

CITY OF HOLLYWOOD
PLANNING AND DEVELOPMENT BOARD
RESOLUTION NO. 23-DP-20

A RESOLUTION OF THE CITY OF HOLLYWOOD PLANNING AND DEVELOPMENT BOARD CONSIDERING A REQUEST FOR DESIGN AND SITE PLAN APPROVAL, FOR A RESIDENTIAL DEVELOPMENT CONSISTING OF 29 RESIDENTIAL UNITS FOR THE PROPERTY LOCATED AT 1914-1920 PIERCE STREET, PURSUANT TO THE PROVISIONS OF THE CITY OF HOLLYWOOD ZONING AND LAND DEVELOPMENT REGULATIONS.

WHEREAS, the Planning and Development Board (the “Board”) is charged with, among other things, the responsibility of considering requests for variances, design, special exceptions and site plan approval; and

WHEREAS, the Board is duly empowered to grant variances, special exceptions, and design approvals in accordance with the guidelines and procedures found in Section 5.3 of the City’s Zoning and Land Development Regulations and site plan approval pursuant to Article 6 of the Zoning and Land Development Regulations; and

WHEREAS, Alexis Bogomolni on behalf of 1920 Pierce LLC (“Applicant”), has applied for a Design and Site Plan approval for a residential development consisting of 29 residential units located at 1914-1920 Pierce Street, as more particularly described in the attached Exhibit “A” (the “Property”); and

WHEREAS, the Department of Development Services, Planning and Urban Design Division, following analysis of the application and its associated documents, has determined that the proposed request for Design approval meets the applicable criteria set forth in Section 5.3.1.4. of the Zoning and Land Development Regulations and have therefore recommended approval of the Design; and

WHEREAS, the Technical Advisory Committee, following an analysis of the application and its associated documents, have determined that the proposed request for Site Plan approval does meet the review standards set forth in Article 6 of the Zoning and Land Development Regulations and have therefore recommended approval; and

WHEREAS, on March 12, 2024, the Board met and held an advertised public hearing to consider the Applicants’ requests; and

WHEREAS, the Board reviewed the application and the Department of Development Services, Planning and Urban Design Division staff report and recommendations for the Design approval, considered the following criteria pursuant to

Section 5.3.1.4.a. (1) through (4) of the City's Zoning and Land Development Regulations and have determined that the following criteria have been met:

- (1) The Architectural and Design components. Architecture refers to the architectural elements of exterior building surfaces. Architectural details should be commensurate with the building mass. Design of the building(s) shall consider aesthetics and functionality, including the relationship of the pedestrian with the built environment. The Design should consider architectural elements that are characteristic of the surrounding neighborhood.
- (2) Compatibility. The harmonious relationship between existing architectural language and composition and proposed construction, including how each building along the street relates to the whole and the pattern created with adjacent structures and the surrounding neighborhood, and with the established and adopted vision for the area.
- (3) Scale/Massing. Buildings shall be proportionate in scale, with a height which is consistent with the surrounding structures, and with the established and adopted vision of the area. Building geometries shall reflect a simple composition of basic architectural details in relation to its length, width, height, lot coverage, and setting of the structure in context with adjacent buildings.
- (4) Landscaping. Landscaped areas should contain a variety of native and other compatible plant types and forms, and be carefully integrated with existing buildings and paved areas. Existing mature trees and other significant plants on the site should be preserved.

; and

WHEREAS, the Board reviewed the application and the Department of Development Services, Planning and Urban Design Division staff report and the Technical Advisory Committee's recommendation for the Site Plan approval, and considered the Site Plan review standards set forth in Article 6 of the Zoning and Land Developments and found that the Site Plan requirements have been met.

NOW, THEREFORE, BE IT RESOLVED BY THE PLANNING AND DEVELOPMENT BOARD OF THE CITY OF HOLLYWOOD, FLORIDA:

Section 1: That the foregoing "WHEREAS" clauses are ratified and confirmed as being true and correct and are incorporated in this Resolution.

Section 2: That, following review of the Staff Summary Report, the Applicant's application and supporting documents and materials, all submitted written and oral testimony received during the public hearing from all parties and speakers, and the consideration of the Design criteria set forth herein for approving/denying the requested Design for The Development consisting of 29 residential units for the Property, the Board

finds that the necessary criteria have been met, and the Design is hereby **approved**.

Section 3: That, following review of the Staff Summary Report, the Applicant's application and supporting documents and materials, all submitted written and oral testimony received during the public hearing from all parties and speakers, and the consideration of the Site Plan review standards set forth in Article 6 of the Zoning and Land Development Regulations, the Board finds that the necessary review standards have been met, and Site Plan is hereby **approved with the following conditions:**

1. The entire garage to be screened with architectural features.
2. Payment for Parking in Lieu is made at time of permitting.
3. Parking lifts shall be located entirely under the building and screening shall not encroach into the required setback.
4. Prior to the issuance of permits, a covenant running with the land that holds the City harmless against any claims arising from accidents as a result of the use of mechanical parking lifts, in a form acceptable to the City Attorney, shall be submitted prior to the issuance of Building Permits and recorded in the Public Records of Broward County by the City prior to the issuance of a Certificate of Occupancy (C/O) or Certificate of Completion (C/C).

Section 4: That the Applicants shall have up to 24 months from the date of this Design approval to apply for all necessary building permits required to proceed with construction. Failure to submit an application within the require time period shall render all approvals null and void.

Section 5: That the Applicants shall have up to 24 months from the date of Site Plan approval to apply for a valid construction permit. Failure to submit an application within the require time period shall render all approvals null and void.

[THIS SPACE LEFT INTENTIONALLY BLANK]

Section 6: That the Department of Development Services Planning and Urban Design Division is hereby directed to forward a copy of this Resolution No. 23-DP-20 to the Applicant/Owner of the property with respect to which the request was made. This Resolution will be delivered to the City Clerk to be recorded in the Public Records of Broward County, as provided by the applicable provisions of Article 5 in the Zoning and Land Development Regulations. A copy shall be furnished to any enforcement official.

PASSED AND ADOPTED THIS 12th day of March 2024.
