STATEMENT OF QUALIFICATIONS

City of Hollywood, FL

June 12, 2017

Re: **RFQ-4521-17-RL**

To Whom It May Concern:

With this package in response to RFQ-4521-17-RL, **The BG Group** is expressing its interest to the City of Hollywood in being selected as the most qualified contractor to provide this demolition work as needed. We specialize in the areas of demolition, asbestos abatement, excavation, recycling and aggregate and concrete crushing.

We focus on saving our clients time and money and have recently completed similar transactions for housing agencies, corporations, developers, GCs and municipalities who would be happy to serve as references at the appropriate time. We also have significant experience in term contracts with various municipalities as well as with projects involving multi-unit dwellings up to 3 stories and commercial buildings up to 4 stories, as described. The attached information should provide some useful background. We carry comprehensive general liability insurance, workers' compensation and are a bondable contractor. We are also a M/WBE with the State of Florida and an SBE with a group of municipalities, and perform each of our projects to meet maximum LEED certification.

Thank you for taking the time to learn a bit about **The BG Group Demolition**. Again, we look forward to speaking with you soon.

Yours truly,

Ivy Fradin
Managing Member

THE BG GROUP, LLC

THE BG GROUP, LLC

We are a licensed Certified General Contractor specializing solely in demolition with approximately 100 employees and a stellar track record of safe and efficient demolition experience. By way of background, The BG Group, of which I am one of the principals is, by far, the strongest local demolition contractor in Palm Beach County, if not in the entire South Florida area and if not the State. We are over 14 years old, stand on our own financial legs, own all of our own equipment, are bondable up to \$10 million, have \$7 million of GL insurance alone, are fully insured and have excellent references—both current and prior jobs. We would proudly serve up any of our clients, as well as any building officials, health department officials, and the like, as references as to our character, performance and commitment. We have a pristine safety record and a focus on being environmentally-friendly and recycling-oriented. We have received a lot of praise and recognition recently for our implosion of the 1515 Tower in West Palm Beach and Miami Edgewater and the timely demolition completion of the large and highly visible Palm Beach Mall. In addition, we recently took down the Hilton Hotel on Griffin by the Fort Lauderdale International Airport and the former Howard Johnson's on Fort Lauderdale Beach Blvd, in addition to several other multimillion dollar demolition projects including the Miami Herald and a large foundation project in Sunny Isles for Fortune International Group. We are currently performing demolition at Hard Rock/Sunlife Stadium for Hunt Construction for the 3rd consecutive year, are demolishing the former Plantation Fashion Mall and are doing significant work at Calder Race Track for Churchill Downs. Past Housing Agency projects include those for: West Palm Beach Housing Authority, Housing Authority of Fort Lauderdale, Pinnacle Housing Group and the Daytona Beach Housing Authority.

The BG Group has developed methods and techniques to suit various individual client needs and our name is synonymous with quality, innovation, integrity and performance throughout Florida. A few of our more notable clients include:

- Real Estate Developers and Corporations such as: **Florida Crystals Corporation; Kenco Builders; Lennar Homes; Penn-Florida; Pinnacle Housing Group; Resorts World Miami; The Related Group; Swerdlow Group; Tropicana; WCI Communities**
- General Contractors such as: **Arellano Construction; Butters Construction & Development; Coastal Construction; Moss & Associates; Pirtle Construction; Plaza Construction; Seaside Builders; Skanska Construction; Stiles Corporation; Suffolk Construction; The Weitz Company**
- Municipalities including: Broward County Aviation; **City of Fort Lauderdale; City of Hollywood; City of Lake Worth; City of Miami; City of Miami Gardens; Daytona Beach Housing Authority; Miami Dade Housing Agency; Palm Beach County; School District of Palm Beach County**

THE BG GROUP, LLC

Regarding our experience in municipal term contract projects, we are the most recent contract holder of the City of Fort Lauderdale Demolition Services term contract, having held it since 2010. We also have held the annual demolition contract for Palm Beach County since 2004 (and recently won the third consecutive rebid), for the City of Miami since 2006 and for Martin County. In addition, we are prequalified with the School District of Palm Beach County and the Miami Dade County Public Schools, all of whom have emergency jobs for their unsafe structures from time to time, and all of whom have agreed to serve as references (but are precluded from putting recommendation letters on their stationery). We know that we can provide the requisite abatement and demolition services to your City both safely and efficiently and are qualified to do so. Our crews are trained to assure that the work area is left clean, hazard-free after each site is completed.

Palm Beach County	John Tierney	561.233.0252	Contract since 2004
City of Fort Lauderdale	George Oliva	954.828.6556	Contract since 2010

Our senior management is actively and intimately involved in every step of our company's activities including, but not limited to:

- bid preparation and estimating;
- proposal follow up;
- scope review;
- contract execution;
- permitting;
- preconstruction meetings;
- field performance;
- permit close out;
- certified payroll;
- billing and collections.

THE BG GROUP, LLC

Resumes for our management team are attached. We pride ourselves on performing to such a level that every client is able to be a reference; we thus take customer satisfaction extremely seriously at all levels of our company. Reference letters are enclosed that attest to our capabilities in the office and in the field, and in terms of managing our own crews as well as any subcontractors used.

Throughout our history, we have performed total and selective demolition for real estate owners, general contractors and municipalities, and of structures:

- in every category, including residential, retail, industrial, healthcare, governmental and educational and
- of every size, from small single family homes to multi-million square foot shopping centers and 31 story structures.

We have completed every project we ever started and own all of our own equipment, including excavators, skidsteers, rubber tire loaders, floor scrapers, specialized attachments and everything else required for successful demolition projects throughout the State. We pride ourselves on our repeat clients and their referrals, as well as our ability to attract new clients due to our impressive capabilities and our outstanding track record of serving our clients' needs. We are pleased that a number of our employees have been with our company since its inception. In addition, we boast a team that is equally competent in our field operations, our field supervision and our back office.

Resumes can be provided to detail our management expertise. Each of our senior managers has been with the Company for between 5 and 14 years, and each member of our office staff has been with us for at least 4 years. The attached org chart presents a graphical picture. The BG Group is certified as a Minority Business Enterprise with the state of Florida, being 51% owned by a female. Managing Member: Ivy Fradin, CFA (15 years experience in Investment Banking; ran a division with 300 people; Duke University Phi Beta Kappa graduate). In addition:

- Of our 13 managerial and office staff, five are women, two of which are Hispanic—so 38% are M/WBE
- Of our 85+ employees, including operators and laborers, 35 are African American, 25 are Hispanic, four of which are women—so 80% are M/WBE.

THE BG GROUP, LLC

The BG Group LLC prides itself on our safety programs and safety record. Our safety director is Managing Member Steve Greenberg. Andrew Stull, our Vice President, runs our field and also takes ownership of corporate safety. We have written safety manuals, hold daily safety meetings on our job sites and provide OSHA training for our employees. When onsite, each of our employees uses individual safety equipment including, at a minimum, hard hats, work boots, vests and safety gloves and goggles. We also use maximum safety equipment as pertains to any given task at hand. Our EMRs are as follows for the past two years. We drug test each of our employees at hire and on a regular basis. The photograph below (right) is of our front door.

Year	EMR Ratio
2015	1.00
2016	1.00
2017	0.83

Any site superintendent or foreman, all of whom are considered OSHA competent persons, can stop work for any reason, that reason most likely to be safety/job hazard potential or weather-related. We at The BG Group LLC feel that, with our breadth and depth of experience, we have encountered the majority of difficulties that may arise and we have a known solution in hand. However, real world experience also indicates this is not always the case. Should a situation arise that causes a significant problem, the most important step would be communication with the Agency. Utilizing the expertise of Agency and City officials and our key staff we feel we can determine a solution to any difficulties that may arise.

Possible difficulties that have arisen in the past, and how we have addressed them are as follows.

Onsite changes are requested.	The written word will prevail, and any subcontracts or change orders will have to be signed off in writing before the work to which they refer will be executed.
-------------------------------	--

THE BG GROUP, LLC

We uncover asbestos not detected in survey, possibly hidden under layers of other tile	Experience allows our operators and supervisors to identify when we have a problem, stop work immediately and notify proper parties. Our capabilities also allow us to handle this type of situation quickly, safely and efficiently.
Utilities were not truly disconnected, despite the fact that we have a letter stating that they were.	We make sure that we have letters in the file from all utilities assuring disconnection of service before we start to minimize this possible problem, even if such disconnect letters are not required by a municipality to obtain our permit. These letters also tell us who to call in case of surprise, and usually last minute, emergencies.
Our machines break down.	Our experienced in-house mechanic, and knowledgeable field supervisors and operators, are able to repair most of the problems our machines encounter.
Performance time tables get shortened.	Our strong vendor relationships facilitate hauling, dumping and the like, when expedited service is needed

The BG Group LLC (BG) proposed approach has been refined into a standard working procedure that will accomplish the task requirements set forth by the City. Our approach to every project will be as follows or as refined by City and Agency requirements.

Within BG, Ivy Fradin will be responsible for disseminating the projects assigned and pertinent information of each to the key team members. These communications will take place in writing, via email, and may be supplemented or predated by verbal dialog. The written word, however, is what will prevail.

Written communication will also be the preferred method of communication with any and all subcontractors and regulatory agencies, even though verbal dialog may also occur. Again, within BG, Ivy Fradin will function as a primary point of contact for the City for all facets of the project.

Upon contract award, the Estimator will coordinate with the Field Supervisor assigned to the project to assure that the appropriate manpower, equipment, and materials required for the job are at his disposal. Also at this time the

THE BG GROUP, LLC

Estimator will discuss any special site conditions or procedures not referred to in the specifications or work plan. This is to ensure that the Supervisor will have a full understanding of the requirements for the project. Any required underground utility and/or pollutant storage work will be coordinated, as will any subtrades necessary, such as electrical, plumbing, well capping, septic pumpouts, sewer caps, lift station work, etc. We will also arrange for our water source and address any other special conditions, such as relevant MOT plans, at this time.

Upon receipt of NTP, our in house Permit Expediter will immediately begin permit application procedures, call in Miss Sunshines, and request utility disconnects. We also immediately file 10 day NESHAP notifications, if required, so as to never hold up a job for this, and are willing to revise if necessary to accommodate the time table of the job. We will help coordinate any actual required abatement with regulatory agencies, if applicable, and schedule Agency representatives to be present if so desired.

Upon receipt of the NTP, Managing Member Ivy Fradin will schedule the relevant BG member(s) to visit the project to verify conditions. BG personnel will visit the job site for a preconstruction meeting with the City to confirm scope of work and to familiarize themselves with the working conditions, including accessibility, crew size, water and electrical availability also, materials and equipment needed. During this site visit BG will reconfirm the takeoffs of the project to be demolished or removed. At this time, we will also prepare a demo plan if required and complete contracts with any required subcontractors.

Upon receipt of demolition permit, BG equipment and personnel will mobilize to the job site on the start date indicated on the DEP notice as directed by City. The Field Supervisor will conduct a safety meeting and inform the crew of any special conditions that warrant attention. The Supervisor will then assign individual tasks to his crew and any subcontractors necessary, and will oversee their progress. Means and methods for each situation are unique, but wet demolition is always performed, both to control dust as well as to ensure the safest and healthiest environment possible, for the scope of work as outlined in the bid documents. We will clean the site each day of any significant debris and

THE BG GROUP, LLC

schedule inspections as required, allthwhile performing our demolition scope with an eye on both safety and efficiency. Daily reports are turned in each day to document progress, load counts, equipment and staffing. These, along with regular communication with BG management, ensure consistent dialog regarding site conditions and project advancement. City personnel can visit the site or request daily report copies at any time.

As the job nears completion, a walk-through inspection will be performed by the Supervisor with the City representative to create a punch list. Once any such items are addressed, we will then notify the Agency that the job was successfully completed, call in and final inspections, and finally prepare and send the City its invoice, with any paperwork that may be required relevant to the particular job.

Documentation

Before, during, and after a demolition project, documentation is of critical importance. Daily job reports, as well as load tickets and time cards, are compiled to record an absolute proof of project events. At the completion of a project, the documentation can be provided to the client upon request. Duplicate copies of all project documentation would be maintained and stored in a central location within our corporate office in Boca Raton, Florida.

All requests, regular and/or emergency, need to be emailed to our Managing Member, ivy@thebggroup.net. Emergency requests should also be phoned in to Ivy at 561.715.0530 or Managing Member Steve Greenberg at 561.715.0013, both of whom are reachable 24x7.

Re: The BG Group, LLC.
Project: RFQ-4521-17-RL – General Contractors for Housing Programs

Letter of Bondability

To Whom It May Concern,

The BG Group, LLC. is a highly regarded and valued client of American Global and The Guarantee Company of North America USA ("GCNA") and is capable of providing Performance and Payment Bonds up to \$5,000,000.00 single with an aggregate limit of \$10,000,000.00. That is, however, in no way indicative of the maximum amount of surety credit we may be willing to extend. The Guarantee Company of North America USA is rated by AM Best as A (Excellent), Class VIII and is licensed to do business in all 50 States.

In our opinion, The BG Group, LLC is one of the finest, best managed construction firms in the country. The BG Group, LLC has handled each of its projects in a professional manner and completed all work satisfactorily.

Please note that the decision to issue performance and payment bonds is a matter between The BG Group, LLC. and GCNA, and will be subject to our standard underwriting at the time of the final bond request, which will include but not be limited to the acceptability of the contract documents, bond forms and financing. This letter does not constitute an assumption of liability, and we assume no liability to you or to any third parties by the issuance of this letter.

If you have any questions, please feel free to call.

Sincerely,
The Guarantee Company of North America USA

Michael Marino
Attorney-in-Fact

The Guarantee Company of North America USA

POWER OF ATTORNEY

KNOW ALL BY THESE PRESENTS: That THE GUARANTEE COMPANY OF NORTH AMERICA USA, a corporation organized and existing under the laws of the State of Michigan, having its principal office in Southfield, Michigan, does hereby constitute and appoint

[Michael Marino, William Grefe Griffin, Torre Taylor, Ricardo Davila Lamar
American Global LLC

its true and lawful attorney(s)-in-fact to execute, seal and deliver for and on its behalf as surety, any and all bonds and undertakings, contracts of indemnity and other writings obligatory in the nature thereof, which are or may be allowed, required or permitted by law, statute, rule, regulation, contract or otherwise.

The execution of such instrument(s) in pursuance of these presents, shall be as binding upon THE GUARANTEE COMPANY OF NORTH AMERICA USA as fully and amply, to all intents and purposes, as if the same had been duly executed and acknowledged by its regularly elected officers at the principal office.

The Power of Attorney is executed and may be certified so, and may be revoked, pursuant to and by authority of Article IX, Section 9.03 of the By-Laws adopted by the Board of Directors of THE GUARANTEE COMPANY OF NORTH AMERICA USA at a meeting held on the 31st day of December, 2003. The President, or any Vice President, acting with any Secretary or Assistant Secretary, shall have power and authority:

- 1. To appoint Attorney(s)-in-fact, and to authorize them to execute on behalf of the Company, and attach the Seal of the Company thereto, bonds and undertakings, contracts of indemnity and other writings obligatory in the nature thereof; and
2. To revoke, at any time, any such Attorney-in-fact and revoke the authority given, except as provided below
3. In connection with obligations in favor of the Florida Department of Transportation only, it is agreed that the power and authority hereby given to the Attorney-in-Fact includes any and all consents for the release of retained percentages and/or final estimates on engineering and construction contracts required by the State of Florida Department of Transportation. It is fully understood that consenting to the State of Florida Department of Transportation making payment of the final estimate to the Contractor and/or its assignee, shall not relieve this surety company of any of its obligations under its bond.
4. In connection with obligations in favor of the Kentucky Department of Highways only, it is agreed that the power and authority hereby given to the Attorney-in-Fact cannot be modified or revoked unless prior written personal notice of such intent has been given to the Commissioner - Department of Highways of the Commonwealth of Kentucky at least thirty (30) days prior to the modification or revocation.

Further, this Power of Attorney is signed and sealed by facsimile pursuant to resolution of the Board of Directors of the Company adopted at a meeting duly called and held on the 8th day of December 2011, of which the following is a true excerpt:

RESOLVED that the signature of any authorized officer and the seal of the Company may be affixed by facsimile to any Power of Attorney or certification thereof authorizing the execution and delivery of any bond, undertaking, contracts of indemnity and other writings obligatory in the nature thereof, and such signature and seal when so used shall have the same force and effect as though manually affixed.

IN WITNESS WHEREOF, THE GUARANTEE COMPANY OF NORTH AMERICA USA has caused this instrument to be signed and its corporate seal to be affixed by its authorized officer, this 2nd day of October, 2015.

THE BG GROUP, LLC

OSHA ISSUE 2013

RE: OSHA

June 12, 2017

To Whom It May Concern:

The BG Group LLC did incur two OSHA violations in 2013, which both occurred on one job in Miami. The OSHA inspection "revealed no instances of Repeated, Willful or Failure-to-Abate violations, nor were there a significant number of High Gravity Serious violations." Additionally, the compliance officer reported that we had a good understanding of the actions necessary to correct the violations cited" and that we were willing to make those corrections by the date specified. As you found, these violations were cited as:

1. Dropping debris more than 20' without a chute
2. Employee tied off but free fall distance exceeded 6'

Of note, while we found no violations of OSHA regulations at the site, OSHA felt otherwise and The BG Group agreed to an Informal Settlement Agreement and reinforced our safety procedures..

In order to prevent such potential violations from reoccurring, we have reiterated our policies that:

- (1) no material will be thrown from a building, rather it will be lowered to the ground floor via chute or empty elevator shaft or some other OSHA-compliant method, and
- (2) in terms of fall protection, we now use the most current harnesses which prevent the 6' issue and we continue to follow OSHA tie off regulations.

The BG Group LLC prides itself on our safety programs and safety record. Our safety director is co-Managing Member Steve Greenberg. We have written safety manuals, hold weekly safety meetings on our job sites and provide OSHA training for our employees. When onsite, each of our employees uses PPE including, at a minimum, hard hats, work boots, vests, safety gloves and glasses. We also use maximum safety equipment as pertains to any given task at hand. The BG Group, LLC takes great pride in the quality work that is provided by our employees, and great measures have been taken to ensure the safety of each worker on this site.

We welcome you to call us if you have any further questions and apologize for our oversight in not including this matter in our prequalification form.

Sincerely,

THE BG GROUP, LLC

RE: OSHA Inspection Number 1050200

December 10, 2015

To Whom It May Concern:

Upon investigation into the issue of Inspection Number 1050200 (attached) regarding the jobsite at 161 Ocean Drive, Miami Beach (Marriott Stanton South Beach), we have found no The BG Group, LLC violations of OSHA regulations at the site. Specifically, the conditions at the South Beach Marriott that received an OSHA citation were not caused by The BG Group, but rather were caused by other subcontractors on the jobsite at the time. Our only error was not realizing this and notifying someone at that time that a problem existed. In response to the OSHA citation, we immediately removed all of our employees from the job upon recognition of a problem. We have since made sure that our employees know that if they ever smell or see anything that appears unusual, they should immediately notify a supervisor so proper action can be taken.

The BG Group, LLC prides itself on our safety programs and safety record. Our safety director is Managing Member Steve Greenberg. We have a written safety manual, hold weekly safety meetings on our job sites and provide OSHA training for our employees. When onsite, each of our employees uses individual safety equipment including, at a minimum, a hard hat, work boots, vests, safety gloves and goggles. We also use maximum safety equipment as pertains to any given task at hand. The BG Group, LLC takes great pride in the quality work that is provided by our employees, and great measures are taken to ensure their safety on all job sites.

As required, we posted this notice, along with the other required materials, at the jobsite immediately and for the required timeframe. Our work has since been fully completed. We welcome you to call us if you have any further questions.

Sincerely,

THE BG GROUP, LLC

**SWORN STATEMENT PURSUANT TO SECTION 287.133 (3) (a) FLORIDA
STATUTES ON PUBLIC ENTITY CRIMES**

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR
OTHER OFFICIAL AUTHORIZED TO ADMINISTER OATHS

1. This form statement is submitted to City of Hollywood
by Ivy FRADIN for The BG Group LLC
(Print individual's name and title) (Print name of entity submitting sworn statement)
whose business address is 1140 HOLLAND DR #19 BOCA RATON FL 33487
and if applicable its Federal Employer Identification Number (FEIN) is 810593332 if the entity has no FEIN,
include the Social Security Number of the individual signing this sworn statement.

2. I understand that "public entity crime," as defined in paragraph 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid, proposal, reply, or contract for goods or services, any lease for real property, or any contract for the construction or repair of a public building or public work, involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misinterpretation.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in an federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that "Affiliate," as defined in paragraph 287.133(1)(a), Florida Statutes, means:

1. A predecessor or successor of a person convicted of a public entity crime, or
2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5 I understand that "person," as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or any entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, executives, partners, shareholders, employees, members, and agents who are active in management of an entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting this sworn statement. (Please indicate which statement applies.)

Neither the entity submitting sworn statement, nor any of its officers, director, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an

affiliate of the entity has been charged with and convicted of a public entity crime, but the Final Order entered by the Hearing Officer in a subsequent proceeding before a Hearing Officer of the State of the State of Florida, Division of Administrative Hearings, determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (attach a copy of the Final Order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THAT PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017 FLORIDA STATUTES FOR A CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

DRUG-FREE WORKPLACE PROGRAM

IDENTICAL TIE BIDS - Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids which are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employee that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program (if such is available in the employee's community) by, any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of these requirements.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

SOLICITATION, GIVING, AND ACCEPTANCE OF GIFTS POLICY

Florida Statute 112.313 prohibits the solicitation or acceptance of Gifts. - "No Public officer, employee of an agency, local government attorney, or candidate for nomination or election shall solicit or accept anything of value to the recipient, including a gift, loan, reward, promise of future employment, favor, or service, based upon any understanding that the vote, official action, or judgment of the public officer, employee, local government attorney, or candidate would be influenced thereby.". The term "public officer" includes "any person elected or appointed to hold office in any agency, including any person serving on an advisory body."

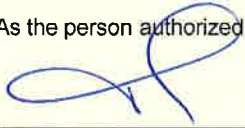

The City of Hollywood policy prohibits all public officers, elected or appointed, all employees, and their families from accepting any gifts of any value, either directly or indirectly, from any contractor, vendor, consultant, or business with whom the City does business.

The State of Florida definition of "gifts" includes the following:

- Real property or its use,
- Tangible or intangible personal property, or its use,
- A preferential rate or terms on a debt, loan, goods, or services,
- Forgiveness of indebtedness,
- Transportation, lodging, or parking,
- Food or beverage,
- Membership dues,
- Entrance fees, admission fees, or tickets to events, performances, or facilities,
- Plants, flowers or floral arrangements
- Services provided by persons pursuant to a professional license or certificate.
- Other personal services for which a fee is normally charged by the person providing the services.
- Any other similar service or thing having an attributable value not already provided for in this section.

Any contractor, vendor, consultant, or business found to have given a gift to a public officer or employee, or his/her family, will be subject to dismissal or revocation of contract.

As the person authorized to sign the statement, I certify that this firm will comply fully with this policy.
