcel shall be the assessment amounts applied by the City Manager in the preparation of the Assessment Roll for the Fiscal Year commencing October 1, 2024. It is determined and declared that the method of computing the Nuisance Abatement Special Assessments as set forth in this preliminary assessment Resolution is a fair and reasonable method and is reflective of the actual incurred costs of the City.

Section 5: ANNUAL ASSESSMENT ROLL. The City Manager is directed to prepare, or cause to be prepared, an Assessment Roll for the Fiscal Year commencing October 1, 2024. The Assessment Roll shall include the specially benefited Tax Parcels identified in Appendix "A." A copy of this preliminary assessment Resolution, as well as Ordinance No. O-2013-06 and Resolution No. R-2013-044, and the Assessment Roll (once prepared) shall be maintained on file in the office of the City Clerk and open to public inspection. The foregoing shall not be construed to require that the updated Assessment Roll proposed for the Fiscal Year beginning October 1, 2024, be in printed form if the amount of the Nuisance Abatement Special Assessment for each parcel of property can be viewed by the use of a computer terminal available to the public.

Section 6: AUTHORIZATION OF PUBLIC HEARING. There is established a public hearing to be held at 6:00 p.m. on September 12, 2024, in the City Commission Chambers, Room 219, 2600 Hollywood Boulevard, Hollywood, Florida, at which time the City Commission will receive and consider any comments on the nuisance abatement special assessments from the public and affected property owners, and act to impose the Assessments for the Fiscal Year beginning October 1, 2024, and to collect such assessments on the same bill as ad valorem taxes.

Section 7: NOTICE BY PUBLICATION. The City Manager shall publish a notice of the public hearing authorized by Section 6 of this preliminary assessment Resolution in accordance with Florida Statute Section 197.3632. The notice shall be published no later than August 24, 2024, in substantially the form attached as Appendix "B."

Section 8: NOTICE BY MAIL.

(A) The City Manager shall also provide, or cause to be provided, notice by first class mail to the Owner of each parcel of Assessed Property in accordance with Florida

Statute Section 197.3632. Such notice shall be in substantially the form attached as Appendix "C." Such notices shall be mailed no later than August 24, 2024.

(B) If the City determines that the truth-in-millage ("TRIM") notice that is mailed by the Property Appraiser under Florida Statute Section 200.069 also fulfills the requirements of paragraph (A) of this Section 8, then the separate mailing requirement described in paragraph (A) will be deemed to be fulfilled by the TRIM notice.

Section 9: APPLICATION OF ASSESSMENT PROCEEDS. Proceeds derived by the City from the nuisance abatement special assessments will be utilized for the repayment of the costs of the City for performing remedial work to abate the nuisances.

Section 10: CONFLICTS. All resolutions or parts of resolutions in conflict are repealed to the extent of such conflict.

Section 11: SEVERABILITY. If any clause, section, other part or application of this Resolution is held by any court of competent jurisdiction to be unconstitutional or invalid, in part or application, it shall not affect the validity of the remaining portions or applications of this Resolution.
