Hollywood has an average annual high temperature of 83 degrees and low temperature of 68 degrees.

Hollywood is home to more than 60 parks, seven golf courses, seven miles of pristine beaches, and the one-of-a-kind Hollywood Beach Boardwalk, a promenade that stretches nearly 2.5 miles along the Atlantic Ocean. Named one of America's Best Beach Boardwalks by Travel + Leisure magazine, this brick-paved thoroughfare hosts pedestrians, joggers, bicyclists, rollerbladers, and millions of others every year. Dozens of eateries and inns line the Boardwalk and the promenade also features the Hollywood Beach Theatre, a children's water playground at Charnow Park, and many other attractions. Hollywood Beach also offers dozens of luxury resort hotels and condominiums such as the Margaritaville Hollywood Beach Resort, Hyde Resort & Residences and Hollywood Beach Marriott. In addition to many independently owned and operated boutique inns and vacation properties.

Hollywood has steadily grown into a dynamic business hub with more than 10,000 companies in the City. Approximately 80 percent of Port Everglades, the world's second-busiest cruise port, is located in Hollywood and the port is home to Royal Caribbean's Allure of the Seas and Oasis of the Seas, the largest cruise liners in the world. Hollywood also provides easy access to Fort Lauderdale/Hollywood International Airport and Miami International Airport, a major gateway to Latin America. Hollywood also is home to the Memorial Healthcare System, the nation's fifth-largest healthcare network, its flagship hospital, Memorial Regional, and the Joe DiMaggio Children's Hospital, the largest free-standing children's healthcare facility in Broward County.

Such addenda shall form a part of the SOLICITATION and shall be made a part of the contract. It shall be the Vendor's responsibility to ascertain that the bid/proposal includes all addenda issued prior to the bid/proposal submission date. Addenda will be posted on the CRA/City's internet site along with the SOLICITATION.

The terms of the SOLICITATION and the selected Vendor's bid/proposal and any additional documentation (e.g. questions and answers) provided by the Vendor during the solicitation process will be integrated into the final contract for services entered into between the CRA/CRA and the selected Vendor. The Vendor shall determine, by personal examination and by such other means as may be preferred, the conditions and requirements under which the agreement must be performed.

7.2. PROPOSER'S RESPONSIBILITIES

Proposers are required to submit their bids/proposals upon the following express conditions:

- A. Proposers shall thoroughly examine the drawings, specifications, schedules, instructions and all other contract documents.
- B. Proposers shall make all investigations necessary to thoroughly inform themselves regarding delivery of material, equipment or services as required by the SOLICITATION conditions. No plea of ignorance, by the proposer, of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the proposer to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the CRA/City or the compensation due the proposer.

- C. Proposers are advised that all CRA/City contracts are subject to all legal requirements provided for in the City of Hollywood Charter, Code of Ordinances and applicable County Ordinances, State Statutes and Federal Statutes.

7.3. PREPARATION OF BIDS/PROPOSALS

Bids/proposals shall be prepared in accordance with the bid/proposal response format. Bids/proposals not complying with this format may be considered non-responsive and may be removed from consideration on this basis. Each proposer, by making a bid/proposal, represents that this document has been read and is fully understood.

However, this exemption does not apply to suppliers to the CRA/City in their (supplier) purchases of goods or services, used in work or goods supplied to the CRA/City. Proposers are responsible for any taxes, sales or otherwise, levied on their purchases, subcontracts, employment, etc. An exemption certificate will be signed where applicable, upon request. The CRA/City will pay no sales tax.

7.4. DESCRIPTION OF SUPPLIES

Any manufacturer's names, trade names, brand names, or catalog numbers used in these applications are for the purpose of describing and establishing minimum requirements or level of quality, standards of performance, and design required, and are in no way intended to prohibit the bidding of other manufacturers' items of equal material, unless specifications state "NO SUBSTITUTIONS."

Proposers must indicate any variances to the specifications, terms, and conditions, no matter how slight. If variations are not stated in the bid/proposal, it shall be construed that the bid/proposal fully complies with the Specifications, Terms and Conditions.

Proposers are required to state exactly what they intend to furnish; otherwise they shall be required to furnish the items as specified.

Proposers will submit, with their bid/proposal, necessary data (factory information sheets, specifications, brochures, etc.) to evaluate and determine the quality of the item(s) they are proposing.

The CRA/City shall be the sole judge of equality and its decision shall be final.

7.5. ADDENDA

The Procurement Services Division may issue an addendum in response to any inquiry received, prior to bid/proposal opening, which changes, adds to or clarifies the terms, provisions or requirements of the solicitation. The Proposer should not rely on any representation, statement or explanation, whether written or verbal, other than those made in this solicitation document or in any addenda issued. Where there appears to be a conflict between this solicitation and any addendum, the last addendum issued shall prevail. It is the proposer's responsibility to ensure receipt of all addenda and any accompanying documents. Proposer(s) shall acknowledge receipt of any formal Addenda electronically via the Portal as part of their bid/proposal. Failure to acknowledge receipt of formal addenda in its bid/proposal shall cause the City/CRA to deem the bid/proposal non-responsive provided, however, that the CRA/City may waive this requirement in its best interest.

7.6. REJECTION OF BIDS/PROPOSALS

To the extent permitted by applicable state and federal laws and regulations, the CRA/City reserves the right to reject any and all bids/proposals, to waive any and all informalities, irregularities and technicalities not involving price, time or changes in the commodities and/or services, and the right to disregard all nonconforming, non-responsive, unbalanced or conditional bids/proposals. Bids/proposals will be considered irregular and may be rejected if they show serious omissions, alterations in form, additions not called for, conditions or unauthorized alterations or irregularities of any kind.

The City/CRA also reserves the right to waive minor technical defects in a bid/proposal. The CRA/City reserves the right to determine, in its sole discretion, whether any aspect of a bid/proposal satisfies the criteria established in this Solicitation.

The CRA/City reserves the right to reject, in whole or in part, the bid/proposal of any Proposer if the CRA/City believes that it would not be in the best interest of the City/CRA to make an award to that Proposer, whether because the bid/proposal is not responsive or the Proposer is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criterion established by CRA/City.

The foregoing reasons for rejection of bids/proposals are not intended to be exhaustive.

The CRA/City may reject a bid/proposal if:

- A. The Proposer fails to acknowledge receipt of an addendum, or if
- B. The Proposer misstates or conceals any material fact in the bid/proposal, or if
- C. The bid/proposal does not strictly conform to the law or requirements of the SOLICITATION, or if
- D. The CRA/City is under a pre- lawsuit claim or current litigation with the proposer.

G. The bid/proposal does not strictly conform to the law or requirements of the SOLICITATION, or if

H. The CRA/City is under a pre- lawsuit claim or current litigation with the proposer.

The CRA/City may reject all bids/proposals whenever it is deemed in the best interest of the CRA/City to do so, and may reject any part of a bid/proposal unless the bid/proposal has been qualified as provided in herein.

7.7. WITHDRAWAL OF BIDS/PROPOSALS

- A. may not be withdrawn and shall be deemed enforceable for a period of 180 days after the time set for the SOLICITATION opening.
- B. Bids/proposals may be withdrawn prior to the time set for the SOLICITATION opening. Such request must be in writing.
- C. The CRA/City will permanently retain as liquidated damages the bid deposit furnished by any proposer who requests to withdraw a bid/proposal after the SOLICITATION opening.

7.8. BIDS/PROPOSALS TO REMAIN OPEN

All bids/proposals shall remain open for 180 calendar days after the day of the bid/proposal opening, but the CRA/City may, at its sole discretion, release any bid/proposal and return the bid/proposal Security prior to that date.

Extensions of time when bids/proposals shall remain open beyond the 180 day period may be made only by mutual written agreement between the CRA/City, the successful Proposer and the surety, if any, for the successful Proposer.

7.9. LATE BIDS/PROPOSALS OR MODIFICATIONS

Only bids/proposals received as of the opening date and time will be considered timely. Bids/proposals and modifications received after the time set for the opening will be returned unopened to the sender and rejected as late.

7.10. CONFLICTS WITHIN THE SOLICITATION

Where there appears to be a conflict between the General Terms and Conditions, Special Conditions, the Technical Specifications, the SOLICITATION Submittal Section, or any addendum issued, the order of precedence shall be the last addendum issued, the SOLICITATION Submittal Section, the Technical Specifications, the Special Conditions, and then the General Terms and Conditions.

7.11. CLARIFICATION OR OBJECTION TO BID/PROPOSAL SPECIFICATIONS

If any person contemplating submitting a bid/proposal for this contract is in doubt as to the true meaning of the specifications or other SOLICITATION documents or any part thereof, they may submit requests for clarification to the Procurement Services Division on or before the date specified for a request for clarification. All such requests for clarification shall be made in writing electronically via the Portal and the person submitting the request will be responsible for its prompt

delivery. Any interpretation of the SOLICITATION, if made, will be made only by Addendum duly issued. A copy of such Addendum will be made available to each person receiving a Solicitation. The City will not be responsible for any other explanation or interpretation of the SOLICITATION given prior to the award of the contract. Any objection to the specifications and requirements as set forth in this SOLICITATION must be filed in writing via the Portal's Question and Answer (Q&A) tab with the Chief Procurement Officer on or before the date specified for a request for clarification.

7.12. COMPETENCY OF PROPOSERS

Pre-award inspection of the Proposer's facility may be made prior to the award of a contract. Bids/proposals will be considered only from firms which are regularly engaged in the business of providing the goods and/or services as described in this SOLICITATION(s); have a record of performance for a reasonable period of time; and have sufficient financial support, equipment and organization to ensure that they can satisfactorily deliver the material and/or services if awarded a Contract under the terms and conditions herein stated. The terms "equipment and organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practices in the industry and as determined by the proper authorities of the CRA/City.

The CRA/City may consider any evidence available to it of the financial, technical and other qualifications and abilities of a proposer, including past performance (experience) in making the award in the best interest of the CRA/City. In all cases the City of Hollywood/Hollywood Community Redevelopment Agency shall have no liability to any proposer for any costs or expense incurred in connection with this SOLICITATION or otherwise.

7.13. QUALIFICATIONS OF PROPOSERS

No Bid/proposal will be accepted from, nor will any contract be awarded to any person who is in arrears to the CRA/City upon any debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to CRA/City, or who is deemed responsible or unreliable by the CRA/City.

As part of the bid/proposal evaluation process, CRA/City may conduct a background investigation including a record check by the Hollywood Police Department. Proposer's submission of a bid/proposal constitutes acknowledgment of the process and consent to such investigation. CRA/City shall be the sole judge in determining a Proposer's qualifications.

7.14. CONSIDERATION OF BIDS/PROPOSALS

In cases where an item requested is identified by a manufacturer's name, trade name, catalog number, or reference, it is understood that the Vendor proposes to furnish the item so identified and does not propose to furnish an "equal" unless the proposed "equal" is pre-approved by the CRA/City.

References to any of the above are intended to be descriptive but not restrictive and only indicate articles that will be satisfactory. A bid/proposal of an "equal" will be considered, provided that the Vendor states in his bid/proposal exactly what he proposes to furnish, including sample, illustration, or other descriptive matter which will clearly indicate the character of the article covered by such bid/proposal. The designated CRA/City representative hereby reserves the right to approve as an "equal", or to reject as not being an "equal", any article proposed which contains major or minor variations from specifications requirements.

7.15. AWARD OF CONTRACT

If the Contract is to be awarded, it will be awarded, after evaluation by the CRA/City, to the responsible and responsive Proposer whom the City/CRA determines will be in the best interests of the CRA/City and not necessarily to the lowest cost Proposer. Proposers may be invited to an oral interview before the committee. A short list of finalists will be determined and presented to either the CRA Executive Director/City Manager or his/her designee or to the CRA Board/City Commission, in accordance with the applicable City of Hollywood Code of Ordinances, and will make the final ranking for the purposes of negotiating a contract with the top ranked firm. The successful Proposer shall be required to sign a negotiated contract; the refusal or failure of a successful Proposer to execute a contract which contains the mandatory material terms and conditions contained in the SOLICITATION, shall be grounds for deeming the Proposer and/or the Proposer's bid/proposal non-responsive.

If applicable, the Proposer to whom award is made shall execute a written contract prior to award by the CRA Board/City Commission. If the Proposer to whom the first award is made fails to enter into a contract as herein provided, the Contract may be let to the next highest ranked Proposer who is responsible and responsive in the opinion of the CRA/City.

7.16. BASIS FOR AWARD, EVALUATION CRITERIA AND QUESTIONS

The qualification of bid/proposal responders on this project will be considered in making the award. The CRA/City is not obligated to accept any bid/proposal if deemed not in the best interest of the CRA/City to do so. The CRA/City shall make award to a qualified proposer based on fees submitted and responses to this SOLICITATION.

Failure to include in the bid/proposal all information outlined herein may be cause for rejection of the bid/proposal.

The CRA/City reserves the right to accept or reject any and all bids/proposals, in whole or in part, as determined to be in the best interest of the CRA/City in its sole discretion.

The CRA/City reserves the right to waive any informalities or irregularities in bids/proposals.

The CRA/City reserves the right to negotiate separately the terms and conditions or all or any part of the bids/proposals as deemed to be in the CRA/City's best interest in its sole discretion.

Information and/or factors gathered during interviews, negotiations and any reference checks, and any other information or factors deemed relevant by the CRA/City, shall be utilized in the final award. The final award of a contract is subject to approval by the CRA Board.

7.17. AGREEMENT

An agreement shall be sent to the awarded proposer to be signed, witnessed, and returned to the CRA/City for execution. The CRA/City will provide a copy of the fully executed agreement to the awarded proposer.

7.18. NOTICE TO PROCEED

A signed purchase order, blanket purchase order or fully executed agreement will be the Proposer's authorization to proceed and may substitute for a "Notice to Proceed" form.

7.19. BID PROTESTS

The CRA/City shall provide notice of its intent to award or reject to all proposers by posting such notice on the CRA/City's website.

After a notice of intent to award a contract is posted, any actual or prospective proposer who is aggrieved in connection with the pending award of the contract or any element of the process leading to the award of the contract may protest to the Director of Procurement Services. A protest must be filed within five business days after posting or any right to protest is forfeited. The protest must be in writing, must identify the name and address of the protester, and must include a factual summary of, and the basis for, the protest. Filing shall be considered complete when the protest, including a deposit, is received by the Procurement Services Division. Failure to file a protest within the time-frame specified herein shall constitute a full waiver of all rights to protest the CRA/City's decision regarding the award.

The written protest shall state in detail the specific facts and law or ordinance upon which the protest of the proposed award is based, and shall include all pertinent documents.

A written protest may not challenge the relative weight of evaluation criteria or a formula for assigning points.

Upon receipt of a formal written protest, the CRA/City shall stop award proceedings until resolution of the protest; unless it has been determined that the award of the contract without delay is necessary to protect substantial interests of the CRA/City.

Any and all costs incurred by a protesting party in connection with a bid protest shall be the sole responsibility of the protesting party.

Upon receipt of a protest of the pending award of a contract, a copy of the protest shall promptly be forwarded to the City Attorney. The City Attorney shall thereupon review the charge to determine its sufficiency, including whether the protest was timely filed. If upon review the City Attorney determines that the charge is insufficient, the City Attorney may issue a summary dismissal of the protest. If upon review the City Attorney determines that the charge is sufficient, a hearing of the protest committee shall be scheduled.

A protest committee shall have the authority to review, settle and resolve the protest. The committee shall consist of three members appointed by the CRA Executive Director. The committee's review shall be informal.

If the protest committee determines that the pending award of a contract or any element of the process leading to the award involved a significant violation of law or applicable rule or regulation, all steps necessary and proper to correct the violation shall be taken. If the committee determines that the protest is without merit,

The CRA Executive Director shall promptly issue a decision in writing stating the reason for the decision and furnish a copy to the protester and any other interested party, and the process leading to the award shall proceed.

7.21. EXAMINATION OF BID/PROPOSAL DOCUMENTS

Before submitting a bid/proposal, each Proposer must: examine the bid/proposal Documents thoroughly; consider federal, state and local laws, ordinances, rules and regulations that may in any manner affect cost, progress, performance, or provision of the commodities and/or services; study and carefully correlate Proposer's observations with the bid/proposal Documents, and notify the City's agent of all conflicts, errors and discrepancies in the bid/proposal Documents.

The submission of a bid/proposal will constitute an incontrovertible representation by the Proposer, that the Proposer has complied with every requirement of this SOLICITATION, that without exception, the bid/proposal is premised upon performing the services and/or furnishing the commodities and materials in accordance with such means, methods, techniques, sequences or procedures as may be indicated in or required by the bid/proposal Documents, and that the bid/proposal Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of performance and furnishing of the goods and/or services.

7.22. PUBLIC RECORDS LAW

If applicable, for each public agency contract for services, the Proposer is required to comply with F.S. 119.0701, which includes the following:

- A. Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the service.
- B. Provide the public with access to public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed the cost provided in F.S. Chapter 119 or as otherwise provided by law.

- D. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the public agency.

Public records may be inspected and examined by anyone desiring to do so, at a reasonable time, under reasonable conditions, and under supervision by the custodian of the public record. Sealed Bids/proposals become subject to the public records disclosure requirements of FS. Chapter 119, notwithstanding a proposers' request to the contrary, at the time the CRA/City provides notice of a decision or intended decision, or 30 days after the bid/proposal opening, whichever is earlier.

Financial statements submitted in response to a request by the CRA/City may be confidential and exempt from disclosure.

Data processing software obtained under a licensing agreement which prohibits its disclosure may also exempt.

Proposers are hereby notified and agree that all information submitted as part of, or in support of SOLICITATION submittals will be available for public inspection after opening of SOLICITATION in compliance with Chapter 119 of the Florida Statutes. The proposer shall not, unless required as part of this SOLICITATION, submit any information in response to this invitation which the proposer considers to be a trade secret, proprietary or confidential. The submission, not required as part of this this SOLICITATION, of any information to the CRA/City in connection with this invitation shall be deemed conclusively to be a waiver of any trade secret or other protection, which would otherwise be available to the proposer.

7.23. INFORMATION

For information concerning procedure for responding to this Solicitation (SOLICITATION), contact the Point of Contact in the Section: [INTRODUCTION](#) - Point of Contact. Such contact shall be for clarification purposes only. **It is preferred that all other questions be submitted in writing via the Portal at least 10 calendar days prior to the bid/proposal due/opening date.**

7.24. MODIFICATION AND WITHDRAWAL OF BIDS/PROPOSALS

Bids/proposals must be modified or withdrawn electronically via the Portal at any time prior to the deadline for submitting bids/proposals. Withdrawal of a bid/proposal will not prejudice the rights of a Proposer to submit a new bid/proposal prior to the bid/proposal date and time. Except where provided in the following paragraph no bid/proposal may be withdrawn or modified after expiration of the period for receiving bids/proposals.

If, within twenty-four (24) hours after bids/proposals are opened, any Proposer files a duly signed written notice with the CRA/City and within five (5) calendar days thereafter demonstrates to the reasonable satisfaction of the CRA/City by clear and convincing evidence that there was a

material and substantial mistake in the preparation of its bid/proposal, or that the mistake is clearly evident on the face of the bid/proposal but the intended correct bid/proposal is not similarly evident, then the Proposer may withdraw its bid/proposal and the bid/proposal Security will be returned.

7.25. OPEN END CONTRACT

No guarantee is expressed or implied as to the total quantity of commodities/services to be purchased under any open end contract. Estimated quantities will be used for bid/proposal comparison purposes only. The CRA/City reserves the right to issue purchase orders as and when required, or a blanket purchase order and release partial quantities as and when required or any combination of the preceding.

ORDERING: The CRA/CITY reserves the right to purchase commodities/services specified herein through Contracts established by other governmental agencies or through separate procurement actions due to unique or special needs. If an urgent delivery is required within a period shorter than the delivery time specified in the contract, and if the seller is unable to comply therewith, the CRA/City reserves the right to obtain such delivery from others without penalty or prejudice to the CRA/City or to the Proposer.

7.26. AUDIT RIGHTS

The CRA/City reserves the right to audit the records of the successful Proposer for the commodities and/or services provided under the Contract at any time during the performance and term of the Contract and for a period of three (3) years after completion and acceptance by the CRA/City. If required by the City, the successful Proposer agrees to submit to an audit by an independent certified public accountant selected by the CRA/City. The successful Proposer shall allow the CRA/City to inspect, examine and review the records of the successful Proposer in relation to this contract at any and all times during normal business hours during the term of the Contract.

7.27. LOCAL, STATE AND FEDERAL COMPLIANCE REQUIREMENTS

The Proposer shall comply with all local, state and federal directives, orders and laws as applicable to this SOLICITATION and subsequent contract(s) including, but not limited to:

- A. Equal Employment Opportunity (EEO), in compliance with Executive Order 11246 as amended and applicable to this contract.
- B. All manufactured items and fabricated assemblies shall comply with applicable requirements of the Occupation Safety and Health Act of 1970 as amended, and be in compliance with Chapter 442, Florida Statutes. Any toxic substance listed in Section 38F-41.03 of the Florida Administrative Code delivered as a result of this order must be accompanied by a completed Material Safety Data Sheet (MSDS).
- C. The Immigration and Nationality Act prohibits (i) the employment of an unauthorized alien when the employer knows the individual is an unauthorized alien and (ii) the employment of an individual without complying with the requirements of the federal

employment verification system. If a proposer commits either of these violations, such violation shall be cause for unilateral cancellation of the contract.

- D. This Section applies only to any contract for goods or services of \$1 million or more: The Proposer certifies that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in section 287.135, Florida Statutes (2011), as may be amended or revised. The City may terminate this Contract at the City's option if the Proposer is found to have submitted a false certification as provided under subsection (5) of section 287.135, Florida Statutes (2011), as may be amended or revised, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or has engaged in business operations in Cuba or Syria, as defined in Section 287.135, Florida Statutes (2011), as may be amended or revised.

7.28. FRAUD AND MISREPRESENTATION

Any individual, corporation or other entity that attempts to meet its contractual obligations with the CRA/City through fraud, misrepresentation or material misstatement, may be debarred from doing business with the CRA/City. The CRA/City as further sanction may terminate or cancel any other contracts with such individual, corporation or entity. Such individual or entity shall be responsible for all direct or indirect costs associated with termination or cancellation, including attorney's fees.

7.29. DEBARRED OR SUSPENDED BIDDERS OR PROPOSERS

The proposer certifies, by submission of a response to this solicitation, that neither it nor its principals and subproposers are presently debarred or suspended by any Federal department or agency.

7.30. COLLUSION

More than one bid/proposal received for the same work from an individual, firm, partnership, corporation or association under the same or different names will not be considered. Reasonable grounds for believing that any Proposer is interested in more than one bid/proposal for the same work will cause the rejection of such bin which the Proposer is interested. If there are reasonable grounds for believing that collusion exists among the Proposers, the bids/proposals of participants in such collusion will not be considered.

7.31. COPELAND "ANTI-KICKBACK"

The Proposer and all subproposers will comply with the Copeland Anti-Kickback Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR Part 3).

7.32. FORCE MAJEURE

The Agreement which is awarded to the successful proposer may provide that the performance of any act by the CRA/City or Proposer hereunder may be delayed or suspended at any time while, but only so long as, either party is hindered in or prevented from performance by acts of God, the elements, war, rebellion, strikes, lockouts or any cause beyond the reasonable control of such party, provided however, the CRA/City shall have the right to provide substitute service from third parties or CRA/City forces and in such event the CRA/City shall withhold payment due the Proposer for such period of time. If the condition of force majeure exceeds a period of 14 days the CRA/City may, at its option and discretion, cancel or renegotiate this Agreement.

7.33. PUBLIC ENTITY CRIMES

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a proposer, supplier, subproposer, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Florida Statutes, Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

7.34. DRUG-FREE WORKPLACE PROGRAM

Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids/proposals which are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid/proposal received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids/proposals will be followed if none of the tied vendors have a drug-free workplace program.

7.35. SOLICITATION, GIVING, AND ACCEPTANCE OF GIFTS POLICY

Proposer shall sign and submit the attached form indicating understanding and compliance with the CRA/City's and State's policies prohibiting solicitation and acceptance of gifts by public officers, employees and candidates. Failure to submit the signed form will result in your bid/proposal being declared non-responsive; provided, however, that a responsible proposer whose bid/proposal would be responsive but for the failure to submit the signed form in its bid/proposal may be given the opportunity to submit the form to the CRA/City within five calendar days after notification by the CRA/City, if this is determined to be in the best interest of the CRA/City.

7.36. CONFLICT OF INTEREST

The Proposer represents that:

No officer, director, employee, agent, or other consultant of the CCRA/City or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of this Agreement.

There are no undisclosed persons or entities interested with the Proposer in this Agreement. This Agreement is entered into by the Proposer without any connection with any other entity or person making a bid/proposal for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other consultant of the CRA/City, or of the State of Florida (including elected and appointed members of the legislative and executive branches of government), or member of the immediate family or household of any of the aforesaid:

- A. Is interested on behalf of or through the Proposer directly or indirectly in any manner whatsoever in the execution or the performance of this Agreement, or in the services, supplies or work, to which this Agreement relates or in any portion of the revenues; or
- B. Is an employee, agent, advisor, or consultant to the Proposer or to the best of the Proposer's knowledge, any subproposer or supplier to the Proposer.

Neither the Proposer nor any officer, director, employee, agent, parent, subsidiary, or affiliate of the Proposer shall have an interest which is in conflict with the Proposer's faithful performance of its obligations under this Agreement; provided that the CRA/City, in its sole discretion, may consent in writing to such a relationship, and provided the Proposer provides the CRA/City with a written notice, in advance, which identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the CRA/City's best interest to consent to such relationship.

The provisions of this Article are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under this Agreement and those provided by statute, the stricter standard shall apply.

In the event the Proposer has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, the Proposer shall promptly bring such information to the attention of the CRA/City's Project Manager. The Proposer shall thereafter cooperate with the CRA/City's review and investigation of such information, and comply with the instructions the Proposer receives from the Project Manager in regard to remedying the situation.

7.37. DISCRIMINATION

Any entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid/proposal on a contract to provide goods or services to a public entity, may not submit a bid/proposal on a contract with a public entity for construction or repair of a public building or public work, may not submit bids/proposals on leases of real property to a public entity, may not award or perform work as a proposer, supplier, subproposer, or consultant under contract with any public entity, and may not transact business with any public entity.

7.38. ADVICE OF OMISSION OR MISSTATEMENT

In the event it is evident to a Vendor responding to this SOLICITATION that the CRA/City has omitted or misstated a material requirement to this SOLICITATION and/or the services required by this SOLICITATION, the responding Vendor shall advise the contact identified in the SOLICITATION Clarifications and Questions section above of such omission or misstatement.

7.39. CONFIDENTIAL INFORMATION

Information contained in the Vendor's bid/proposal that is company confidential must be clearly identified in the bid/proposal itself. The CRA/City will be free to use all information in the Vendor's bid/proposal for the CRA/City's purposes, in accordance with State Law. Vendor bids/proposals shall remain confidential for 30 days or until a notice of intent to award is posted, which is sooner. The Vendor understands that any material supplied to the CRA/City may be subject to public disclosure under the Public Records Law.

7.40. GOVERNING LAW

This Contract, including appendices, and all matters relating to this Contract (whether in contract, statute, tort (such as negligence), or otherwise) shall be governed by, and construed in accordance with, the laws of the State of Florida. This shall apply notwithstanding such factors which include, but are not limited to, the place where the contract is entered into, the place where the accident occurs and not withstanding application of conflicts of law principles.

7.41. LITIGATION VENUE

The parties waive the privilege of venue and agree that all litigation between them in the state courts shall take place in Broward County, Florida and that all litigation between them in the federal courts shall take place in the Southern District of Florida.

7.42. SOVEREIGN IMMUNITY

Nothing in this agreement shall be interpreted or construed to mean that the city waives its common law sovereign immunity or the limits of liability set forth in Section 768.28, Florida Statute.

7.43. SURVIVAL

The parties acknowledge that any of the obligations in this Agreement will survive the term, termination and cancellation hereof. Accordingly, the respective obligations of the Proposer and the CRA/City under this Agreement, which by nature would continue beyond the termination, cancellation or expiration thereof, shall survive termination, cancellation or expiration hereof.

7.44. INDEMNIFICATION AND HOLD HARMLESS AGREEMENT

The Contractor shall indemnify and hold harmless the CRA/City of Hollywood and its officers, employees, agents and instrumentalities from any and all liability, losses or damages. In addition, the CRA/City shall be entitled to attorney's fees and costs of defense, which the CRA/City of Hollywood, or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this project by the awarded proposer or its employees, agents, servants, partners, principals or subcontractors. Furthermore, the awarded proposer shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind of nature in the name of the CRA/City of Hollywood, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. The awarded proposer expressly understands and agrees that any insurance

protection required by the resulting agreement or otherwise provided by the awarded proposer shall cover the CRA/City of Hollywood, its officers, employees, agents and instrumentalities and shall include claims for damages resulting from and/or caused by the negligence, recklessness or intentional wrongful misconduct of the Contractor and persons employed by or utilized by the Contractor in the performance of the contract.

7.45. PATENT AND COPYRIGHT INDEMNIFICATION

The Proposer warrants that all deliverables furnished hereunder, including but not limited to: services, equipment programs, documentation, software, analyses, applications, methods, ways, processes, and the like, do not infringe upon or violate any patent, copyrights, service marks, trade secret, or any other third party proprietary rights.

The Proposer shall be liable and responsible for any and all claims made against the CRA/City for infringement of patents, copyrights, service marks, trade secrets or any other third party proprietary rights, by the use or supplying of any programs, documentation, software, analyses, applications, methods, ways, processes, and the like, in the course of performance or completion of, or in any way connected with, the work, or the CRA/City's continued use of the deliverables furnished hereunder. Accordingly, the Proposer, at its own expense, including the payment of attorney's fees, shall indemnify, and hold harmless the CRA/City and defend any action brought against the CRA/City with respect to any claim, demand, and cause of action, debt, or liability.

In the event any deliverable or anything provided to the CRA/City hereunder, or a portion thereof, is held to constitute an infringement and its use is or may be enjoined, the Proposer shall have the obligation, at the CRA/City's option, to (i) modify, or require that the applicable subproposer or supplier modify, the alleged infringing item(s) at the Proposer's expense, without impairing in any respect the functionality or performance of the item(s), or (ii) procure for the CRA/City, at the Proposer's expense, the rights provided under this Agreement to use the item(s).

The Proposer shall be solely responsible for determining and informing the CRA/City whether a prospective supplier or subproposer is a party to any litigation involving patent or copyright infringement, service mark, trademark, violation, or proprietary rights claims or is subject to any injunction which may prohibit it from providing any deliverable hereunder. The Proposer shall enter into agreements with all suppliers and subproposers at the Proposer's own risk. The CRA/City may reject any deliverable that it believes to be the subject of any such litigation or injunction, or if, in the CRA/City's judgment, use thereof would delay the work or be unlawful.

The Proposer shall not infringe any copyright, trademark, service mark, trade secrets, patent rights, or other intellectual property rights in the performance of the work.

7.46. ADVERTISING

Vendor shall not advertise or publish the fact that the CRA/City has placed this order without prior written consent from the CRA/City, except as may be necessary to comply with a proper request for information from an authorized representative of a governmental unit or agency.

7.47. DISCLAIMER

The CRA/City of Hollywood may, in its sole discretion, accept or reject, in whole or in part, for any reason whatsoever any or all bids/proposals; re-advertise this SOLICITATION, postpone or cancel at any time this SOLICITATION process; or, waive any formalities of or irregularities in the bid/proposal process. Bids/proposals that are not submitted on time and/or do not conform to the CRA/City of Hollywood's requirements will not be considered. After all bids/proposals are analyzed, organization(s) submitting bid/proposal that appear, solely in the opinion of the CRA/City of Hollywood, to be the most competitive, shall be submitted to the Hollywood, Florida CRA Board, and the final selection will be made shortly thereafter with a timetable set solely by the CRA/City of Hollywood. The selection by the CRA/City of Hollywood shall be based on the bid/proposal, which is, in the sole opinion of the CRA Board of the Hollywood, Florida CRA, in the best interest of the CRA/City of Hollywood. The issuance of this SOLICITATION constitutes only an invitation to make a bid/proposal to the CRA/City of Hollywood. The CRA/City of Hollywood reserves the right to determine, in its sole discretion, whether any aspect of the bid/proposal satisfies the criteria established by the CRA/City. In all cases the CRA/City of Hollywood shall have no liability to any proposer for any costs or expense incurred in connection with this bid/proposal or otherwise.

7.48. TRADEMARKS

The CRA/City warrants that all trademarks the CRA/City requests the Vendor to affix to articles purchased are those owned by the CRA/City and it is understood that the Vendor shall not acquire or claim any rights, title, or interest therein, or use any of such trademarks on any articles produced for itself or anyone other than the CRA/City

7.49. RIGHT TO REQUEST ADDITIONAL INFORMATION

The CRA/City reserves the right to request any additional information that might be deemed necessary during the evaluation process.

7.50. PROPOSAL PREPARATION COSTS

The Vendor is responsible for any and all costs incurred by the Vendor or his/her subproposers in responding to this solicitation.

7.51. DESIGN COSTS

Prices quoted will include verification/coordination of order, all costs for shipping, delivery to all sites, unpacking, setup, installation, operation, testing, cleanup, training and Vendor travel charges.

7.53. RIGHTS TO PERTINENT MATERIALS

All responses, inquires, and correspondence relating to this SOLICITATION and all reports, charts, displays, schedules, exhibits and other documentation produced by the Vendor that are submitted as part of the bid/proposal shall become the property of the CRA/City upon receipt, a part of a public record upon opening, and will not be returned.

7.54. INSURANCE REQUIREMENTS

See insurance requirements in the main solicitation document.

7.55. NATURE OF THE AGREEMENT

The Agreement incorporates and includes all negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained in the Agreement. The parties agree that there are no commitments, agreements, or understandings concerning the subject matter of the Agreement that are not contained in the Agreement, and that the Agreement contains the entire agreement between the parties as to all matters contained herein. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written. It is further agreed that any oral representations or modifications concerning this Agreement shall be of no force or effect, and that the Agreement may be modified, altered or amended only by a written amendment duly executed by both parties hereto or their authorized representatives.

The Proposer shall provide the services set forth in the Scope of Services, and render full and prompt cooperation with the CRA/City in all aspects of the services performed hereunder.

The Proposer acknowledges that the Agreement requires the performance of all things necessary for or incidental to the effective and complete performance of all work and services under this Contract. All things not expressly mentioned in the Agreement but necessary to carrying out its intent are required by the Agreement, and the Proposer shall perform the same as though they were specifically mentioned, described and delineated.

The Proposer shall furnish all labor, materials, tools, supplies, and other items required to perform the work and services that are necessary for the completion of this Contract. All work and services shall be accomplished at the direction of and to the satisfaction of the CRA/City's Project Manager.

The Proposer acknowledges that the CRA/City shall be responsible for making all policy decisions regarding the Scope of Services. The Proposer agrees to provide input on policy issues in the form of recommendations.

The Proposer agrees to implement any and all changes in providing services hereunder as a result of a policy change implemented by the CRA/City. The Proposer agrees to act in an expeditious and fiscally sound manner in providing the CRA/City with input regarding the time and cost to implement said changes and in executing the activities required to implement said changes.

7.56. AUTHORITY OF THE CRA/CITY'S PROJECT MANAGER

The Proposer hereby acknowledges that the CRA/City's Project Manager will determine in the first instance all questions of any nature whatsoever arising out of, under, or in connection with, or in any way related to or on account of, this Agreement including without limitations: questions as to the value, acceptability and fitness of the services; questions as to either party's fulfillment of its obligations under the Contract; negligence, fraud or misrepresentation before or subsequent to acceptance of the Bid/proposal; questions as to the interpretation of the Scope of Services; and claims for damages, compensation and losses.

The Proposer shall be bound by all determinations or orders and shall promptly obey and follow every order of the Project Manager, including the withdrawal or modification of any previous order and regardless of whether the Proposer agrees with the Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.

The Proposer must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Project Manager and the Proposer are unable to resolve their difference, the Proposer may initiate a dispute in accordance with the procedures set forth in the section below. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.

In the event of such dispute, the parties to this Agreement authorize the CRA Executive Director/City Manager or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the CRA Executive Director/City Manager's purview as set forth above shall be conclusive, final and binding on the parties. Any such dispute shall be brought, if at all, before the CRA Executive Director/City Manager within 10 days of the occurrence, event or act out of which the dispute arises.

The CRA Executive Director/City Manager may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether the Proposer's performance or any deliverable meets the requirements of this Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the CRA Executive Director/City Manager participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Proposer to the CRA Executive Director/City Manager for a decision, together with all pertinent information in regard to such questions, in order that a fair and impartial decision may be made. The parties agree that whenever the CRA Executive Director/City Manager is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be deemed fair and impartial when exercised or taken. The CRA Executive Director/City Manager shall render a decision in writing and deliver a copy of the same to the Proposer. Except as such remedies may be limited or waived elsewhere in the Agreement, the Proposer reserves the right to pursue any remedies available under law after exhausting the provisions of this Article.

7.57. MUTUAL OBLIGATIONS

This Agreement, including attachments and appendices to the Agreement, shall constitute the entire Agreement between the parties with respect hereto and supersedes all previous communications and representations or agreements, whether written or oral, with respect to the subject matter hereof unless acknowledged in writing by the duly authorized representatives of both parties.

Nothing in this Agreement shall be construed for the benefit, intended or otherwise, of any third party that is not a parent or subsidiary of a party or otherwise related (by virtue of ownership control or statutory control) to a party.

In those situations where this Agreement imposes an indemnity or defense obligation on the Proposer, the City may, at its expense, elect to participate in the defense if the City should so choose. Furthermore, the City may at its own expense defend or settle any such claims if the Proposer fails to diligently defend such claims, and thereafter seek indemnity for costs and attorney's fees from the Proposer.

7.58. SUBCONTRACTUAL RELATIONS

If the Proposer will cause any part of this Agreement to be performed by a subproposer, the provisions of this Contract will apply to such subproposer and its officers, agents and employees in all respects as if it and they were employees of the Proposer; and the Proposer will not be in any manner thereby discharged from its obligations and liabilities hereunder, but will be liable hereunder for all acts and negligence of the subproposer, its officers, agents, and employees, as if they were employees of the Proposer. The services performed by the subproposer will be subject to the provisions hereof as if performed directly by the Proposer.

The Proposer, before making any subcontract for any portion of the services, will state in writing to the CRA/City the name of the proposed subproposer, the portion of the services which the subproposer is to do, the place of business of such subproposer, and such other information as the City may require. The City will have the right to require the Proposer not to award any subcontract to a person, firm or corporation disapproved by the City.

Before entering into any subcontract hereunder, the Proposer will inform the subproposer fully and completely of all provisions and requirements of this Agreement relating either directly or indirectly to the services to be performed. Such services performed by such subproposer will strictly comply with the requirements of this Contract.

In order to qualify as a subproposer satisfactory to the CRA/City, in addition to the other requirements herein provided, the subproposer must be prepared to prove to the satisfaction of the CRA/City that it has the necessary facilities, skill and experience, and ample financial resources to perform the services in a satisfactory manner. To be considered skilled and experienced, the subproposer must show to the satisfaction of the City that it has satisfactorily performed services of the same general type which are required to be performed under this Agreement.

The CRA/City shall have the right to withdraw its consent to a subcontract if it appears to the CRA/City that the subcontract will delay, prevent, or otherwise impair the performance of the Proposer's obligations under this Agreement. All subproposers are required to protect the confidentiality of the CRA/City and CRA/City's proprietary and confidential information. The

Proposer shall furnish to the CRA/ity copies of all subcontracts between the Proposer and subproposers and suppliers hereunder. Within each such subcontract, there shall be a clause for the benefit of the CRA/City permitting the CRA/City to request completion of performance by the subproposer of its obligations under the subcontract, in the event the CRA/City finds the Proposer in breach of its obligations, and the option to pay the subproposer directly for the performance by such subproposer. The foregoing shall neither convey nor imply any obligation or liability on the part of the CRA/City to any subproposer hereunder as more fully described herein.

7.59. PROMPT PAYMENT: LATE PAYMENTS BY PROPOSER TO SUBPROPOSER AND MATERIAL SUPPLIERS; PENALTY:

When a proposer receives from the CRA/City of Hollywood any payment for contractual services, commodities, materials, supplies, or construction contracts, the proposer shall pay such moneys received to each subproposer and material supplier in proportion to the percentage of work completed by each subproposer and material supplier at the time of receipt. If the proposer receives less than full payment, then the proposer shall be required to disburse only the funds received on a pro rata basis to the subproposers and materials Suppliers, each receiving a prorated portion based on the amount due on the payment. If the proposer without reasonable cause fails to make payments required by this section to subproposers and material suppliers within fifteen (15) working days after the receipt by the proposer of full or partial payment, the proposer shall pay to the subproposers and material suppliers a penalty in the amount of one percent (1%) of the amount due, per month, from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed. Retainage is also subject to the prompt payment requirement and must be returned to the subproposer or material supplier whose work has been completed, even if the prime contract has not been completed. The Proposer shall include the above obligation in each subcontract it signs with a subproposer or material supplier.

7.60. TERMINATION FOR CONVENIENCE AND SUSPENSION OF WORK

The CRA/City may terminate this Agreement if an individual or corporation or other entity attempts to meet its contractual obligation with the CRA/City through fraud, misrepresentation or material misstatement.

The CRA/City may, as a further sanction, terminate or cancel any other contract(s) that such individual or corporation or other entity has with the CRA/City. Such individual, corporation or other entity shall be responsible for all direct and indirect costs associated with such termination or cancellation, including attorney's fees.

The foregoing notwithstanding, any individual, corporation or other entity which attempts to meet its contractual obligations with the CRA/City through fraud, misrepresentation or material misstatement may be debarred from CRA/City contracting in accordance with the City debarment procedures. The Proposer may be subject to debarment for failure to perform and any other reasons related to the proposer's breach or failure of satisfactory performance.

In addition to cancellation or termination as otherwise provided in this Agreement, the CRA/City may at any time, in its sole discretion, with or without cause, terminate this Agreement by written notice to the Proposer and in such event:

The Proposer shall, upon receipt of such notice, unless otherwise directed by the CRA/City:

In the event that the CRA/City exercises its right to terminate this Agreement pursuant to this Article, the Proposer will be compensated as stated in the payment articles herein, for the:

- A. Portion of the services completed in accordance with the Agreement up to the Effective Termination Date; and
- B. Non-cancelable deliverables that are not capable of use except in the performance of this Agreement and which have been specifically developed for the sole purpose of this Agreement but not incorporated in the services.

When, in the opinion of the CRA/City, reasonable grounds for uncertainty exist with respect to the Proposer's ability to perform the services or any portion thereof, the City may request that the Proposer, within the time frame set forth in the City's request, provide adequate assurances to the CRA/City, in writing, of the Proposer's ability to perform in accordance with terms of this Agreement. Until the CRA/City receives such assurances the CRA/City may request an adjustment to the compensation received by the Proposer for portions of the services which the Proposer has not performed. In the event that the Proposer fails to provide to the CRA/City the requested assurances within the prescribed time frame, the CRA/City may:

- A. Treat such failure as a repudiation of this Agreement;
- B. Resort to any remedy for breach provided herein or at law, including but not limited to, taking over the performance of the services or any part thereof either by itself or through others.

The Proposer is also responsible for e-verifying its subproposers, if any, pursuant to any agreement between the CRA/City and a State Agency, and reporting to the CRA/City any required information. The Proposer acknowledges that the terms of this paragraph are material terms, the breach of any of which shall constitute a default under this Agreement.

In such an event, the total cost for the affected service shall be reduced as required. The Proposer shall also be provided with a minimum 30-day notice prior to any such reduction in budget.

However, unless very unusual and significant changes have occurred in the industry, such increases shall not exceed 3% per year or, whichever is less, the latest yearly percentage increase in the All Urban Consumers Price Index (CPU-U) (National) as published by the Bureau of Labor Statistics, U.S. Dept. of Labor. The yearly increase or decrease in the CPI shall be that latest index published and available ninety (90) days prior to the end of the contract year than in effect compared to the index for the same month one year prior. Any requested cost increase shall be fully documented and submitted to the CRA/City at least ninety (90) days prior to the contract anniversary date.
