Events

Our community event programs enable communities to enjoy spectacular displays previously limited to only major metro areas.

EVENTS

Decor

Each program is designed for excitement and engineered for ease of installation. We are a full service company working with clients from design through engineering, fabrication and installation, resulting in a successful decorating experience.

DECOR

About Us

We are a family-run business founded in 1976 and have produced programs for over 2,000 of clients nationwide. Our designs enhance cities, shopping centers, malls, commercial buildings, parks, zoos and more. We pioneered the community holiday event concept and we provide displays for annual holiday events throughout the country.
