Re: Take 5 Proposed Development
6190 Hollywood Boulevard
Community Outreach Meeting

Dear Ms. Diaz:

As you are aware, our firm represents Westover Hollywood LLC who is the Applicant and Owner for a special exception to allow an expansion/intensification of a legal non-conforming use and for a variance with regard to stacking spaces for a Take 5 minor automotive repair use at the above-referenced property.

Please be advised that as the attorney for the Applicant we advertised, notified and invited all property owners within the notice radius provided for by Code to attend a community outreach meeting via Zoom. The Zoom meeting occurred on June 17, 2025 at 6:30 p.m. The zoom meeting occurred via the zoom instructions that were both posted on the site and sent to the neighbors. A project location map was part of the letter that was sent.

Several members of the public attended the meeting. I took the names of the attendees to create a sign in sheet from the people that attended the meeting. This sign in sheet is attached. In addition, following the meeting I received two phone calls from members of the public and also, at the request of the Vice Mayor, had a Zoom meeting with her about this project.

At the meeting I presented the project, explained what was occurring, the nature of the requests being made to the City and also showed the attendees the proposed site plan and building

elevations. One member of the public asked if Westover Hollywood had already purchased the property. I explained that it had. The other members of the public who were in attendance expressed support for the project (as did the members I spoke to after the occurrence of the meeting via phone) and the only question that was asked was when we expected construction to occur and when would the proposed use begin. The people I spoke with after the meeting also expressed support for the project.

Should you have any questions or require any additional information please feel free to contact me.

Very truly yours,

/s/ Rod A. Feiner
