April 14, 2021

I am applying for the Parks, Recreation and Cultural Arts Advisory Board position. I have served on the board for the past two years and would like to continue to serve on this board.

I have lived in Hollywood since 1964. I was out of town from 1975 to 1985 for school and training years. I am a retired nurse who worked with disabled, hearing impaired, autistic and medically fragile children. My husband, Bill, is a practicing physician who also lived in Hollywood since he was a child. We loved growing up in Hollywood and came back to raise our children in our home town.

When I retired from nursing I started a small textile restoration business that grew and expanded over the years. I sold my product, Sharon's Solution, online, in specialty stores and previously on QVC.

I have long benefited from what the City of Hollywood's Parks, Recreation and Cultural Arts has to offer. I spent a lot of time at David Park Teen Center during my elementary, junior high and high school years. As an adult I came to David Park for Zumba classes and to attend the Hollywood Hills Civic Association meeting. It has been a full circle moment for me.

My children grew up in the parks system with T-Ball, baseball, summer camps at David Park, tennis camps, golf camps and art classes. We frequented the parks system in town. Taking advantage of all that the city has to offer continues to be an invaluable experience for our family.

I have volunteered tirelessly for the General Obligation Bond, canvassing 260 homes, making phone calls and placing yard signs leading up to election day. I am very proud of the efforts of our volunteers in passing this GO Bond. I am passionate about preserving our green spaces.

Please consider me for the Parks, Recreation and Cultural Arts Advisory Board position. While serving on the board I have proposed several projects that are on the Master Plan for the PRCA. I look forward to seeing these proposals come to fruition and to continue serving the City of Hollywood.

Sincerely,

Sharon W. Nitzberg
