Contract from City of Ft. Lauderdale  
  
**Importance:** High

Jennie, Good Morning,

We hereby authorize to extend the same terms and conditions of the contract we have with the City of Fort Lauderdale, to the City of Hollywood.

It is my understanding that this does not affect nor require any approval from the City of Fort Lauderdale. As long as this is the case, we (Air Changes Mechanical) extend the same terms and conditions to Hollywood.

Currently, we are in the process of executing a replacement of precision cooling systems for a server room for the City of Hollywood, under Purchase Order PFY-2502311; we are excited about the possibility to provide support to the City of Hollywood, with many other commercial HVAC needs including maintenance, repair, replacements, retrofits, upgrades, assessments, etc., like we currently do for the City of Fort Lauderdale.

Looking forward to learning how this process evolves.

Thanks

**Subject:** Request to Piggy Back Contract from City of Ft. Lauderdale

Good afternoon,

We are requesting to Piggy Back the existing contract your company has in place with the City of Fort Lauderdale for HVAC repairs and maintenance. Basically to mirror the terms and conditions, in support of our internal, ongoing A/C repairs and chiller unit maintenance requirements.

The services will be needed after our fiscal year beginning October 1st, 2025.

Please provide us with written authorization to utilize the current Piggyback contract with the City of Fort Lauderdale.

Regards,  
J Dennett
