Subject: 2018 JAG
Importance: High

Hello,

The city of Pompano Beach will be taking the lead for 2018 JAG and request 10% administrative fee. Please be sure to submit your budgets less the administrative fee in the amount allocated for your project. DOJ does not want the fees listed in the application. It is **critical** that everyone meets the deadline as this is a new and challenging adventure for Pompano Beach and we want to make it a smooth transition as possible.

Thanks,

Norma McGraw

2018 FLORIDA LOCAL JAG ALLOCATIONS

Listed below are all jurisdictions in the state that are eligible for FY 2018 JAG funding, as determined by the JAG formula. For additional details regarding the JAG formula and award calculation process, with examples, please refer to the updated JAG Technical report here: <https://www.bja.gov/Jag/pdfs/JAG-Technical-Report.pdf> and current JAG Frequently Asked Questions here: <https://www.bja.gov/Funding/JAGFAQ.pdf>.

Finding your jurisdiction:

- (1) Disparate jurisdictions are listed in shaded groups below, in alphabetic order by county.
- (2) Eligible individual allocations are listed alphabetically below the shaded, disparate groupings.
- (3) Counties that have an asterisk (*) under the "Eligible Individual Allocation" column did not submit the level of violent crime data to qualify for a direct award from BJA, but are in the disparate grouping indicated by the shaded area. The JAG legislation requires these counties to remain a partner with the local jurisdictions receiving funds and must be a signatory on the required Memorandum of Understanding (MOU). A sample MOU is provided online at: <https://www.bja.gov/Funding/JAGMOU.pdf>. Disparate jurisdictions do not need to abide by the listed individual allocations, which are provided for information only. Jurisdictions in a funding disparity are responsible for determining individual amounts within the Eligible Joint Allocation and for documenting individual allocations in the MOU.
