Piggyback/Cooperative Contract Summary

Piggyback/Cooperative Contract Number and Title:	Southeast Florida Governmental Purchasing Cooperative Group Bid # ITB 25-016
Awarding Agency:	City of Deerfield Beach
Services/Supplies to be provided:	Supply and Delivery of Sulfuric Acid 93%
Why are the Services/Supplies being obtained via a piggyback or cooperative contract (as opposed to issuing a solicitation or obtaining quotes):	The City of Deerfield Beach, as the lead agency, posted a competitively bid solicitation on April 18, 2025, and secured favorable rates with the lowest bidder being Shrieve Chemical Company, LLC, to supply and deliver Sulfuric Acid 93%. This is a Co-operative agreement, and with their purchasing power of all 54 cities under the Co-op, they get a more favorable rate. If the City pursued

	a solicitation on their own, it would result in much higher cost and a financial forfeiture for the City.
