RE: UTILITY LOCATING CONTRACT – TERM RENEWAL
PRICE INCREASE PER CONTRACT TERMS

Dear Mr. Domond:

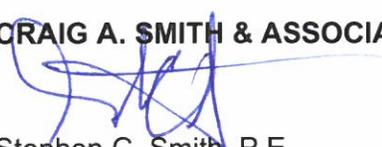

We are pleased to offer renewal our contract for Utility Location Services dated April 12, 2017, in accordance with the terms and provisions specified within the Contract Documents.

Per the terms of the contract for Utility Locate Services, upon renewal a price increase is calculated based on the formula stated in the Contract. The formula provides for such price increases to be based on the Consumer Price Index or a minimum of 2.0%, whichever is greater at the time of the renewal. While the January 2020 adjusted CPI is 2.50%, **we will honor your request to limit the increased rate to 2.0%**. The new rates will be effective with the May 2020 billing cycle and will remain in effect through April 2021.

We appreciate your continued business and partnership with our firm and request that you contact me directly with any questions or comments.

Sincerely,

CRAIG A. SMITH & ASSOCIATES
