Explanation:

Florida’s Truth in Millage (TRIM) statute, F.S. 200.065 (2) (b), requires that the City Commission set a tentative “Not to Exceed” millage rate and inform the Broward County Property Appraiser of said rate and other mandated information for inclusion in the TRIM notice to be sent to property owners. Once this tentative millage rate has been adopted, the City Commission cannot exceed the tentative rate or set a higher actual rate during the budget process.

A further statutory requirement requires the City Commission to set the date, time, and place of the first public hearing on the proposed millage rate and the tentative FY 2015 Operating Budget. This information must also be forwarded to the Broward County Property Appraiser’s Office to comply with applicable State laws and regulations.

This resolution sets a tentative operating millage rate of 7.4479 mills and voted debt service millage of 0.3528 for a total proposed millage rate of 7.8007. In addition, the resolution establishes the date, time and place of the hearing on the tentative Operating Budget to be: Monday, September 15, 2014 at 5:30 P.M. in the City of Hollywood Commission Chambers, Room 219, City Hall, Hollywood, Florida.
