GLOBAL ENVIRONMENTAL PRODUCTS

WARRANTY POLICY - MECHANICAL SWEEPERS

Global Environmental Products warrants to the original purchaser all new mechanical sweeper manufactured by it, to be free from defects in material and workmanship under normal operating conditions and proper application for a period of one year (twelve months) from the date placed in service or fifteen hundred (1500) hours of operation by the original purchaser, whichever occurs first, except for wear parts and failures caused by misuse, abuse, accident, inadequate maintenance, or contamination of components.

The following parts and components are wear items that are not included in Global warranty coverage: pickup brooms, gutter brooms, front deflector flap, elevator mud flap, dirt shoes, elevator side flaps, squeegees, split sprockets, pickup broom flap, center deflector, dirt shoe deflectors, dirt shoe pivot rods, all filters, engine belts, brake linings, batteries, window glass, light bulbs, lenses, tires or grease, oil and fluids required for maintenance, bearings, lift cables, mirrors, hardware.

Global's obligation under this warranty is limited to making a repair or replacement at its factory or at a point designated by it, or any part or parts thereof which shall be returned to it with transportation charges prepaid and which its examination shall disclose to its satisfaction to have been thus defective; this warranty being expressly in lieu of all other obligations or liabilities on its part, and neither assumes nor authorizes any other person to assume for it any other liability in connection with the sale, service or repair of its equipment.

Optional equipment such as radios, rotating beacons, arrowstick or arrowboard and any electrical option will carry a warranty of 90 days.

Electrical equipment not covered by Global Environmental Products warranty includes starters, starter solenoids, generators, alternators, voltage regulators and batteries warranted by their respective manufacturers.

Warranty coverage may be voided if non genuine Global parts or components are used on Global sweepers during the warranty period. Global does not warranty parts or components that fail due to lack of proper maintenance.

This warranty does not obligate the manufacturer to bear the cost of removal and re installation labor or transportation charges in connection with the replacement of parts and components for equipment upon which repairs or alterations have been made in any way so as in the judgement of Global Environmental Products to affect its performance and reliability, nor which has been subject to misuse, negligence or accident.

The Global Environmental Products makes no warranty in respect to trade accessories, tires and engines, batteries or other accessories covered by warranty from the supplier, inasmuch as they are subject to the warranty of their respective manufacturers.

THE FOREGOING IS IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESSED OR IMPLIED (INCLUDING THOSE OF MERCHANTABILITY AND FITNESS OF ANY PRODUCT FOR A PARTICULAR PURPOSE), AND OF ANY OTHER OBLIGATION OR LIABILITY ON THE PART OF GLOBAL ENVIRONMENTAL PRODUCTS.

LIMITATION OF LIABILITY

It is expressly understood that Global Environmental Products' liability for its products, whether due to breach of warranty or negligence, is limited to the furnishing of such replacement parts, and Global Environmental Products will not be liable for any other injury, loss, damage, or expense, whether direct or consequential, including but not limited to loss of use, income, profit, or production, or increased cost of operation, or spoilage of or damage to material, arising in connection with the sale, installation, use of, inability to use, or the repair or replacement of Global Environmental Products' products.

SPECIFICATION #50**

2016 Global M3

The Global M3 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★ Western	★ Northern	★ Central	★ Southern
BASE PRICE:	\$171,869.00	\$171,869.00	\$171,869.00	\$171,869.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.
