**INTERLOCAL AGREEMENT BETWEEN BROWARD COUNTY
AND CITY OF HOLLYWOOD FOR AIRPORT ZONING REGULATIONS**

This Interlocal Agreement ("Agreement") is entered into by and between Broward County, a political subdivision of the State of Florida ("County"), and City of Hollywood, a municipal corporation organized and existing under the laws of the State of Florida ("City") (County and City collectively referred to as the "Parties").

RECITALS

A. This Agreement is entered into pursuant to Section 163.01, Florida Statutes, also known as the "Florida Interlocal Cooperation Act of 1969."

B. It is the purpose and intent of the Parties to permit County and City to make the most efficient use of their respective powers, resources, and capabilities by enabling them to cooperate on the basis of mutual advantage and thereby accomplish the objectives provided for herein in the manner that will best accord with the existing resources available to each of them and with the needs and developments of their respective jurisdictions.

C. County owns and operates the Fort Lauderdale-Hollywood International Airport and North Perry Airport, located in Broward County, Florida (individually and collectively referred to as "Airport").

D. A portion of the airport hazard area, as defined in Section 333.01(4), Florida Statutes, is located within City's and County's municipal limits.

E. City and County are required by Section 333.03(1)(b), Florida Statutes, to either: (i) enter into an interlocal agreement to adopt, administer, and enforce the airport zoning regulations; or (ii) adopt an ordinance, regulation, or resolution creating a joint airport zoning board that shall adopt, administer, and enforce a set of airport zoning regulations.

F. Pursuant to the requirements of Section 333.03(1)(b), Florida Statutes, the Parties desire to enter into this Agreement to administer and enforce the Airport Zoning Regulations (as defined herein) in the Broward County Code of Ordinances (“Code”).

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the Parties agree as follows:

ARTICLE 1. BACKGROUND; PURPOSE AND INTENT

1.1 The Parties agree and stipulate that the foregoing recitals are true and correct and are incorporated herein by reference.

1.2 The purpose and intent of this Agreement is for County and City, pursuant to Section 163.01, Florida Statutes, as amended, to cooperate and provide for a means by which each governmental entity may exercise its respective powers, privileges, and authorities in order to comply with Section 333.03, Florida Statutes.

ARTICLE 2. AIRPORT ZONING REGULATIONS

2.1 Airport Zoning Regulations. Pursuant to the procedures specified in Section 333.05, Florida Statutes, City shall administer and enforce Section 5-182.10 of the Code and any regulations enacted by City applicable within its jurisdiction and governing the use of land on, adjacent to, or in the immediate vicinity of the Airport, in compliance with Chapter 333, Florida Statutes (“Airport Zoning Regulations”).

2.2 Notice Provided to County. City shall, in writing, notify County of the following:

A. Amendments. City must disclose to County any proposed amendment to City’s Comprehensive Plan, Future Land Use Map, Official Zoning Map, zoning regulations, or Airport Zoning Regulations, that may directly or indirectly affect property within the Airport Hazard Area as defined in Section 333.01(4), Florida Statutes (collectively, “Plan, Map, or Regulations”), no later than thirty (30) calendar days prior to the date set for any public hearing to consider the proposed amendment to the Plan, Map, or Regulations. City shall consider any comments received by County before making its final decision regarding the amendment to the Plan, Map, or Regulations.

B. Development Review. City and County acknowledge their respective obligations to administer and enforce the Airport Zoning Regulations. City shall initially screen the development or object of natural growth project applications (“Application”) that are within its jurisdiction and in the Airport Hazard Areas (as defined in Section 5-201 of the Code), and if any Application has the potential to create an Airport Hazard or Incompatible Use of Land, as described in Chapter 333, Florida Statutes, City shall notify County of the Application. City shall notify each applicant that the applicant must also comply with County’s Obstruction Approval requirements, as set forth in Section 5-182.10(c) of the Code, for the Application. The applicant must send any modification to the Application

that has the potential to create an Airport Hazard or Incompatible Use of Land, as described in Chapter 333, Florida Statutes, to County for additional review. The Airport Hazard Area is outlined in the Airspace Imaginary Surfaces Composite Map, as referenced in Section 5-182.10(d) of the Code.

2.3 Obstruction Approval. The Parties agree that no development permit shall be issued for the development, construction, establishment, enlargement, substantial alteration, or repair of a structure or an object of natural growth that may be considered a hazard or obstruction to air navigation, as determined by County, unless an Obstruction Approval determination is granted by County pursuant to Section 5-182.10(c) of the Code.

ARTICLE 3. GOVERNMENTAL IMMUNITY

Nothing herein is intended to serve as a waiver of sovereign immunity by the Parties nor shall anything included herein be construed as consent to be sued by third parties in any matter arising out of this Agreement. City and County are state agencies or political subdivisions as defined in Chapter 768.28, Florida Statutes, and agree to be fully responsible for the acts and omissions of their agents or employees to the extent required by law.
