Dear Mr. Joinville:

This letter report provides an analysis of the Department of Public Utilities (Department) review of the bids received for the City of Hollywood Water Treatment Plant Reclaim Transfer Pump Replacement project and a recommendation for award of contract.

The bid proposal and supporting information were evaluated for bidder responsiveness and the Contractors' overall technical ability to perform the work proposed by the Department's Contract Documents. The evaluation consisted of the following:

- 1)The Department prepared a tabulation of the bid received, checked for math errors and anomalies in Unit Prices. The bidder for the project in order of overall lowest bid is:

<u>Respondent/ Bidder</u>	<u>Bid Total</u>	<u>Ranking</u>

Based on our review and evaluation of the Bid Proposal, the Department recommends that the project be awarded to the lowest responsive and responsible bidder, RF Environmental Services, Inc. in an amount not to exceed \$417,210.00 for the Water Treatment Plant Reclaim Transfer Pump Replacement project.

Sincerely,

Sydney Salit
