In addition, Licensee shall be obligated to repair any

9.1. Licensee shall indemnify and hold harmless County, and all of County's current, past, and future officers, agents, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to this Agreement, and caused or alleged to be caused, in whole or in part, by any intentional, reckless, or negligent act or omission of Licensee, its officers, employees, or agents, arising from, relating to, or in connection with this Agreement (collectively, a "Claim"). If any Claim is brought against an Indemnified Party, Licensee shall, upon written notice from County, defend each Indemnified Party with counsel satisfactory to County or, at County's option, pay for an attorney selected by the County Attorney to defend the Indemnified Party.

9.2. If Licensee or City contract with a third party to perform any of their obligations under this Agreement, the party contracting with a third party must enter into written agreements with such third parties, which contracts are required to include an indemnification provision by such third party in favor of the Indemnified Party using the language provided in Section 9.1.

9.3. County and City are entities subject to Section 768.28, Florida Statutes, as may be amended from time to time, and agree to be fully responsible for the negligent or wrongful acts and omissions of their respective agents or employees. Nothing herein is intended to serve as a waiver of sovereign immunity by any Party to which sovereign immunity may be applicable. Nothing herein shall be construed as consent by either Party to be sued by third parties in any matter arising out of this Agreement or any other contract.

9.4. The obligations of this article shall survive the expiration or earlier termination of this Agreement.

ARTICLE 10. INSURANCE

10.1. For the duration of the Agreement, Licensee shall, at its sole expense, maintain the minimum coverages stated in Exhibit E in accordance with the terms and conditions of this article. Licensee shall maintain insurance coverage against claims relating to any act or omission by Licensee, its agents, representatives, employees, or any third parties in connection with this Agreement. County reserves the right at any time to review and adjust the limits and types of coverage required under this article.

10.2. Licensee shall ensure that "Broward County, Florida" is listed and endorsed as an additional insured as stated in Exhibit E on all policies required under this article.

10.3. On or before the Effective Date, or at least fifteen (15) days before the commencement of the Improvements, Licensee shall provide County with a copy of all Certificates of Insurance or other documentation sufficient to demonstrate the insurance coverage required by Exhibit E and this article. If and to the extent requested by County, Licensee shall provide complete, certified copies of all required insurance policies and all required endorsements within thirty (30) days after County's request.

10.4. Licensee shall ensure that all insurance coverages required by this article remain in full force and effect for the duration of this Agreement and until all performance required by Licensee has been completed, as determined by Contract Administrator. Licensee or its insurer shall provide notice to County of any cancellation or modification of any required policy at least thirty (30) days prior to the effective date of cancellation or modification, and at least ten (10) days prior to the effective date of any cancellation due to nonpayment, and shall concurrently provide County with a copy of its updated Certificates of Insurance evidencing continuation of the required coverage(s). Licensee shall ensure that there is no lapse in coverage at any time during the time period for which coverage is required by this article.

10.5. Licensee shall ensure that all required insurance policies are issued by insurers: (1) assigned an A.M. Best rating of at least "A" with a Financial Size Category of at least Class VII; (2) authorized to transact insurance in the State of Florida; or (3) a qualified eligible surplus lines insurer pursuant to Section 626.917 or 626.918, Florida Statutes, with approval by County's Risk Management Division.

10.6. If Licensee maintains broader coverage or higher limits than the minimum insurance requirements stated in Exhibit E, County shall be entitled to any such broader coverage and higher limits maintained by Licensee. All required insurance coverages under this article shall provide primary coverage and shall not require contribution from any County insurance, self-insurance or otherwise, both of which shall be in excess of and shall not contribute to the insurance required and provided by Licensee.

10.7. Licensee shall declare in writing any self-insured retentions or deductibles over the limit(s) prescribed in Exhibit E and submit to County for approval at least fifteen (15) days prior to the Effective Date or commencement of the Improvements. Licensee shall be solely responsible for and shall pay any deductibles or self-insured retention applicable to any claim

against County. County may, at any time, require Licensee to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. Licensee agrees that any deductible or self-insured retention may be satisfied by either the named insured or County, if so elected by County, and Licensee agrees to obtain same in endorsements to the required policies.

10.8. Unless prohibited by the applicable policy, Licensee waives any right to subrogation that any of Licensee's insurers may acquire against County and agrees to obtain same in an endorsement of Licensee's insurance policies.

10.9. If any of the policies required under this article provide claims-made coverage: (1) any retroactive date must be prior to the Effective Date; (2) the required coverage must be maintained after termination or expiration of the Agreement for at least the duration stated in Exhibit E; and (3) if coverage is canceled or nonrenewed and is not replaced with another claims-made policy form with a retroactive date prior to the Effective Date, Licensee must obtain and maintain "extended reporting" coverage that applies after termination or expiration of the Agreement for at least the duration stated in Exhibit E.

10.10. Licensee shall require that each third party retained by Licensee for performance of any of Licensee's obligations under this Agreement maintain coverage that adequately covers the performance of the third party on substantially the same insurance terms and conditions required of Licensee under this article. Licensee shall ensure that all such third parties comply with these requirements and that "Broward County, Florida" is named as an additional insured under the third parties' policies.

10.11. Licensee shall not permit any third party to provide services under this Agreement unless and until the requirements of this article are satisfied. If requested by County, Licensee shall provide, within one (1) business day, evidence of any third party's compliance with this article.

10.12. City is a governmental entity and is fully responsible for the negligent or wrongful acts and omissions of its agents or employees, subject to any applicable limitations of Section 768.28, Florida Statutes.

10.13. Within five (5) days after request by County, City must provide County with written verification of liability protection that meets or exceeds any requirements of Florida law. If City holds any excess liability coverage, City must ensure that Broward County is named as an additional insured and certificate holder under such excess liability policy and provide evidence of same to County.

10.14. If City maintains broader coverage or higher limits than the minimum coverage required under Florida law, County shall be entitled to such broader coverage and higher limits on a primary and non-contributory basis.

10.15. The foregoing requirements shall apply to City's self-insurance, if any.

10.16. If City contracts with one or more third parties to perform any of City's obligations set forth herein, City shall require that each third party (and any subcontractors retained by the third

party) procure and maintain insurance coverages as provided in Exhibit E and Sections 10.1 through 10.11 of this Agreement. City must ensure that all such third parties name "Broward County, Florida" as an additional insured and certificate holder under the applicable insurance policies. City shall not permit any third party to provide services required by this Agreement until the insurance requirements of the third party under this section are met. If requested by County, City shall furnish evidence of all insurance required by this section.

10.17. County reserves the right, but not the obligation, to periodically review any and all insurance coverages required by this Agreement and to reasonably adjust the limits and/or types of coverage required herein, from time to time throughout the term of this Agreement.
