ARTICLE 9 MISCELLANEOUS

9.1 RIGHTS IN DOCUMENTS AND WORK

Any and all reports, photographs, surveys, and other data and documents provided or created in connection with this Agreement are and shall remain the property of CITY; and, if a copyright is claimed, CRA grants to CITY a non-exclusive license to use the copyrighted item(s) indefinitely, to prepare derivative works, and to make and distribute copies to the public. In the event of termination of this Agreement, any reports, photographs, surveys, and other data and documents prepared by CRA, whether finished or unfinished, shall become the property of CITY and shall be delivered by CRA to City Contract Administrator within seven (7) days of termination of this Agreement by either party. Any compensation due to CRA shall be withheld until all documents are received as provided herein.

9.2 EEO COMPLIANCE

CRA shall not unlawfully discriminate on the basis of race, color, national origin, sex, religion, age, marital status, political affiliation, familial status, disability, sexual orientation, pregnancy, or gender identity and expression in the performance of this Agreement, the solicitation for or purchase of goods or

services relating to this Agreement, or in subcontracting work in the performance of this Agreement and shall not otherwise unlawfully discriminate in violation of the Broward County Code, Chapter 16½, as may be amended from time to time. CRA shall include the foregoing or similar language in its contracts with any subcontractors or subconsultants, except that any project assisted by the U.S. Department of Transportation funds shall comply with the non-discrimination requirements in 49 C.F.R. Parts 21 and 26, as amended. Failure to comply with the foregoing requirements is a material breach of this Agreement, which may result in the termination of this Agreement or such other remedy as CITY deems appropriate.

CRA shall not unlawfully discriminate against any person in its operations and activities or in its use or expenditure of funds in fulfilling its obligations under this Agreement. CRA and subcontractor shall affirmatively comply with all applicable provisions of the Americans with Disabilities Act (ADA) in the course of providing any services funded by CITY, including Titles I and II of the ADA (regarding nondiscrimination on the basis of disability), and all applicable regulations, guidelines, and standards. In addition, CRA shall take affirmative steps to ensure nondiscrimination in employment against disabled persons.

By execution of this Agreement, CRA represents that it has not been placed on the discriminatory vendor list (as provided in Section 287.134, Florida Statutes, as may be amended from time to time). CITY hereby materially relies on such representation in entering into this Agreement. An untrue representation of the foregoing shall entitle CITY to terminate this Agreement and recover from CRA all monies paid by CITY pursuant to this Agreement, and may result in debarment from CITY's competitive procurement activities.

Consistent with the provisions of the Title VI, FTA Circular 4702.1A, CRA, as a grant recipient of FTA assisted funds, CRA shall ensure that transit services and related benefits shall be distributed in an equitable manner with no discrimination on the grounds of race, color, or national origin. Accordingly, CRA shall provide information to the public regarding its Title VI complaint procedures and apprise members of the public of protections against discrimination afforded to them by Title VI, including, but not limited to posting notices on its vehicle(s), website, and bus schedules.

9.3 PUBLIC ENTITY CRIME ACT

CRA represents that the execution of this Agreement will not violate the Public Entity Crime Act, Section 287.133, Florida Statutes, as may be amended from time to time, which essentially provides that a person or affiliate who is a contractor, consultant, or other provider and who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to CITY, may not

submit a bid on a contract with CITY for the construction or repair of a public building or public work, may not submit bids on leases of real property to CITY, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with CITY, and may not transact any business with CITY in excess of the threshold amount provided in Section 287.017, Florida Statutes, as may be amended from time to time, for category two purchases for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. Violation of this section shall result in termination of this Agreement and recovery of all monies paid by CITY pursuant to this Agreement, and may result in debarment from CITY's competitive procurement activities.

In addition to the foregoing, CRA further represents that there has been no determination, based on an audit, that it committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether CRA has been placed on the convicted vendor list.

9.4 THIRD PARTY BENEFICIARIES

Neither CRA nor CITY intends to directly or substantially benefit a third party by this Agreement. Therefore, the parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a right or claim against either of them based upon this Agreement.

9.5 NOTICES

Notices required by this Agreement shall be in writing and delivered via mail (postage prepaid), commercial courier, or personal delivery or sent by facsimile or other electronic means. Any notice delivered or sent as aforesaid shall be effective on the date of delivery. 9.6 ASSIGNMENT AND PERFORMANCE

Neither this Agreement nor any right or interest herein shall be assigned, transferred, or encumbered without the written consent of the other party. In addition, CRA shall not subcontract any portion of the work required by this Agreement, except as authorized herein. CITY may terminate this Agreement, effective immediately, if there is any assignment, or attempted assignment, transfer, or encumbrance, by CRA of this Agreement or any right or interest herein without CITY's written consent.

CRA represents that each person who will render services pursuant to this Agreement is duly qualified to perform such services by all appropriate governmental authorities, where required, and that each such person is reasonably experienced and skilled in the area(s) for which he/she will render his/her services.

CRA shall perform its duties, obligations, and services under this Agreement in a skillful and respectable manner. The quality of CRA's performance and all interim and final product(s) provided to or on behalf of CITY shall be comparable to the best local and national standards.

9.7 CONFLICTS

Neither CRA nor its employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with CRA's loyal and conscientious exercise of judgment and care related to its performance under this Agreement.

CRA further agrees that none of its officers or employees shall, during the term of this Agreement, serve as an expert witness against CITY in any legal or

administrative proceeding in which he, she, or CRA is not a party, unless compelled by court process. Further, CRA agrees that such persons shall not give sworn testimony or issue a report or writing, as an expression of his or her expert opinion, which is adverse or prejudicial to the interests of CITY in connection with any such pending or threatened legal or administrative proceeding unless compelled by court process. The limitations of this section shall not preclude CRA or any persons in any way from representing themselves, including giving expert testimony in support thereof, in any action or in any administrative or legal proceeding.

In the event CRA is permitted pursuant to this Agreement to utilize subcontractors to perform any services required by this Agreement, CRA agrees to require such subcontractors, by written contract, to comply with the provisions of this section to the same extent as CRA.

9.8 MATERIALITY AND WAIVER OF BREACH

CITY and CRA agree that each requirement, duty, and obligation set forth herein was bargained for at arms'-length and is agreed to by the parties in exchange for quid pro quo, that each is substantial and important to the formation of this Agreement and that each is, therefore, a material term hereof.

CITY's failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

9.9 COMPLIANCE WITH LAWS

The CRA agrees to comply with all other applicable federal, state and local laws, regulations, codes, ordinances, rules and policies governing the funds provided under this Agreement. The participant also agrees to comply with all such applicable grant requirements including but not limited to performance and financial reporting.

9.10 SEVERANCE

In the event a portion of this Agreement is found by a court of competent jurisdiction to be invalid, the remaining provisions shall continue to be effective unless CITY or CRA elects to terminate this Agreement. An election to terminate this Agreement based upon this provision shall be made within seven (7) days after the finding by the court becomes final.

9.11 JOINT PREPARATION

Each party and its counsel have participated fully in the review and revision of this Agreement and acknowledge that the preparation of this Agreement has been their joint effort. The language agreed to expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the parties than the other. The language in this Agreement shall be interpreted as to its fair meaning and not strictly for or against any party.

9.12 PRIORITY OF PROVISIONS

If there is a conflict or inconsistency between any term, statement, requirement, or provision of any exhibit attached hereto, any document or events referred to herein, or any document incorporated into this Agreement by reference and a term, statement, requirement, or provision of Articles 1 through 13 of this Agreement, the term, statement, requirement, or provision contained in Articles 1 through 13 shall prevail and be given effect.

9.13 JURISDICTION, VENUE, WAIVER OF JURY TRIAL

This Agreement shall be interpreted and construed in accordance with and governed by the laws of the state of Florida. All parties agree and accept that jurisdiction of any controversies or legal problems arising out of this Agreement, and any action involving the enforcement or interpretation of any rights hereunder, shall be exclusively in the state courts of the Seventeenth Judicial Circuit in Broward County, Florida, and venue for litigation arising out of this Agreement shall be exclusively in such state courts, forsaking any other jurisdiction which either party may claim by virtue of its residency or other jurisdictional device. BY ENTERING INTO THIS AGREEMENT, CRA AND CITY HEREBY EXPRESSLY WAIVE ANY RIGHTS EITHER PARTY MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO THIS AGREEMENT.

9.14 HIPAA COMPLIANCE

It is expressly understood by the parties that CITY personnel and/or its agents have access to protected health information (hereinafter known as "PHI") that is subject to the requirements of 45 CFR 164.502 and related regulations. In the event CRA is considered by CITY to be a covered entity or business associate and/or is required to comply with the Health Insurance Portability and Accountability Act of 1996 (hereinafter known as "HIPAA"), CRA shall fully protect individually identifiable health information as required by HIPAA and, if requested by CITY, shall execute a Business Associate Agreement in the form attached hereto as Exhibit "H" for the purpose of complying with HIPAA. Where required, CRA shall handle and secure such PHI in compliance with HIPAA and its related regulations and, if required by HIPAA or other laws, include in its

"Notice of Privacy Practices" notice of CRA's and CITY's uses of client's PHI. The requirement to comply with this provision and HIPAA shall survive the expiration or earlier termination of this Agreement. CITY hereby authorizes the City Administrator to sign Business Associate Agreements on its behalf.

9.16 MULTIPLE ORIGINALS

Multiple copies of this Agreement may be executed by all parties, each of which, bearing original signatures, shall have the force and effect of an original document.

10.1.1 City of Hollywood Recognition

The CRA shall insure recognition of the role of the CITY in providing services through this Agreement. All activities, facilities and items utilized pursuant to this Agreement shall be prominently labeled as to funding source. In addition, the CRA will include a reference to the support provided herein in all publications made possible with funds made available under this Agreement.

10.1.2 Amendments and Addendums

The CITY or CRA may amend or incorporate addendums to this Agreement at any time, provided that such amendments or addendums make specific reference to this Agreement, and are executed in writing, signed by a duly authorized representative of each organization. Such amendments or addendums shall not invalidate this Agreement, nor relieve or release the CITY or CRA from its obligations under this Agreement.

10.1.3

Default

The following events shall constitute an "Event of Default" pursuant to this Agreement:

1. The CRA fails to perform any covenant or term or condition of this Agreement; or any representation or warranty of the CRA herein or in any other grant documents executed concurrently herewith or made subsequent hereto, shall be found to be inaccurate, untrue or breached.
2. If the CRA shall have made misrepresentation of a material nature in its application of any grant agreement or any supplement thereto or amendment thereof, or in or with respect to any document or data furnished therewith or pursuant hereto.
3. Failure to notify the CITY there is pending litigation with respect to the performance by the CRA of any of its duties or obligations.
4. If the CRA or any endorser of the Agreement files a voluntary petition in bankruptcy or shall be adjudicated as bankrupt or insolvent, or shall file any petition or answer seeking reorganization, arrangement, composition, readjustment, liquidation, wage earner's plan, assignment for the benefit of creditors, receivership, dissolution or similar relief under any present or future Federal Bankruptcy Act or any other present or future applicable federal, state or other local law, or shall seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of CRA for all or any part of the properties of CRA; or if within ten days after commencement of any proceeding against the CRA, seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution, debtor relief or similar relief under any present or future Federal Bankruptcy Act or any other present or future federal, state or other local law, such proceeding shall not have been dismissed or stayed on appeal; or if, within ten days after the appointment, without the consent or acquiescence of the CRA or of any endorser of the Agreement, of any trustee, receiver, or liquidator of the CRA or any endorser of the Note, or of all or any portion of the Property, such appointment shall not have been vacated or stayed on appeal or otherwise; or if within ten (10) days

All books, records, and accounts of CRA and its subcontractors shall be kept in written form, or in a form capable of conversion into written form within a reasonable time, and upon request to do so, CRA or its subcontractor, as applicable, shall make same available at no cost to CITY in written form.

CRA and its subcontractors shall preserve and make available, at reasonable times for examination and audit by CITY, all financial records, supporting documents, statistical records, and any other documents pertinent to this Agreement for the required retention period of the Florida Public Records Act, Chapter 119, Florida Statutes, as may be amended from time to time, if applicable, or, if the Florida Public Records Act is not applicable, for a minimum period of three (3) years after termination of this Agreement. If any audit has been initiated and audit findings have not been resolved at the end of the retention period or three (3) years, whichever is longer, the books, records, and accounts shall be retained until resolution of the audit findings. If the Florida Public Records Act is determined by CITY to be applicable to CRA's and its subcontractors' records, CRA and its subcontractors shall comply with all requirements thereof; however, no confidentiality or non-disclosure requirement of either federal or state law shall be violated by CRA or its subcontractors. Any incomplete or incorrect entry in such books, records, and accounts shall be a basis for CITY's disallowance and recovery of any payment pertaining to such entry.

CRA shall, by written contract, require its subcontractors to agree to the requirements and obligations of this Section 11.3.

11.3.1 Disclosure

The CRA understands that ridership information collected under this Agreement is private and the use or disclosure of such information, when not directly connected with the administration of the CITY's or CRA's responsibilities with respect to services provided under this

Agreement, may be prohibited by state or federal law unless written consent is obtained from such person receiving service and, in the case of a minor, that of a responsible parent/guardian. CRA is responsible for identifying and following any state or federal law that may be applicable to disclosure.

11.3.2 Close-outs

Activities during this closeout period shall include, but are not limited to: making final payments, disposing of program assets subject to a court appointed receiver (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the CITY), and determining the custodianship of records. The CRA shall at all times remain an "independent contractor" with respect to the services to be performed under this Agreement. The CITY shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance, as the CRA is an independent contractor.

Re: Self-Insurance

Dear Ms. Oderinde:

As requested, the City's letter of self-insurance for your records.

The City of Hollywood is a municipality of the State of Florida and is self-insured for liability and workers compensation as permitted under Section 768.28 of the Florida Statutes regarding Sovereign Immunity. Further, in this regard, the City has established a formal funded self-insurance program created by Ordinance.

The City has a self-insured retention of \$400,000 per occurrence for liability and \$600,000 for workers compensation. The City has purchased excess coverage that covers up to \$1,000,000 per occurrence with an aggregate of \$5,000,000 over the City's self-insured retention.

Please contact me at (954) 921-3292 if you should have any questions.

Sincerely,

Horace McLarty

City of Hollywood Title VI Program

Under Title VI of the Civil Rights Act of 1964, as amended, and as subrecipients of federal financial assistance, CITY, without regard to race, color, or national origin, operate and plan for transit services so that: transit benefits and services are available and distributed equitably; transit services are adequate enough to provide access and mobility for all; opportunities to participate in transit planning and decision-making process are provided to everyone; decisions on the locations of transit facilities and services are carried out equitably; and that remedial and corrective actions are undertaken to prevent discriminatory treatment of any beneficiary.

This Title VI Program for the CITY, a subrecipient of the COUNTY, was prepared in accordance with the requirements specified in the Federal Transit Administration (FTA), Circular 4702.1B, "Title VI Requirements and Guidelines for Federal Transit Administration Recipients," dated October 2, 2012.

Title VI Notice and Complaint Procedures

All subrecipients use the COUNTY'S adopted Title VI Notice and Complaint Procedures. Accordingly, the Title VI public statement is placed inside of each passenger vehicle, on printed timetables, online, and at major transfer locations. The text of the statement is as followed:

NOTICE OF PROTECTIONS UNDER TITLE VI OF THE CIVIL RIGHTS ACT

Any person(s) or group(s) who believes that they have been subjected to discrimination because of race, color, or national origin, under any transit program or activity provided by Broward County Transit (BCT), may call (954)357-8481 to file a Title VI discrimination complaint or write to the Broward County Transportation Department, Compliance Manager, 1 N. University Drive Suite 3100A Plantation, Florida 33324.

Title VI Investigations, Complaints and Lawsuits

The CITY has no past, current, or pending Title VI investigations, complaints, or lawsuits. All Title VI complaints are directed and investigated in accordance with COUNTY procedures.

Public Participation and Language Assistance Plans

The CITY shall in the absence of their own plans use the COUNTY'S Public Participation and Language Assistance Plans in formulating public outreach strategies to engage minority, low-income, and Limited English Proficient (LEP) populations.

Planning or Advisory Boards

The CITY does not currently have a transit specific non-elected planning or advisory board as described in FTA Circular 4702.1B Chapter III Sec 10. If such entities are created, the CITY will provide the COUNTY with the racial breakdown of the board and a description of how minority participation is encouraged, as required by FTA.

Monitoring Subrecipients

The CITY is monitored by our primary recipient, the COUNTY. The monitoring process outlined by the COUNTY includes the collection of Title VI Programs, reviews of service change proposals, and attendance at quarterly Community Bus meetings.

Facility Equity Analysis

The CITY does not have plans to build any maintenance or operations facilities that require Title VI analysis under FTA Circular 4702.1B Chapter III Sec. 13. If plans are created the CITY will collaborate with the COUNTY to ensure that the appropriate analysis is conducted in compliance with FTA specifications.

Service Standards

The CITY in agreement with the COUNTY will use the following service standards for community bus service. The CITY will collaborate with COUNTY to monitor service standards as necessary per FTA Circular 4702.1B.

Type	Standard Description
Vehicle Load	1.25 capacity ratio for all vehicles.
Vehicle Headway	75 minute average headway all day.
On-Time Performance	80% On-Time Performance is expected of community bus routes. On-time is

	defined based on departures of 1 minute early to 5 minutes late.
Service Availability	Community bus routes operate to complement COUNTY local, breeze, express, and paratransit services. To the greatest extent possible community bus will fill gaps in COUNTY service coverage and offer local circulation to neighborhood destinations.
Transit Amenities	The CITY collaborates with the COUNTY in the siting of transit amenities in accordance with a criteria based on ridership, community need, and available right-of-way. For passenger convenience, Community Bus stops are generally placed in close proximity of shopping plazas, grocery stores, hospitals, parks, and offices.
Vehicle Assignment	Vehicles in service for 5 years or 150,000 miles are prioritized for replacement. Routes regularly exceeding the capacity threshold that cannot be addressed through additional service will be leased larger vehicles. The COUNTY is generally responsible for the procurement and replacement of transit vehicles.

Community Bus Service Demographics

As a component of BCT's *Broward Connected* 10 Year Transit Development Plan (TDP), on-board surveys were conducted in March 2013 from randomly selected community bus trips. The charts below characterize the demographics of the entire community bus system. The CITY supports the COUNTY'S initiative to conduct on-board surveys every 5-years during the TDP process and understands that additional surveys are encouraged prior to a major service or fare change.
