**Re: INFLOW/INFILTRATION (I/I) PROGRAM – CURED-IN-PLACE PIPE (CIPP) LINING
IFB-001-23-OT
APPARENT RESPONSIVE AND RESPONSIBLE BIDDER**

Dear Mr. Otis:

This letter report provides an analysis of the Department of Public Utilities (Department) review of the bid received for the Inflow/Infiltration (I/I) Program - Cured-In-Place Pipe Lining and a recommendation for award of contract.

The bid proposal and supporting information were evaluated for bidder responsiveness and the Contractors overall technical ability to perform the work proposed by the Department's Contract Documents. The evaluation consisted of the following:

- 1) The Department prepared a side-by side tabulation of the bids received, checked for math errors and anomalies in Unit Prices. The bidders for the project in order of overall lowest bid are:

<u>Respondent/ Bidder</u>	<u>Bid Total</u>	<u>Ranking</u>
Inliner Solutions, LLC.	\$4,493,839.00	1
Hinterland Group, Inc.	\$5,133,760.00	2
Man-Con, Inc.	\$5,310,822.25	3

- 2) Completeness of the bid packages in accordance with Article 2, "Receipt and Opening of Bids", of Section III, part 3.3 "Contractor Qualifications" and Form 15, "Information Required from Bidders," which requires submittal of the following completed forms, signed, sealed and/or notarized where required.

Based on our review and evaluation of the Bid Proposal, the Department recommends that the project is awarded to the lowest responsive and responsible bidders, Inliner Solutions, LLC. for Inflow/Infiltration ("I/I") Program - Cured-In-Place Pipe Lining.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Donnelly Chin', with a stylized flourish at the end.

Donnelly Chin
Public Utilities Consultant

Name of Bidder: Inliner Solutions, LLC.

Form 16 – PROPOSAL
Comments: None

Form 3 - PROPOSAL BID FORM
Comments: The bidder's reported total of \$4,493,929.00 doesn't match the calculated total of \$4,493,839.00. Vendor had a Unit Price of \$100 instead of \$10 for Bid Item 53 Indemnification. Causing an error amount of \$90.

Form 12 - TRENCH SAFETY FORM
Comments: None.

Form 13 - APPROVED BID BOND
Comments: None

Form 14 – LIST OF SUBCONTRACTORS
Comments: LMK for Cleanouts & FloTech for Lateral Grouting and Cleaning.

Form 15 - INFORMATION REQUIRED FROM BIDDERS
Comments: Contractor demonstrate successful completion (or on-going) minimum of three relevant projects demonstrating experience with cured-in-place-pipe lining work. Inliner Solutions, LLC. provided a list of at least three projects.

Inliner Solution, LLC's portfolio appears satisfactory for previous & similar completed projects.

Form 4 - Vendor Reference Form:

Reference Check forms were sent to Hazen & Sawyer (Clearwater WWCS Program), City of Bradenton and Pinellas County Public Works Construction Management Division. Both clients gave the bidder good ratings. Copies of the references checks are included in the bidder's package.

Conclusion:

After a thorough review of references and documentation provided, Utilities Department considers Hinterland Group, Inc. was found to be the lowest responsive and responsible bidder qualified to perform the work.
