The Commission recessed at 4:34 PM and reconvened at 5:02 PM with Commissioner Hernandez absent.

25. **Commissioner Shuham, District 1**

South Broward High School

Commissioner Shuham thanked the South Broward High School Bulldogs their Junior ROTC for the invitation to their gala. She stated she felt honored to have attended the event with Simon Serrao, Division Fire Chief. Commissioner Shuham stated they had a great time with the students, and the seniors who will be graduating soon.

Spelling Bee

Commissioner Shuham thanked the Liberia Civic Association at Bethune Elementary School. She stated they had an amazing Spelling Bee and she was inspired and impressed by the kids.

Broken Elevator

Commissioner Shuham thanked Ricky Engle, Director of Parks, Recreation & Cultural Arts, for quickly fixing a broken elevator in the studio space at the ArtsPark building.

Noise Complaints

Commissioner Shuham stated she spoke with Jovan Douglas, Director of Parking and Code Compliance, on ways to reduce noise complaints

coming from restaurants and bars during the late night. She requested the restaurants to have noise detectors under the same guidelines as short-term rentals. Commissioner Shuham stated to start with a volunteer pilot program and requested Commission support to allow the Director of Parking and Code Compliance to implement a volunteer program. Vice Mayor Quintana and Mayor Levy supported the idea.

Jazz Festival

Commissioner Shuham stated residents have reached out to reinvigorate the famous Hollywood Jazz Festival. She explained posters from previous Jazz Festivals that were designed by an on-staff designer. Commissioner Shuham stated how this was once free and would hope to get the kind of support from the community, commercial community, travel community, hospitality and alcoholic beverages to help make it free. Commissioner Shuham requested Commission support for the City to provide ways to get started with exploring the Jazz Festival for 2026.

Commissioner Hernandez stated he would like staff to handle the Jazz Festival rather than create a committee. As a committee would cause more work for staff and staff have the expertise to take on the task because they are mindful of the budget.

Commissioner Callari suggested starting out small as a one day event.

26. Commissioner Hernandez, District 2

Downtown Striping

Commissioner Hernandez requested an update on what is being done regarding the striping of the parking lanes in and around Downtown.

5G Pole

Commissioner Hernandez stated Azita Behmardi, Deputy Director of Development Services, went out to look at a 5G pole that was installed on private property on 19th Avenue between Hollywood Boulevard and Harrison Street, but she left before following up. He stated the property owner is unable to park where they usually park and questioned if there is an update on what is being done and if there is a contact person so the pole can be moved.

Civic Association Signs

Commissioner Hernandez requested support to have civic associations exempt from the rules in Code Section 155.13 regarding signs. He stated to allow civic associations to have snipe signs which notify residents of upcoming meetings without obstructing the right of way. Commissioner Callari and Mayor Levy supported the idea.

Residents

Commissioner Hernandez requested for District 2 residents to bring any issues that may affect their quality of life to the Commission to get help to resolve the issue. He thanked staff for participating in a ride along the past week.

Vacant Land

Commissioner Hernandez requested Commission support for a list of vacant properties along Sheridan Street and Pembroke Road by Dixie Highway that are underutilized commercial properties that have been stagnant and need to change.

27. Commissioner Callari, District 3

Conference Meeting

Commissioner Callari apologized for missing the morning conference meeting, as she was flying back from Tallahassee.

House Bill 1123

Commissioner Callari stated they were just informed House Bill 1123, the Septic to Sewer Bill passed unanimously through the committee.

Gated Communities

Commissioner Callari stated gated communities within the City and condominiums all have their own security systems and cameras. She mentioned that while in Tallahassee she met with one City in particular that works with gated communities and condominiums and they have a 50/50 partnership with installing cameras throughout the City for crime prevention. Commissioner Callari questioned if this is something the City can initiate and if not expressed that it would be a great opportunity. Commissioner Hernandez stated his support.

George R. Keller, Jr., City Manager, stated this is already in the works.

Fruits of Labor

Commissioner Callari stated how meaningful it is to attend City Commission Meetings and see the fruits of the City's labor. She stated it is great to see the recognition and to hear the voices of City employees, Police Officers and Firefighters. Commissioner Callari thanked everyone for their teamwork and great leadership.

Thank You

Commissioner Callari thanked the Commission for nominating her the Florida League of Cities voting delegate. She encourages her

colleagues to be more engaged and to come out to the meetings.

Justice Skatepark

Commissioner Callari thanked Ricky Engle, Director of Parks, Recreation and Cultural Arts; and the Department of Design & Construction Management, along with everyone involved for the start of construction of the Justice Skatepark at Stan Goldman Park.

Pickleball Court

Commissioner Callari stated the pickleball courts are so busy, with over a 45 minute wait to get onto a court. She stated parking is becoming a problem and she has received complaints about tickets being issued along the swales. Commissioner Callari questioned if there is any ways to address the issue.

Mayor Levy stated it is inappropriate to give tickets due to the known issue of parking at the park and he was unaware of the tickets being issued.

Commissioner Callari explained the way people are parking limits the amount of availability and the overflow of cars is causing people to park partially on the sidewalks and those are who are being ticketed.

Mayor Levy recommended signs to be added showing how people should park in the area.

Commissioner Callari stated looking into more parking and suggested having the Pickleball coordinators look into an app to give people the ability to reserve a time to play rather than waiting.

Civic Association Signs

Commissioner Callari thanked Commissioner Hernandez for bringing the civic association sign issue up. She stated she does not want to wait to enact a new ordinance, but wants to allow civic associations to put up their signs. She questioned if there is anything that can be done by the Commission to authorize that the civic association signs are not to be picked up.

Vice Mayor Quintana stated when she ran her civic association, they were allowed signs to be put out two days prior to association meeting and picked up the next day.

Commissioner Callari stated it was never made official, and the Pen Program was created.

George R. Keller Jr., City Manager, stated an informal approach was taken and worked at first but then some signs were obstructing right of ways. He stated this needs to be codified with what is to be enforced.

Commissioner Callari thanked the City Manager for his efforts and expressed her concern on how long it will take to get implemented knowing the government takes time.

George R. Keller Jr., City Manager, stated he will still work with an informal approach, and he will bring back a design to have codified on a long term basis.

Mayor Levy requested if possible, to change the Pen Program policy rather than putting in an Ordinance which would create flexibility in case changes need to be made.

Commissioner Hernandez and Mayor Levy were in support.

List of City Owned Properties

Commissioner Callari requested a list divided by districts of non-easement City owned properties and properties not owned by the City sent to the commission so they can see what can be done in their districts.

Tallahassee

Commissioner Callari thanked everyone who went up to Tallahassee to meet on legislative issues. She stated it was amazing.

28. Commissioner Gruber, District 4

Tallahassee

Commissioner Gruber thanked everyone who went to Tallahassee, and expressed his appreciation for Commissioner Callari for getting a rental car for everyone to drive up after their flight was cancelled. He thanked Adam Reichbach, Assistant City Manager, for setting everything up.

LED Boards

Commissioner Gruber stated he noticed on the bandshell the LED board advertising for Margaritaville and questioned if the City could filter in its own advertising.

George R. Keller, Jr, City Manager, stated they would look into sharing time on the LED board.

Playland Estates

Commissioner Gruber expressed his confusion regarding the lighting for the Playland Estates entrance. He stated he thought the original plan from FPL was to have two to three lights installed at the entrance on 441 to Playland Estates and recently saw an update showing lights being moved within the park. Commissioner Gruber questioned if this was a new project and if staff could investigate.

29. Commissioner Biederman, District 5

Playland Estates

Commissioner Biederman stated the Playland Estates entrance once had a monument sign that was lighted at the entrance.

LED Boards

Commissioner Biederman stated it would be great to get LED boards on City properties throughout the City that could help get messages out. He suggested the Department of Parks, Recreations and Cultural Arts propose a digital messaging trailer to be added to the City budget for next year. Commissioner Biederman stated City properties with high traffic areas could be locations for digital displays that could be beneficial to get City messages out. Commissioner Biederman questioned if this could be put into the budget.

George R. Keller, Jr., City Manager, questioned if what is being requested is for a fixed display or portable display. Commissioner Biederman confirmed it was for both.

Mayor Levy supported the idea.

Composting Display

Commissioner Biederman suggested having a composting display when residents are signing up for new water accounts.

Tallahassee

Commissioner Biederman thanked everyone who travelled to Tallahassee.

30. Vice Mayor Quintana, District 6

Department of Public Utilities

Vice Mayor Quintana thanked the Department of Public Utilities and their staff for doing a great job making the invisible, visible. She stated when she received a call from Career Source Broward looking for something that would be interactive for their Worlds of Work program, a program looking for 9th and 10th graders to learn about career options if they

were not looking to go into four-year degree programs. Vice Mayor Quintana stated she immediately thought of the great work Department of Public Utilities does in interactively displaying their work and recommended them. She thanked the department for participating in the event as well as all the other departments she later found out attended.

Commissioner Shuham stated she spoke with a lady who runs the Junior Achievement Career program and suggested having youth come to see career opportunities and also thought of Department of Public Utilities.

Zinkil Park

Vice Mayor Quintana thanked Ricky Engle, Director of Parks, Recreation and Cultural Arts, and staff for their work at Zinkil Park. She stated she likes to see the way the park is serving the community and knows the community is looking forward to the new exercise equipment being installed.

Active Net Software

Vice Mayor Quintana announced the Active Net Software purchased by the Department of Parks, Recreation and Cultural Arts is now active and ready to be used by anyone wanting to offer programming at our community centers. She stated anyone offering services at no cost are given the opportunity to use the space at no cost and if there is a charge there's a 70/30 split.

Exterior Lighting

Vice Mayor Quintana stated there's a problem with the exterior lighting at Washington Park Community Center and Kay Gaither Community Center. She states she hopes to see something done sooner rather than later as she continues to hear from residents.

Community Center Bathrooms

Vice Mayor Quintana stated there was discussion in the morning Conference meeting regarding the need for reconfiguring bathrooms at two community centers in District 6 Washington Park Community Center and Kay Gaither Community Center as it is restricting when the community has access to the building.

White Paper

Vice Mayor Quintana stated she is looking forward to the White Paper on parking and innovative solutions to insufficient parking.

Backyard Chickens

Vice Mayor Quintana questioned the proper protocol being followed regarding the conversation at the last Commission meeting during

citizens' comment regarding backyard chickens. She stated she wanted to make sure it was going to be looked into and see if it was feasible for our City.

Mayor Levy stated it was supported straight forwardly by the Commission.

Earth Day Celebration

Vice Mayor Quintana announced the Sierra Club will be hosting their Earth Day Celebration on Sunday from 8:30 AM to 4:30 PM at Anne Kolb Nature Center. She stated the students would be making art out of plastic and is excited to be a judge for the art contest for the 3rd year in a row. Vice Mayor Quintana stated it is an all-day event with lots to do and invites people to attend.

Salsa Fest

Vice Mayor Quintana announced the 10th Annual Salsa Fest would be held at ArtsPark on April 5, 2025.

31. Mayor Levy

Sculpture Display

Mayor Levy stated during the conference meeting, the Commission discussed the Daniel Popper 'Aeonium' Sculpture which is displayed at the ArtsPark. A proposal was submitted for the cost to allow the display to be continued at ArtsPark. The Commission discussed having a rotating display or continued permanent display. The Commission support having something as a center piece at the ArtsPark and the Daniel Popper proposal be studied with staff coming back with ideas.

Vice Mayor Quintana stated she wishes to have meaningful pieces of art and to consider a call for artists to present their art which could be a less expensive option.

All the Commission members supported the idea.

City Logo

Mayor Levy stated the City of Aventura and the Counsel General from Argentinian are having the Argentinia conductor Al Hel Molar performing a symphony on May 2, 2025 at the Broward Performing Arts Center. In support of this collaborative event they are requesting the City's logo for initiative support. Vice Mayor Quintana, Commissioner Hernandez and Commissioner Gruber supported the request.

32. City Attorney

AT&T – BellSouth – Ocean Outfall

Damaris Henlon, Interim City Attorney, explained the intent of the Resolution.
