CONE OF SILENCE

The City of Hollywood City Commission adopted Ordinance No. O-2007-05, which created Section 30.15(F) imposing a Cone of Silence for certain City purchases of goods and Services.

The Cone of Silence refers to limits on communications held between vendors and vendor's representatives and City elected officials, management and staff during the period in which a Formal Solicitation is open.

The Ordinance does allow potential vendors or vendor's representatives to communicate with designated employees for the limited purpose of seeking clarification or additional information. The names and contact information of those employees that may be contacted for clarification or additional information are included in the solicitation.

The Cone of Silence does not prohibit a vendor or vendor's representative from communicating verbally, or in writing with the City Manager, the City Manager's designee, the City Attorney or the City Attorney's designee on those procurement items to be considered by the City Commission.

The Cone of Silence does not prohibit a vendor or vendor's representative from making public presentations at a duly noticed pre-bid/proposal conference or duly noticed evaluation committee meeting or from communicating with the City Commission during a duly noticed public meeting.

The Cone of Silence shall be imposed when a formal competitive solicitation has been issued and shall remain in effect until an award is made, a contract is approved, or the City Commission takes any other action which ends the solicitation.

To view the Cone of Silence, go to the City of Hollywood Code of Ordinance online, and view [Section 30.15F](#).

All communications regarding this solicitation should be sent in writing to the Procurement Services Division as identified in this solicitation.

Section I – Introduction and Information

1.1 INTENT:

The purpose of this competitive process is to ensure City of Hollywood’s compliance with Section 287.055 Florida Statutes known as the “Consultants’ Competitive Negotiation Act” (CCNA). The CCNA establishes contracting procedures by which cities must select architects, professional engineers, landscape architects, and surveyors and mappers (“Professional Firms”) for architectural, engineering, landscaping and mapping services (“Professional Services”). The CCNA process allows for professional firms to be chosen on quality of personnel, past performance, willingness to meet time and budget requirements, location, workload, and volume of work previously awarded to each Professional Firm by the City.

1.2 Purpose

The City of Hollywood, Florida (“City”) is actively seeking qualified, experienced, and licensed firm(s) to provide Engineering Consulting Services, as further described in Section III – Scope of Services. After the deadline, responses will not be accepted. Firms are responsible for making certain that their proposal is received at the location specified by the due date and time. The City is not responsible for delays caused by any mail, package or courier service, including the U.S. mail, or caused by any other occurrence or condition. The submission of a SOQ shall be prima facie evidence that the Respondent has full knowledge of the scope, nature, and quality of the work to be performed; the detailed requirements of the specifications; and the conditions under which the work is to be performed. Ignorance of the requirements will not relieve the Respondent from liability and obligations under the Contract. Any discrepancies, errors, or ambiguities in the RFQ or addenda (if any) should be reported in writing to the City's Procurement Services Division. Should it be necessary, a written addendum will be incorporated to the RFQ. The City will not be responsible for any oral instructions, clarifications, or other communications.

2.4.1 The Respondent shall, at all times, indemnify, hold harmless, and defend the City, its agents, servants, and employees from and against any claim, demand, judgment, decree, or cause of action of any kind or nature which may arise out of any error, omission, or activity of the Respondent, its agents, servants, or employees.

2.4.2 The Respondent shall pay all costs, attorney's fees, expenses, and liabilities incurred in the investigation and defense of any claim, demand, judgment, decree, or cause of action of any kind or nature which may arise out of any error, omission, or activity of the Respondent, its agents, servants, or employees. The provisions of this Section shall survive the expiration or earlier termination of the Contract.

2.4.3. Nothing in the RFQ shall be deemed to affect the rights, privileges, or immunities of the City under the doctrine of sovereign immunity or as set forth in Section 768.28 of the Florida Statutes.

The City also reserves the right to reissue a Request for Qualifications.

Section III - Scope of Services

3.1 Purpose

The City of Hollywood Department of Public Utilities operates and maintains a number of sewer lift stations throughout the City. The City of Hollywood was awarded (\$3,435,000.00) funds through the U.S. Department of Housing and Urban Development (HUD), Community Development Block Grant Mitigation (CDBG-MIT) program to repair and harden two (2) lift stations N-07 and N-08 from wind and flood damages and vulnerabilities caused by Hurricane Irma. The funding grant Agreement No. IR038, dated February 18, 2022, was entered into by the State of Florida, Department of Economic Opportunity (FDEO), and the City of Hollywood. The project will allow the rehabilitation or replacement of Lift Stations N-07 and N-08; replacement of existing force mains; installation of permanent generators, lightning protection; and flood proofing of the lift

stations structures, equipment and sites to mitigate damage associated with storm surge and flooding up to and including the 500-year flood levels.

Existing Lift Station (LS) N-07 consists of precast concrete wet well with two 25-HP submersible pumps and precast concrete vault that houses the discharge piping and valves. The lift station was last upgraded over 50 years ago. The electric utility (FPL) service lateral is an underground to pad transformer. Main service is 480V, 3-phase, 200-amp. The lift station does not have an onsite backup generator. Local control panels (LCPs) and Supervisory Control and Data Acquisition (SCADA) remote terminal units (RTUs) are located outside.

Existing Lift Station (LS) N-08 consists of precast concrete wet well with two 5-HP self-priming, belt-driven pumps; both mounted in a shed on the top slab. A precast concrete vault houses the discharge piping and valves. The electric utility (FPL) service lateral is an underground to pole. Main service is 240V, 3-phase, 150-amp. The lift station does not have an onsite backup generator. Local control panels (LCPs) and SCADA remote terminal units (RTUs) are located outside. LS N-08 has a 6-inch bridge-mounted discharge force main (approximately 135 LF canal crossing). Lift station N-08 is located adjacent to the South Florida Water Management District's (SFWMD) C-10 waterways (canal). Both lift stations are located within established residential communities.

Both LS N-07 and N-08 do not have onsite backup generators. The loss of power could result in sewage spills in violation of permit regulations, thereby threatening public health and endangering the environment. The generators provide a means of fulfilling the City's commitment to provide safe, reliable and continuous sanitary sewer and flood protection services to its residents and customers.

The Location Map and Photographs of the lift stations N-07 and N-08 are enclosed as **Attachment "A" under Section VIII.**

The Available Drawings and Pump Curves of the lift stations are enclosed as **Attachment "B" under Section VIII.**

Section V - Evaluation and Award

5.1 Evaluation Procedure

5.1.1 Evaluation of the submittals will be conducted by an Evaluation Committee, consisting of a minimum of three members of City staff, or other persons selected by the Chief Procurement Officer (CPO) or designee. All committee members must be present at scheduled evaluation meetings. Submittals shall be evaluated based upon the information and references contained in the SOQs as submitted. Evaluation procedures shall be regulated by § 287.055, Florida Statutes, referred to as the Consultants' Competitive Negotiations Act (CCNA). Any firm(s) involved in a joint venture in its SOQ will be evaluated individually, as each firm of the joint venture would have to stand on its own merits.

5.1.2 The committee shall short list no less than three firms, assuming that three submittals have been received that it deems best satisfy the weighted criteria set forth herein and the committee has attempted to select the best qualified firm(s) for the particular project. The committee shall review and evaluate proposals, and may conduct interviews, and/or require oral presentations with all short-listed firms. The committee shall then rank the short-listed firms based upon the information provided in interviews and/or presentations, the materials

presented, the firm’s responses to the RFQ and deliberations of the Evaluation Committee at publically advertised Evaluation Meetings. The City may request and the firm shall provide additional information deemed necessary by the Evaluation Committee to conduct evaluations.

5.1.3 The ranking and the Evaluation Committee’s recommendation shall be reported to the City Commission through and with the concurrence of the City Manager, who shall request the City Commission approve the final ranking and authorize staff to negotiate a contract with the highest ranked firm for consideration by the City Commission at a later date. If the City is unable to reach an agreement with the top ranked firm, negotiations will be terminated at the sole discretion of the City and City staff will then begin negotiations with the next ranked firm and so forth until an agreement is reached and a contract awarded by the City Commission.

5.2 Evaluation Criteria

5.2.1 Pursuant to Section 287.055, Florida Statutes, in determining whether a firm is qualified, the agency shall consider such factors as the ability of professional personnel; whether a firm is a certified minority business enterprise; past performance; willingness to meet time and budget requirements; location; recent, current, and projected workloads of the firms; and the volume of work previously awarded to each firm by the agency, with the object of effecting an equitable distribution of contracts among qualified firms, provided such distribution does not violate the principle of selection of the most highly qualified firms. The agency may request, accept, and consider proposals for the compensation to be paid under the contract only during competitive negotiations.

5.2.2 Each evaluation committee will first evaluate the Statement of Qualifications for each of the category items included in Section 5.3. Following their review, each selection committee member will score each firm by providing their score for each of the evaluation criteria items by using the maximum points established for each. Once all the selection committee total score is finalized, a gross total score for each firm will be calculated by adding the total score of all selection committee members. Then, the gross total score per firm will be averaged by the number of selection committee members. The final average score will be used to determine the firm’s ranking.

Using the average scores each firm will be ranked as 1, 2, 3, etc. The highest average score will receive the highest ranking. Once the initial selection criteria rankings is completed, the selection committee may determine if Oral Presentations are necessary and provide a final recommendation for contract award based using the initial selection criteria rankings. This scoring methodology will be used for Initial Evaluation. Scores from the initial evaluation will not carry towards the oral presentation or final award recommendation.

Sample Calculation Table – the following table has been provided to as an example to demonstrate the scoring calculation method and approach. Each selection criteria will carry a maximum amount of points which will be reflected on the selection committee’s blank score card.

GENERAL TERM AND CONDITIONS (CONTRACT)

GENERAL TERMS AND CONDITIONS

1.1 INTENT

It is the policy of the City to encourage full and open competition among all available qualified vendors. All vendors regularly engaged in the type of work specified in this Request for Qualifications ("RFQ") are encouraged to submit Statements of Qualifications ("SOQs"). To receive notification and to be eligible to submit an SOQ, respondent should be registered with BidSync. Respondents may register with BidSync (registration is free) to be included on a mailing list for selected categories of goods and Services. In order to be processed for payment, any awarded respondent must register with the City by completing and returning a Vendor Application and all supporting documents. For information and to apply as a respondent, please visit our website at hollywoodfl.org to download an application and submit it to the Office of Procurement Services and Contract Compliance.

It is the intent of the City, through this RFQ and the Contract Conditions contained herein, to establish to the greatest possible complete clarity regarding the requirements of both parties to the Contract resulting from this RFQ.

Before submitting an SOQ, the respondent shall be thoroughly familiarized with all Contract Conditions referred to in this document and any addenda issued before the SOQ submission date. Such addenda shall form a part of the RFQ and shall be made a part of the Contract. It shall be the respondent's responsibility to ascertain that the SOQ includes all addenda issued prior to the SOQ submission date. Addenda will be posted on the City's internet site along with the RFQ.

The terms of the RFQ and the selected respondent's SOQ and any additional documentation (e.g., questions and answers) provided by the respondent during the solicitation process will be integrated into the final Contract(s) for services entered into between the City and the selected respondent(s). The respondent shall determine, by personal examination and by such other means as may be preferred, the conditions and requirements under which the Contract must be performed.

1.2 RESPONDENT'S RESPONSIBILITIES

Respondents are required to submit their SOQs upon the following express conditions:

- A. Respondents shall thoroughly examine the drawings, specifications, schedules, instructions and all other Contract Documents.
- B. Respondents shall make all investigations necessary to thoroughly inform themselves regarding delivery of material, equipment or services as required by the RFQ. No plea of ignorance by the respondent of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the respondent to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the Contract Documents, will be accepted as a basis for varying the requirements of the City or the compensation due the respondent.
- C. Respondents are advised that all City contracts are subject to all legal requirements provided for in the City of Hollywood Charter, Code of Ordinances and applicable county ordinances, state statutes and federal statutes, rules and regulations.

1.3 PREPARATION OF STATEMENTS OF QUALIFICATIONS

SOQs will be prepared in accordance with the following:

- A. The City's enclosed Proposal Forms, in their entirety, are to be used in submitting your SOQ. **NO OTHER FORM WILL BE ACCEPTED.**
- B. All information required by the proposal form shall be furnished. The respondent shall sign each continuation sheet (where indicated) on which an entry is made.

The City is exempt from payment to its vendors of State of Florida sales tax and, therefore, such taxes should not be figured into the RFQ. However, this exemption does not apply to suppliers to the City in their (supplier) purchases of goods or services used or incorporated in work or goods supplied to the City. Respondents are responsible for any taxes, sales or otherwise, levied on their purchases, subcontracts, employment, etc. An exemption certificate will be signed where applicable, upon request. The City will pay no sales tax.

1.4 ADDENDA

The Office of Procurement Services and Contract Compliance may issue an addendum in response to any inquiry received, prior to SOQ opening, which changes, adds to or clarifies the terms, provisions or requirements of the solicitation. The respondent should not rely on any representation, statement or explanation, whether written or verbal, other than those made in this RFQ solicitation document or in any addenda issued. Where there appears to be a conflict between this RFQ solicitation and any addendum, the last addendum issued shall prevail. It is the respondent's responsibility to ensure receipt of all addenda and any accompanying documents. Respondent(s) shall acknowledge receipt of any formal Addenda by signing the addendum and including it with their SOQ. Failure to include signed formal addenda in its SOQ shall cause the City to deem the SOQ non-responsive, provided however that the City may waive this requirement in its best interest.

1.5 REJECTION OF STATEMENTS OF QUALIFICATIONS

The City may reject an SOQ if:

- A. The respondent fails to acknowledge receipt of an addendum, or if
- B. The respondent misstates or conceals any material fact in the SOQ, or if
- C. The SOQ does not strictly conform to the law or requirements of the RFQ, or if
- D. The City is under a pre- lawsuit claim or current litigation with the respondent.

The City may reject all SOQs if it is deemed in the best interest of the City to do so, and may reject any part of an SOQ unless the SOQ has been qualified as provided herein.

1.6 WITHDRAWAL OF STATEMENTS OF QUALIFICATIONS

- A. SOQs may not be withdrawn and shall be deemed enforceable for a period of 180 days after the time set for the RFQ opening.
- B. SOQs may be withdrawn prior to the time set for the RFQ opening. Such request must be in writing.
- C. The City will permanently retain as liquidated damages the bid deposit furnished by any respondent who requests to withdraw an SOQ after the RFQ opening.

1.7 STATEMENTS OF QUALIFICATIONS TO REMAIN OPEN

All SOQs shall remain open for 180 calendar days after the day of the SOQ opening, but the City may, in its sole discretion, release any SOQ prior to that date. Extensions of time when SOQs shall remain open beyond the 180 day period may be made only by mutual written agreement between the City, the successful respondent and the surety, if any, for the successful respondent.

1.8 LATE STATEMENTS OF QUALIFICATIONS OR MODIFICATIONS

Only SOQs received as of the opening date and time will be considered timely. SOQs and modifications received after the time set for the opening will be returned, un-opened, to the sender and rejected as late.

1.9 CONFLICTS WITHIN THE SOLICITATION

Where there appears to be a conflict between the General Terms and Conditions, Special Conditions, the Technical Specifications, the RFQ Submittal Section, or any addendum issued, the order of precedence shall be the last addendum issued, the RFQ Submittal Section, the Technical Specifications, the Special Conditions, and then the General Terms and Conditions.

1.10 CLARIFICATION OR OBJECTION TO STATEMENT OF QUALIFICATIONS SPECIFICATIONS

If any person contemplating submitting an SOQ for this Contract is in doubt as to the true meaning of the specifications or other RFQ documents or any part thereof, they may submit requests for clarification to the Office of Procurement Services and Contract Compliance on or before the date specified for a request for clarification. All such requests for clarification shall be made in writing, and the person submitting the request will be responsible for its prompt delivery. Any interpretation of the RFQ, if made, will be made only by Addendum duly issued. A copy of such Addendum will be made available to each person receiving an RFQ. The City will not be responsible for any other explanation or interpretation of the RFQ given prior to the award of the Contract. Any objection to the specifications and requirements as set forth in this RFQ must be filed in writing with the Chief Procurement Officer on or before the date specified for a request for clarification.

1.11 COMPETENCY OF RESPONDENTS

SOQs will be considered only from firms that are regularly engaged in the business of providing the goods and/or services as described in this RFQ(s); have a record of performance for a reasonable period of time; and have sufficient financial support, equipment and organization to ensure that they can satisfactorily deliver the material and/or services if awarded a Contract under the terms and conditions set forth in the Contract. The terms "equipment and organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practices in the industry and as determined by the proper City authorities.

The City may consider any evidence available to it of the financial, technical and other qualifications and abilities of a respondent, including past performance (experience) in making the award in the best interest of the City. In all cases, the City shall have no liability to any respondent for any costs or expenses incurred in connection with this RFQ or otherwise.

1.12 QUALIFICATIONS OF RESPONDENTS

No SOQ will be accepted from, nor will any contract be awarded to any person who is in arrears to the City upon any debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City, who is on the City's debarment list, or who is deemed irresponsible or unreliable by the City.

As part of the SOQ evaluation process, the City may conduct a background investigation including a record check by the Hollywood Police Department. Respondent's submission of an SOQ constitutes acknowledgment of the process and consent to such investigation. City shall be the sole judge in determining a respondent's qualifications.

1.13 AWARD OF CONTRACT

If the Contract is to be awarded, it will be awarded after evaluation by the City to the highest ranked firm who the City determines will be in the best interest of the City. Respondents may be invited to an oral interview before the committee. A short list of finalists will be determined and presented to either the City Manager or designee or to the City Commission, in accordance with the applicable City Code of Ordinances, and will make the final ranking for the purposes of negotiating a contract with the top ranked firm. The successful respondent shall be required to sign a negotiated contract; the refusal or failure of a successful respondent to execute a contract which contains the mandatory material terms and conditions contained in the RFQ shall be grounds for deeming the respondent and/or the respondent's SOQ non-responsive.

If applicable, the respondent to whom award is made shall execute a written contract prior to award by the City Commission. If the respondent to whom the first award is made fails to enter into a contract, the contract may be let to the next highest ranked respondent who is responsible and responsive in the opinion of the City.

1.14 BASIS FOR AWARD, EVALUATION CRITERIA AND QUESTIONS

The qualification of respondents on this project will be considered in making the award. The City is not obligated to accept any SOQ if deemed not in the best interest of the City to do so. The City shall make award to a qualified respondent based on responses to this RFQ.

Failure to include in the SOQ all requested information may be cause for rejection of the SOQ.

The City reserves the right to accept or reject any and all SOQs, in whole or in part, as determined to be in the best interest of the City **in its sole discretion**.

The City reserves the right to waive any informalities or irregularities in SOQs.

The City reserves the right to negotiate separately the terms and conditions or all or any part of the SOQs as deemed to be in the City's best interest **in its sole discretion**.

Information and/or factors gathered during interviews, negotiations and any reference checks, and any other information or factors deemed relevant by the City, shall be utilized in the final award. The final award of a contract is subject to approval by the City Commission.

1.15 CONTRACT

A Contract shall be sent to the firm to be signed, witnessed, and returned to the City for execution. The City will provide a copy of the fully executed contract to the awarded respondent.

1.16 BID PROTESTS

The City shall provide notice of its intent to award or reject to all respondents by posting such notice on the City's website.

After a notice of intent to award a contract is posted, any actual or prospective respondent who is aggrieved in connection with the pending award of the contract or any element of the process leading to the award of the contract may protest to the Chief Procurement Officer. A protest must be filed within five business days after posting or any right to protest is forfeited. The protest must be in writing, must identify the name and address of the protester, and must include a factual summary of, and the basis for, the protest. Filing shall be considered complete when the protest, including a deposit, is received by the Office of Procurement Services and Contract Compliance. Failure to timely file a protest shall constitute a full waiver of all rights to protest the City's decision regarding the award.

The written protest shall state in detail the specific facts and law or ordinance upon which the protest of the proposed award is based, and shall include all pertinent documents.

A written protest may not challenge the relative weight of evaluation criteria or a formula for assigning points.

Upon receipt of a formal written protest, the City shall stop award proceedings until resolution of the protest, unless it has been determined that the award of the contract without delay is necessary to protect substantial interests of the City.

Any and all costs incurred by a protesting party in connection with a bid protest shall be the sole responsibility of the protesting party.

Upon receipt of a protest of the pending award of a contract, a copy of the protest shall promptly be forwarded to the City Attorney. The City Attorney shall review the charge to determine its sufficiency, including whether the protest was timely filed. If upon review the City Attorney determines that the charge is insufficient, the City Attorney may issue a summary dismissal of the protest. If upon review the City Attorney determines that the charge is sufficient, a hearing of the protest committee shall be scheduled.

A protest committee shall have the authority to review, settle and resolve the protest. The committee shall consist of three members appointed by the City Manager, and the City Attorney or designee shall advise the committee. The committee's review shall be informal.

If the protest committee determines that the pending award of a contract or any element of the process leading to the award involved a significant violation of law or applicable rule or regulation, all steps necessary and proper to correct the violation shall be taken. If the committee determines that the protest is without merit, the Director shall promptly issue a decision in writing stating the reason for the decision and furnish a copy to the protester and any other interested party, and the process leading to the award shall proceed.

1.17 PREPARATION OF STATEMENTS OF QUALIFICATIONS

SOQs shall be prepared in accordance with the SOQ response format. SOQs not complying with this format may be considered non-responsive and may be removed from consideration on this basis.

Requirements for Signing SOQ:

- A. Each Respondent, by submitting an SOQ, represents that this document has been read and is fully understood.
- B. The SOQ must be signed in ink by an individual authorized to legally bind the person, partnership, company, or corporation submitting the SOQ.
- C. All manual signatures must have the name typed directly under the line of the signature.
- D. The above requirements apply to all RFQ addenda.

1.18 EXAMINATION OF STATEMENT OF QUALIFICATIONS DOCUMENTS

Before submitting an SOQ, each Respondent must: examine the SOQ Documents thoroughly; consider federal, state and local laws, ordinances, rules and regulations that may in any manner affect cost, progress, performance, or provision of the commodities and/or services; study and carefully correlate respondent's observations with the SOQ Documents, and notify the City's agent of all conflicts, errors and discrepancies in the SOQ Documents.

The submission of an SOQ will constitute an incontrovertible representation by the Respondent that the Respondent has complied with every requirement of this RFQ, that without exception the SOQ is premised upon performing the services and/or furnishing the commodities and materials in accordance with such means, methods, techniques, sequences or procedures as may be indicated in or required by the SOQ Documents, and that the SOQ Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of performance and furnishing of the goods and/or services.

1.19 INFORMATION

Further information, if desired, may be obtained from the Office of Procurement Services and Contract Compliance, 2600 Hollywood Boulevard, Room 303, Hollywood, Florida 33020, telephone (954) 921-3299.

Questions or requests for clarification of the specifications shall be in writing and received by the Office of Procurement Services and Contract Compliance by the date specified for a request for clarification. They may be mailed or faxed to (954) 921-3086 or emailed to pbassar@hollywoodfl.org.

1.20 MODIFICATION AND WITHDRAWAL OF STATEMENTS OF QUALIFICATIONS

SOQs must be modified or withdrawn by an appropriate document duly executed in the manner that an SOQ must be executed and delivered to the place where SOQs are to be submitted at any time prior to the deadline for submitting SOQs. A request for withdrawal or a modification must be in writing and signed by a person duly authorized to do so and, in a case where signed by a deputy or subordinate, the principal's proper written grant of authority to such deputy or subordinate must accompany the request for withdrawal or modification. Withdrawal of an SOQ will not prejudice the rights of a Respondent to submit a new SOQ prior to the SOQ date and time. Except where provided in the following paragraph, no SOQ may be withdrawn or modified after expiration of the period for receiving SOQs.

If, within 24 hours after SOQs are opened, any Respondent files a duly signed written notice with the City and within five calendar days thereafter demonstrates to the reasonable satisfaction of the City by clear and convincing evidence that there was a material and substantial mistake in the preparation of its SOQ, or that the mistake is clearly evident on the face of the SOQ but the intended correct SOQ is not similarly evident, then the respondent may withdraw its SOQ and the SOQ Security will be returned.

1.21 REJECTION OF STATEMENTS OF QUALIFICATIONS

To the extent permitted by applicable state and federal laws and regulations, the City reserves the right to reject any and all SOQs, to waive any and all informalities, irregularities and technicalities not involving time or changes in the commodities and/or services, and the right to disregard all nonconforming, non-responsive, unbalanced or conditional SOQs. SOQs will be considered irregular and may be rejected if they show serious omissions, alterations in form, additions not called for, conditions or unauthorized alterations or irregularities of any kind.

The City also reserves the right to waive minor technical defects in an SOQ. The City reserves the right to determine, in its sole discretion, whether any aspect of an SOQ satisfies the criteria established in this RFQ.

The City reserves the right to reject the SOQ of any Respondent if the City believes that it would not be in the best interest of the City to make an award to that respondent, whether because the Respondent is not responsive or the Respondent is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criterion established by the City.

The foregoing reasons for rejection of SOQs are illustrative only and are not intended to be exhaustive.

1.22 AUDIT RIGHTS

The City reserves the right to audit the records of the successful Respondent for the commodities and/or services provided under the contract at any time during the performance and term of the contract and for a period of three years after completion and acceptance by the City. If required by the City, the successful Respondent agrees to submit to an audit by an independent certified public accountant selected by the City, at the sole cost of the Respondent. The successful Respondent shall allow the City to inspect, examine and review the records of the successful Respondent in relation to the contract at any and all times during normal business hours during the term of the contract.

1.23 LOCAL, STATE AND FEDERAL COMPLIANCE REQUIREMENTS

The Respondent shall comply with all local, state and federal directives, orders and laws as applicable to this RFQ and subsequent contract(s), including but not limited to:

- A. Equal Employment Opportunity, in compliance with Executive Order 11246 as amended and applicable to the Contract.

- B. All manufactured items and fabricated assemblies shall comply with applicable requirements of the Occupation Safety and Health Act of 1970 as amended, and be in compliance with Chapter 442, Florida Statutes. Any toxic substance listed in Section 38F-41.03 of the Florida Administrative Code delivered as a result of this solicitation must be accompanied by a completed Material Safety Data Sheet.
- C. The Immigration and Nationality Act prohibits (i) the employment of an unauthorized alien when the employer knows the individual is an unauthorized alien and (ii) the employment of an individual without complying with the requirements of the federal employment verification system. If a respondent commits either of these violations, such violation shall be cause for unilateral cancellation of the Contract.
- D. This Section applies only to any contract for goods or services of \$1 million or more: The respondent certifies that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in Section 287.135, Florida Statutes (2019), as may be amended or revised. The City may terminate the Contract at the City's option if the respondent is found to have submitted a false certification as provided under subsection (5) of Section 287.135, Florida Statutes (2019), as may be amended or revised, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has engaged in business operations in Cuba or Syria, as defined in Section 287.135, Florida Statutes (2019), as may be amended or revised.

1.24 FRAUD AND MISREPRESENTATION

Any individual, corporation or other entity that attempts to meet its contractual obligations with the City through fraud, misrepresentation or material misstatement may be debarred from doing business with the City. As an additional sanction, the City may terminate or cancel any other contracts with such individual, corporation or entity. Such individual or entity shall be responsible for all direct or indirect costs associated with termination or cancellation, including attorney's fees.

1.25 DEBARRED OR SUSPENDED RESPONDENTS

The Respondent certifies, by submission of a response to this solicitation, that neither it nor its principals and sub-respondents are presently debarred or suspended by any federal department or agency.

1.26 COLLUSION

More than one SOQ received for the same work from an individual, firm, partnership, corporation or association under the same or different names will not be considered. Reasonable grounds for believing that any Respondent is interested in more than one SOQ for the same work will cause the rejection of such SOQs in which the Respondent is interested. If there are reasonable grounds for believing that collusion exists among the Respondents, the SOQs of participants in such collusion will not be considered.

1.27 COPELAND "ANTI-KICKBACK"

The Respondent and all sub-respondents will comply with the Copeland Anti-Kickback Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR Part 3).

1.28 FORCE MAJEURE

The contract that is awarded to the successful Respondent may provide that the performance of any act by the City or respondent may be delayed or suspended at any time while, but only so long as, either party is hindered in or prevented from performance by acts of God, the elements, war, rebellion, strikes, lockouts or any cause beyond the reasonable control of such party, provided however that the City shall have the right to provide substitute service from third parties or City forces and in such event the City shall withhold payment due the Respondent for such period of time. If the condition of force majeure exceeds a period of 14 days, the City may, at its option and discretion, cancel or renegotiate the contract.

1.29 PUBLIC ENTITY CRIMES

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a Respondent, supplier, sub-Respondent, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for

CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

1.30 DRUG-FREE WORKPLACE PROGRAM

Preference shall be given to businesses with drug-free workplace programs. If two or more SOQs which are equal with respect to quality and service are received by the City, an SOQ received from a Respondent that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing ties in SOQs will be followed if none of the tied vendors have a drug-free workplace program.

1.31 SOLICITATION, GIVING, AND ACCEPTANCE OF GIFTS POLICY

Respondents, by signing and submitting an SOQ, understand and agree to compliance with the City's and state's policies prohibiting solicitation of gifts by public officers, employees and candidates. Failure to agree by reference or inference will result in your SOQ being declared non-responsive; provided, however, that a responsible Respondent whose SOQ would be responsive but for the failure to submit the signed form in its SOQ may be given the opportunity to submit the form to the City within five calendar days after notification by the City, if this is determined to be in the best interest of the City.

1.32 CONFLICT OF INTEREST

The Respondent represents that:

No officer, director, employee, agent, or other respondent of the City or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of the contract.

There are no undisclosed persons or entities interested with the Respondent in the contract. The contract is entered into by the Respondent without any connection with any other entity or person submitting an SOQ for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other respondent of the City, or of the State of Florida (including elected and appointed members of the legislative and executive branches of government), or member of the immediate family or household of any of the aforesaid:

1. Is interested on behalf of or through the respondent directly or indirectly in any manner whatsoever in the execution or the performance of the contract, or in the services, supplies or work to which the contract relates or in any portion of the revenues; or
2. Is an employee, agent, advisor, or respondent to the respondent or to the best of the respondent's knowledge, any sub-respondents or supplier to the Respondent?

Neither the Respondent nor any officer, director, employee, agent, parent, subsidiary, or affiliate of the Respondent shall have an interest that is in conflict with the Respondent's faithful performance of its obligations under the contract, provided that the City, in its sole discretion, may consent in writing to such a relationship, and provided the Respondent provides the City with a written notice, in advance, that identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the City's best interest to consent to such relationship.

The provisions of this Section are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under the Contract and those provided by statute, the stricter standard shall apply.

In the event the Respondent has no prior knowledge of a conflict of interest as set forth above and acquires information that may indicate that there may be an actual or apparent violation of any of the above, the Respondent shall promptly bring such information to the attention of the City's Project Manager. The Respondent shall thereafter cooperate with the City's review and investigation of such information, and comply with the instructions the respondent receives from the Project Manager in regard to remedying the situation.

1.33 DISCRIMINATION

Any entity or affiliate who has been placed on the discriminatory vendor list may not submit an SOQ on the contract, may not award or perform work as a Respondent, supplier, sub-respondent, or respondent under the contract, and may not transact business with the City.

1.34 ADVICE OF OMISSION OR MISSTATEMENT

In the event it is evident to a Respondent to this RFQ that the City has omitted or misstated a material requirement to this RFQ and/or the services required by this RFQ, the Respondent shall advise the contact identified in the RFQ Clarifications and Questions section of such omission or misstatement.

1.35 CONFIDENTIAL INFORMATION

Information contained in the Respondent's SOQ that is company confidential must be clearly identified in the SOQ itself. The City will be free to use all information in the Respondent's SOQ for the City's purposes, in accordance with state law. SOQs shall remain confidential for 30 days or until a notice of intent to award is posted, which is sooner. The Respondent understands that any material supplied to the City may be subject to public disclosure under Chapter 119, Florida Statutes, and known as the Public Records Law.

1.36 GOVERNING LAW

The contract, including appendices, and all matters relating to the contract (whether in contract, statute, tort (such as negligence), or otherwise) shall be governed by and construed in accordance with the laws of the State of Florida. This shall apply notwithstanding such factors that include but are not limited to the place where the contract is entered into, the place where the accident occurs and not withstanding application of conflicts of law principles.

1.37 LITIGATION VENUE

The parties waive the privilege of venue and agree that all litigation between them in the state courts shall take place in Broward County, Florida, and that all litigation between them in the federal courts shall take place in the Southern District of Florida.

1.38 SOVEREIGN IMMUNITY

Nothing in this contract shall be interpreted or construed to mean that the City waives its common law sovereign immunity or the limits of liability set forth in Section 768.28, Florida Statutes.

1.39 SURVIVAL

The parties acknowledge that any of the obligations in this RFQ and in the contract will survive the term, termination and cancellation hereof. Accordingly, the respective obligations of the Respondent and the City under this RFQ and the contract, which by nature would continue beyond the termination, cancellation or expiration thereof, shall survive termination, cancellation or expiration hereof.

1.40 INDEMNIFICATION AND HOLD HARMLESS AGREEMENT

The Respondent shall indemnify and hold harmless the City and its officers, employees, agents and instrumentalities from any and all liability, losses or damages. In addition, the City shall be entitled to attorney's fees and costs of defense that the City or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this project by the awarded Respondent or its employees, agents, servants, partners, principals, sub-respondents or sub-respondents. Furthermore, the awarded Respondent shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind of nature in the name of the City of Hollywood, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. The awarded Respondent expressly understands and agrees that any insurance protection and endorsements required by the resulting contract or otherwise provided by the awarded Respondent shall cover the City of Hollywood, its officers, employees, agents and instrumentalities, and shall include claims for damages resulting from and/or caused by the negligence, recklessness or intentional wrongful misconduct of the Respondent and persons employed by or utilized by the Respondent in the performance of the contract.

PATENT AND COPYRIGHT INDEMNIFICATION

The Respondent warrants that all deliverables furnished hereunder, including but not limited to: services, equipment programs, documentation, software, analyses, applications, methods, ways, processes, and the like, do not infringe upon or violate any patent, copyrights, service marks, trade secret, or any other third party proprietary rights.

The Respondent shall be liable and responsible for any and all claims made against the City for infringement of patents, copyrights, service marks, trade secrets or any other third party proprietary rights, by the use or supplying of any programs, documentation, software, analyses, applications, methods, ways, processes, and the like, in the course of performance or completion of, or in any

way connected with, the work or the City's continued use of the deliverables furnished hereunder. Accordingly, the Respondent, at its own expense, including the payment of attorney's fees, shall indemnify and hold harmless the City and defend any action brought against the City with respect to any claim, demand, and cause of action, debt, or liability.

In the event any deliverable or anything provided to the City hereunder, or a portion thereof, is held to constitute an infringement and its use is or may be enjoined, the Respondent shall have the obligation, at the City's option, to: (i) modify, or require that the applicable sub-respondents or supplier modify the alleged infringing item(s) at the Respondent's expense, without impairing in any respect the functionality or performance of the item(s); or (ii) procure for the City, at the Respondent's expense, the rights provided under this contract to use the item(s).

The Respondent shall be solely responsible for determining and informing the City whether a prospective supplier or sub-respondents is a party to any litigation involving patent or copyright infringement, service mark, trademark, violation, or proprietary rights claims or is subject to any injunction which may prohibit it from providing any deliverable hereunder. The Respondent shall enter into agreements with all suppliers and sub-respondents at the Respondent's own risk. The City may reject any deliverable that it believes to be the subject of any such litigation or injunction, or if, in the City's judgment, use thereof would delay the work or be unlawful.

The Respondent shall not infringe any copyright, trademark, service mark, trade secrets, patent rights, or other intellectual property rights in the performance of the work.

1.41 ADVERTISING

Respondent shall not advertise or publish the fact that the City has placed this order without prior written consent from the City, except as may be necessary to comply with a proper request for information from an authorized representative of a governmental unit or agency.

1.42 DISCLAIMER

The City may, in its sole discretion, accept or reject, in whole or in part, for any reason whatsoever any or all SOQs; re-advertise the RFQ, postpone or cancel at any time the RFQ process; or waive any formalities of or irregularities in the SOQ process. SOQs that are not submitted on time and/or do not conform to the City's requirements will not be considered. After all SOQs are analyzed, organization(s) submitting SOQ(s) that appear, solely in the opinion of the City to be the most competitive, shall be submitted to the City of Hollywood's City Commission, and the final selection will be made shortly thereafter with a timetable set solely by the City. The selection by the City shall be based on the SOQ, which is, in the sole opinion of the City Commission of the City of Hollywood, in the best interest of the City. The issuance of the RFQ constitutes only an invitation to make a SOQ to the City. The City reserves the right to determine, in its sole discretion, whether any aspect of the SOQ satisfies the criteria established by the City. In all cases, the City shall have no liability to any respondent for any costs or expense incurred in connection with this solicitation, its SOQ or otherwise.

1.43 TRADEMARKS

The City warrants that all trademarks the City requests the respondent to affix to articles purchased are those owned by the City and it is understood that the respondent shall not acquire or claim any rights, title, or interest therein, or use any of such trademarks on any articles produced for itself or anyone other than the City.

1.44 RIGHT TO REQUEST ADDITIONAL INFORMATION

The City reserves the right to request any additional information that might be deemed necessary during the evaluation process.

1.45 PROPOSAL PREPARATION COSTS

The Respondent is responsible for any and all costs incurred by the Respondent or his/her/its sub-respondents in responding to this RFQ.

1.46 DESIGN COSTS

The successful Respondent shall be responsible for all design, information gathering, and required programming to achieve a successful implementation.

1.47 RIGHTS TO PERTINENT MATERIALS

All responses, inquiries, and correspondence relating to this RFQ and all reports, charts, displays, schedules, exhibits and other documentation produced by the Respondent that are submitted as part of the SOQ shall become the property of the City upon receipt, a part of a public record upon opening, and will not be returned.

1.48 NATURE OF THE CONTRACT

The contract incorporates and includes all negotiations, correspondence, conversations, agreements and understandings applicable to the matters contained in the contract. The parties agree that there are no commitments, agreements, or understandings concerning the subject matter of the contract that are not contained in the contract, and that the contract contains the entire agreement between the parties as to all matters contained herein. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written. It is further agreed that any oral representations or modifications concerning the contract shall be of no force or effect, and that the contract may be modified, altered or amended only by a written amendment duly executed by both parties or their authorized representatives.

1.49 CANCELLATION FOR UNAPPROPRIATED FUNDS

The obligation of the City for payment to a respondent is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise authorized by law.

1.50 VERBAL INSTRUCTIONS PROCEDURE

No negotiations, decisions, or actions shall be initiated or executed by the Respondent as a result of any discussions with any City employee. Only those communications which are in writing from an authorized City representative may be considered. Only written communications from Respondent, which are signed by a person designated as authorized to bind the Respondent, will be recognized by the City as duly authorized expressions on behalf of the Respondent.

1.51 E-VERIFY

Respondent acknowledges that the City may be utilizing the Respondent's services for a project that is funded in whole or in part by state funds pursuant to a contract between the City and a state agency. The Respondent shall be responsible for complying with the E-Verify requirements in the contract and using the U.S. Department of Homeland Security's E-Verify system to verify the employment of all new employees hired by the Respondent during the contract term who will be working on this Project. The Respondent is also responsible for e-verifying its sub-respondents, if any, pursuant to any contract between the City and a state agency, and reporting to the City any required information. 1.52 BUDGETARY CONSTRAINTS

In the event the City is required to reduce contract costs due to budgetary constraints, all services specified in this document may be subject to a permanent or temporary reduction in budget. In such an event, the total cost for the affected service shall be reduced as required. The respondent shall also be provided with a minimum 30-day notice prior to any such reduction in budget.

1.54 Additional Terms and Conditions

Additional Terms & Conditions may be negotiated by the parties.

THIS SUBRECIPIENT AGREEMENT is entered into by the State of Florida, Department of Economic Opportunity, (hereinafter referred to as “DEO”) and the City of Hollywood (hereinafter referred to as the “Subrecipient” (each individually a “Party” and collectively “the Parties”).

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

WHEREAS, pursuant to Public Law (P.L.) P.L. 115-123 Bipartisan Budget Act of 2018 and Additional Supplemental Appropriations for Disaster Relief Act 2018 (approved February 9, 2018), and P.L. 116-20 Supplemental Appropriations for Disaster Relief Requirements Act, 2019 (approved June 6, 2019), Division B, Subdivision 1 of the Bipartisan Budget Act of 2018, P.L. 115-56, the “Continuing Appropriations Act, 2018” ; and the requirements of the Federal Register (FR) notices entitled “Allocations, Common Application, Waivers, and Alternative Requirements for Community Development Block Grant Mitigation Grantees”, 84 FR 45838 (August 30, 2019) and “Allocations, Common Application, Waivers, and Alternative Requirements for Community Development Block Grant Disaster Recovery Grantees” (CDBG Mitigation) 86 FR 561 (January 6, 2021);(hereinafter collectively referred to as the “Federal Register Guidance”), the U.S. Department of Housing and Urban Development (hereinafter referred to as “HUD”) has awarded Community Development Block Grant–Mitigation (CDBG-MIT) funds to DEO for mitigation activities authorized under Title I of the Housing and Community Development Act of 1974 (HCDA) (42 United States Code (U.S.C.) § 5301 *et seq.*) and applicable implementing regulations at 24 C.F.R. part 570 and consistent with the Appropriations Act.

WHEREAS, CDBG-MIT funds made available for use by the Subrecipient under this Agreement constitute a subaward of the DEO Federal award, the use of which must be in accordance with requirements imposed by Federal statutes, regulations and the terms and conditions of DEO’s Federal award.

WHEREAS, the Subrecipient has legal authority to enter into this Agreement and by signing this Agreement, the Subrecipient represents and warrants to DEO that it will comply with all the requirements of the subaward described herein.

WHEREAS, all CDBG-MIT activities carried out by the Subrecipient will: (1) meet the definition of mitigation activities. For the purpose of this funding, mitigation activities are defined as those activities that increase resilience to disasters and reduce or eliminate the long-term risk of loss of life, injury, damage to and loss of property, and suffering and hardship, by lessening the impact of future disasters; (2) address the current and future risks as identified in DEO’s Mitigation Needs Assessment of most impacted and distressed area(s); (3) be CDBG-eligible activities under the HCDA or otherwise eligible pursuant to a waiver or alternative requirement; and (4) meet a national objective, including additional criteria for mitigation activities and a Covered Project.

DEO Agreement No.:IR038

NOW THEREFORE, DEO and the Subrecipient agree to the following:

(1) SCOPE OF WORK

The Scope of Work for this Agreement includes Attachment A, Project Description and Deliverables. With respect to Attachment B, Project Budget, and Attachment C, Activity Work Plan, the Subrecipient shall submit to DEO such Attachments in conformity with the current examples attached hereto as necessary and appropriate. Provided further, if there is a disagreement between the Parties, with respect to the formatting and contents of such attachments, then DEO's decisions with respect to same shall prevail, at DEO's sole and absolute discretion.

(2) INCORPORATION OF LAWS, RULES, REGULATIONS AND POLICIES

Subrecipient has diligently reviewed this Agreement and is a sophisticated organization having experience managing projects with funds made available through federal grants. Subrecipient is familiar with DEO's grant agreement with HUD, has reviewed applicable CDBG-MIT regulations and guidelines, will conduct, and will ensure its activities are in compliance with DEO's grant agreement with HUD and all applicable CDBG-MIT regulations and guidelines. Subrecipient agrees to abide by all applicable State and Federal laws, rules and regulations as now in effect and as may be amended from time to time, including but not limited to, the Federal laws and regulations set forth in 24 CFR Part 570, applicable Federal Register Notices, the State's Action Plan, and all applicable CDBG-MIT regulations and guidelines.

Subrecipient shall ensure that all its activities under this Contract shall be conducted in conformance with these provisions, as applicable: 45 CFR Part 75, 29 CFR Part 95, 2 CFR Part 200, 20 CFR Part 601, 24 CFR Part 570 subpart I, *et seq.*, and all other applicable federal laws, regulations, and policies governing the funds provided under this Agreement as now in effect and as may be amended from time to time.

(3) PERIOD OF AGREEMENT

This Agreement is effective as of the date DEO executes this Agreement (the "Effective Date") and ends forty-eight (48) months after execution by DEO, unless otherwise terminated as set forth herein.

(4) RENEWAL AND EXTENSION

This Agreement shall not be renewed. DEO shall not grant any extension of this Agreement unless the Subrecipient provides justification satisfactory to DEO in its sole discretion and DEO's Director of the Division of Community Development approves such extension in writing

(5) MODIFICATION OF AGREEMENT

Modifications to this Agreement shall be valid only when executed in writing by the Parties. Any modification request by the Subrecipient constitutes a request to negotiate the terms of this Agreement. DEO may accept or reject any proposed modification based on DEO's sole determination and absolute discretion, that any such acceptance or rejection is in the State's best interest.

(6) RECORDS

(a) The Subrecipient's performance under this Agreement shall be subject to 2 CFR part 200 – Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards as now in effect and as may be amended from time to time.

(b) Representatives of DEO, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability, and representatives of the Federal government and their duly authorized representatives shall have access to any of the Subrecipient's books, documents, papers and records, including electronic storage media, as

DEO Agreement No.:IR038

they may relate to this Agreement, for the purposes of conducting audits or examinations or making excerpts or transcriptions.

(c) The Subrecipient shall maintain books, records, and documents in accordance with generally accepted accounting procedures and practices which sufficiently and properly reflect all expenditures of funds provided by DEO under this Agreement.

(d) The Subrecipient will provide to DEO all necessary and appropriate financial and compliance audits in accordance with Paragraph (7), Audit Requirements and Attachments I and J herein and ensure that all related party transactions are disclosed to the auditor.

(e) The Subrecipient shall retain sufficient records to show its compliance with the terms of this Agreement and the compliance of all subrecipients, contractors, subcontractors and consultants paid from funds under this Agreement for a period of six (6) years from the date DEO issues the final closeout for this award. The Subrecipient shall also comply with the provisions of 24 CFR 570.493 and 24 CFR 570.502(a)(7)(ii). The Subrecipient shall further ensure that audit working papers are available upon request for a period of six (6) years from the date DEO issues the final closeout of this Agreement, unless extended in writing by DEO. The six-year period may be extended for the following reasons:

1. Litigation, claim or audit initiated before the six-year period expires or extends beyond the six-year period, in which case the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.
2. Records for the disposition of non-expendable personal property valued at \$1,000 or more at the time of acquisition shall be retained for six (6) years after final disposition.
3. Records relating to real property acquired shall be retained for six (6) years after the closing on the transfer of title.

(f) The Subrecipient shall maintain all records and supporting documentation for the Subrecipient and for all contractors, subcontractors and consultants paid from funds provided under this Agreement, including documentation of all program costs in a form sufficient to determine compliance with the requirements and objectives of the scope of work and all other applicable laws and regulations.

(g) The Subrecipient shall either (i) maintain all funds provided under this Agreement in a separate bank account or (ii) ensure that the Subrecipient's accounting system shall have sufficient internal controls to separately track the expenditure of all funds from this Agreement. Provided further, that the only option available for advanced funds is to maintain such advanced funds in a separate bank account. There shall be no commingling of funds provided under this Agreement with any other funds, projects or programs. DEO may, in its sole discretion, disallow costs made with commingled funds and require reimbursement for such costs as described herein, Subparagraph (22)(e), Repayments.

(h) The Subrecipient, including all of its employees or agents, contractors, subcontractors and consultants to be paid from funds provided under this Agreement, shall allow access to its records at reasonable times to representatives of DEO, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability or representatives of the Federal government or their duly authorized representatives. "Reasonable" shall ordinarily mean during normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

(7) AUDIT REQUIREMENTS

(a) The Subrecipient shall conduct a single or program-specific audit in accordance with the provisions of 2 CFR part 200 if it expends seven hundred fifty thousand dollars (\$750,000) or more in Federal awards from all sources during its fiscal year.

(b) Within sixty (60) calendar days of the close of Subrecipient's fiscal year, on an annual basis, the Subrecipient shall electronically submit a completed Audit Compliance Certification to audit@deo.myflorida.com, and DEO's grant manager; a blank version of which is attached hereto as Attachment J. The Subrecipient's timely submittal of one completed Audit Compliance Certification for each applicable fiscal year will fulfill this requirement within all agreements (e.g., contracts, grants,

DEO Agreement No.:IR038

memorandums of understanding, memorandums of agreement, economic incentive award agreements, etc.) between DEO and the Subrecipient.

(c) In addition to the submission requirements listed in Attachment I, Audit Requirements, the Subrecipient shall send an electronic copy of its audit report to DEO's grant manager for this Agreement by June 30 following the end of each fiscal year in which it had an open CDBG-MIT subgrant.

(d) Subrecipient shall also comply with the Federal Audit Clearinghouse rules and directives, including but not limited to the pertinent Report Submissions provisions of 2 C.F.R 200.512, when such provisions are applicable to this Agreement.

(8) REPORTS

Subrecipient shall provide DEO with all reports and information set forth in Attachment G, Reports. The monthly reports and administrative closeout reports must include the current status and progress of Subrecipient and all subcontractors in completing the work described in Attachment A, Scope of Work, and the expenditure of funds under this Agreement. Within 10 calendar days of a request by DEO, Subrecipient shall provide additional program updates or information. Without limiting any other remedy available to DEO, if all required reports and copies are not sent to DEO or are not completed in a manner acceptable to DEO, payments may be withheld until the reports are completed to DEO's satisfaction. DEO may also take other action as stated in Paragraph (13) Remedies or otherwise allowable by law.

(9) INSPECTIONS AND MONITORING

(a) Subrecipient shall cooperate and comply with DEO, HUD, and auditors with any inspections and will immediately provide access to records and financial statements as deemed necessary by DEO, HUD, and their respective auditors at least in accordance with requirements of 2 CFR part 200 and 24 CFR 570.489.

(b) Subrecipient shall cooperate and comply with monitoring of its activities as deemed necessary by DEO to ensure that the subaward is used for authorized purposes in compliance with federal statutes, regulations, and this Agreement.

(c) Without limiting the actions DEO, HUD, or their respective investigators may take, monitoring procedures will include at a minimum: (1) reviewing financial and performance reports required by DEO; (2) following-up and ensuring Subrecipient takes timely and appropriate action on all deficiencies pertaining to the federal award provided to Subrecipient from DEO as detected through audits, on-site reviews and other means; and (3) issuing a management decision for audit findings pertaining to this Federal award provided to Subrecipient from DEO as required by 2 CFR §200.521.

(d) Corrective Actions: DEO may issue management decisions and may consider taking enforcement actions if noncompliance is detected during audits. DEO may require Subrecipient to take timely and appropriate action on all deficiencies pertaining to the federal award provided to Subrecipient from the pass-through entity as detected through audits, on-site reviews and other means. In response to audit deficiencies or other findings of noncompliance with this agreement, DEO may in its sole discretion and without advance notice, impose additional conditions on the use of the CDBG-MIT funds to ensure future compliance or provide training and technical assistance as needed to correct noncompliance. DEO may also take other action as stated in Paragraph (13) Remedies or otherwise allowable by law.

(10) DUPLICATION OF BENEFITS

Subrecipient shall not carry out any of the activities under this Agreement in a manner that results in a prohibited duplication of benefits as defined by Section 312 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974 (42 U.S.C. 5155 *et seq.*) and described in Appropriations Acts. Subrecipient must comply with HUD's requirements for duplication of benefits, as described in the Federal Register and HUD guidance (including HUD training materials). Subrecipient shall carry out the activities under this Agreement in compliance with DEO's procedures to prevent duplication of benefits. Subrecipient shall sign a Subrogation Agreement (See Attachment M).

DEO Agreement No.:IR038

(11) LIABILITY

(a) If Subrecipient is a state agency or subdivision, as defined in Section 768.28(2), F.S., pursuant to Section 768.28(19), F.S., neither Party indemnifies nor insures or assumes any liability for the other Party for the other Party's negligence.

(b) Subrecipient assumes sole responsibility for the training and oversight of the parties it deals with or employs to carry out the terms of this Agreement to the extent set forth in Section 768.28, Florida Statutes. Subrecipient shall hold DEO harmless against all claims of whatever nature arises from the work and services performed by third parties under this Agreement. For purposes of this Agreement, Subrecipient agrees that it is not an employee or agent of DEO but is an independent contractor.

(c) Subrecipient agrees to be fully responsible for its negligent or tortious acts or omissions, which result in claims or suits against DEO. Subrecipient agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, F.S. Nothing herein shall be construed as consent by DEO to be sued by third parties in any matter arising out of any agreement, contract or subcontract.

(d) Nothing herein is intended to serve as a waiver of sovereign immunity by DEO or the Subrecipient.

(12) EVENTS OF DEFAULT

If any of the following events occur ("Events of Default"), DEO may, in its sole and absolute discretion, elect to terminate any obligation to make any further payment of funds, exercise any of the remedies available through this Agreement or pursue any remedy at law or in equity, without limitation:

(a) Any warranty or representation made by Subrecipient, in this Agreement or any previous agreement with DEO, is or becomes false or misleading in any respect, or if Subrecipient fails to keep or perform any of the obligations, terms, or covenants in this Agreement or any previous agreement with DEO or HUD, and/or has not cured them in timely fashion and/or is unable or unwilling to meet its obligations under this Agreement and/or as required by statute, rule, or regulation;

(b) Any material adverse change occurs in the financial condition of Subrecipient at any time during the term of this Agreement and the Subrecipient fails to cure this adverse change within thirty (30) calendar days from the date written notice is sent by DEO;

(c) If Subrecipient fails to submit any required report or submits any required report with incorrect, incomplete, or insufficient information or fails to submit additional information as requested by DEO;

(d) If Subrecipient fails to perform or timely complete any of its obligations under this Agreement, including participating in DEO's Implementation Workshop. The Parties agree that in the event DEO elects to make payments or partial payments after any Events of Default, it does so without waiving the right to exercise any remedies allowable herein or at law and without becoming liable to make any further payment.

(e) Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay the Subrecipient believes is excusable under this paragraph, Subrecipient shall notify DEO in writing of the delay or potential delay and describe the cause of the delay either: (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if Subrecipient could reasonably foresee that

DEO Agreement No.:IR038

a delay could occur as a result or (2) within five (5) calendar days after the date Subrecipient first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE SUBRECIPIENT'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. DEO, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify Subrecipient of its decision in writing. No claim for damages, other than an extension of time, shall be asserted against DEO. Subrecipient shall not be entitled to an increase in the Agreement price or payment of any kind from DEO for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, Subrecipient shall perform at no increased cost, unless DEO determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to DEO or the State, in which case, DEO may do any or all of the following: (1) accept allocated performance or deliveries from Subrecipient, provided that Subrecipient grants preferential treatment to DEO with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by Subrecipient for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity or (3) terminate the Agreement in whole or in part.

(13) REMEDIES

If an Event of Default occurs, DEO may in its sole discretion and without limiting any other right or remedy available, provide thirty (30) calendar days written notice to the Subrecipient and if the Subrecipient fails to cure within those thirty (30) calendar days DEO may choose to exercise one or more of the following remedies, either concurrently or consecutively:

- (a) Terminate this Agreement upon written notice by DEO sent in conformity with Paragraph (17) Notice and Contact;
- (b) Begin any appropriate legal or equitable action to enforce performance of this Agreement;
- (c) Withhold or suspend payment of all or any part of a request for payment;
- (d) Demand Subrecipient return to DEO any funds used for ineligible activities or unallowable costs under this Agreement or any applicable law, rule or regulation governing the use of the funds; and
- (e) Exercise any corrective or remedial actions, including but not limited to:
 1. Request additional information from the Subrecipient to determine the reasons for or the extent of non-compliance or lack of performance;
 2. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected; and/or
 3. Advise the Subrecipient to suspend, discontinue or refrain from incurring costs for any activities in question.
- (f) Exercise any other rights or remedies which may be otherwise available under law.

Pursuit of any of the above remedies does not preclude DEO from pursuing any other remedies in this Agreement or provided at law or in equity. Failure to exercise any right or remedy in this Agreement or failure by DEO to require strict performance does not affect, extend or waive any other right or remedy available or affect the later exercise of the same right or remedy by DEO for any other default by the Subrecipient.

DEO Agreement No.:IR038

(14) DISPUTE RESOLUTION

DEO shall decide disputes concerning the performance of the Agreement, and document dispute decisions in writing and serve a copy of same to Subrecipient. All decisions are final and conclusive unless the Subrecipient files a petition for administrative hearing with DEO within twenty-one (21) days from the date of receipt of the decision. Exhaustion of administrative remedies prescribed in Chapter 120, F.S., is an absolute condition precedent to Subrecipient's ability to pursue any other form of dispute resolution; provided however, that the Parties may mutually agree to employ the alternative dispute resolution procedures outlined in Chapter 120, F.S.

(15) CITIZEN COMPLAINTS

The goal of DEO is to provide an opportunity to resolve complaints in a timely manner, usually within fifteen (15) business days of the receipt of the complaint as expected by HUD, if practicable, and to provide the right to participate in the process and appeal a decision when there is reason for an applicant to believe its application was not handled according to program policies. All applications, guidelines and websites will include details on the right to file a complaint or appeal and the process for filing a complaint or beginning an appeal.

Applicants are allowed to appeal program decisions related to one of the following activities:

- (a) A program eligibility determination,
- (b) A program assistance award calculation, or

The subrecipient will handle citizen complaints by conducting:

- (a) Investigations as necessary,
- (b) Resolution, and
- (c) Follow-up actions.

If the complainant is not satisfied by Subrecipient's determination, then the complainant may file a written appeal by following the instructions issued in the letter of response. However, if in the case of partial termination, DEO determines that the remaining portion of the award will not accomplish the purpose for which the award was made, DEO may terminate the portion of the award which will not accomplish the purpose for which the award was made. Subrecipient shall continue to perform any work not terminated. In the event of termination for convenience, Subrecipient shall not be entitled to recover any cancellation charges or unreimbursed costs for the terminated portion of work.

2. If not used to meet a national objective, Subrecipient shall pay to DEO an amount equal to the current market value of the property less any portion of the value attributable to expenditures of non-CDBG-MIT funds for the acquisition or improvement of the property for five years after expiration or termination of this Agreement.

(g) The rights and remedies under this clause are in addition to any other rights or remedies provided by law or under this Agreement.

(26) LEGAL AUTHORIZATION

(a) Subrecipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. Subrecipient shall, upon request from DEO's custodian of public records, provide DEO with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided by Chapter 119, F.S., or as otherwise provided by law. Subrecipient shall allow public access to all documents, papers, letters or other materials made or received by the Subrecipient in conjunction with this Agreement, unless the

DEO Agreement No.:IR038

records are exempt from Article I, Section 24(a) of the Florida Constitution and Section 119.07(1), F.S. For records made or received by Subrecipient in conjunction with this Agreement, Subrecipient shall respond to requests to inspect or copy such records in accordance with Chapter 119, F.S. For all such requests for records that are public records, as public records are defined in Section 119.011, F.S., Subrecipient shall be responsible for providing such public records per the cost structure provided in Chapter 119, F.S., and in accordance with all other requirements of Chapter 119, F.S., or as otherwise provided by law.

(c) This Agreement may be terminated by DEO for refusal by Subrecipient to comply with Florida's public records laws or to allow public access to any public record made or received by the Subrecipient in conjunction with this Agreement.

(d) If, for purposes of this Agreement, Subrecipient is a "contractor" as defined in Section 119.0701(1)(a), F.S. ("Subrecipient-contractor"), the Subrecipient-contractor shall transfer to DEO, at no cost to DEO, all public records upon completion including termination, of this Agreement or keep and maintain public records required by DEO to perform the service. If Subrecipient-contractor transfers all public records to the public agency upon completion of this Agreement, Subrecipient-contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. (e) If DEO does not possess a record requested through a public records request, DEO shall notify Subrecipient-contractor of the request as soon as practicable, and the Subrecipient-contractor must provide the records to DEO or allow the records to be inspected or copied within a reasonable time, but in all cases within fourteen business days. If the Subrecipient-contractor does not comply with DEO's request for records, DEO shall enforce the provisions set forth in this Agreement. (f) Subrecipient shall notify DEO verbally within twenty-four (24) hours and in writing within seventy-two (72) hours if any data in the Subrecipient's possession related to this Agreement is subpoenaed or improperly used, copied or removed (except in the ordinary course of business) by anyone except an authorized representative of DEO. Subrecipient shall cooperate with DEO, in taking all steps as DEO deems advisable, to prevent misuse, regain possession or otherwise protect the State's rights and the data subject's privacy.

(g) Subrecipient acknowledges DEO is subject to the provisions of Chapter 119, F.S., relating to public records and that reports, invoices and other documents Subrecipient submits to DEO under this Agreement constitute public records under Florida Statutes. (h) If Subrecipient submits records to DEO that are confidential and exempt from public disclosure as trade secrets or proprietary confidential business information, such records should be identified as such by Subrecipient prior to submittal to DEO. Failure to identify the legal basis for each exemption from the requirements of Chapter 119, F.S., prior to submittal of the record to DEO serves as the Subrecipient's waiver of a claim of exemption. Subrecipient shall ensure public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Agreement term and following completion of this Agreement if the Subrecipient-contractor does not transfer the records to DEO upon completion, including termination, of this Agreement.

DEO, in its sole discretion, has the right, but not the obligation, to enforce this indemnification provision.

(k) DEO does not endorse any Subrecipient, commodity, or service. Subject to Chapter 119, F.S., Subrecipient shall not publicly disseminate any information concerning this Agreement without prior written approval from DEO, including, but not limited to, mentioning this Agreement in a press release or other promotional material, identifying DEO or the State as a reference, or otherwise linking Subrecipient's name and either a description of the Agreement or the name of DEO or the State in any material published, either in print or electronically, to any other entity that is not a Party to this Agreement, except potential or actual employees, agents, representatives or subcontractors with the professional skills necessary to perform the work services required by the Agreement.

(l) Subrecipient shall comply with the requirements set forth in Section 119.0701, F.S., when entering into any public agency contract for services after the Effective Date of this Agreement. Subrecipient shall amend each of the Subrecipient's public agency contracts for services already in effect as of the Effective Date of this Agreement and which contract will or may be funded in whole or in part with any public funds. DEO may terminate this Agreement if the Subrecipient does not comply with this provision.

8. Non-discrimination

a. 24 CFR Part 6

The Subrecipient will comply with 24 CFR part 6, which implements the provisions of section 109 of title I of the Housing and Community Development Act of 1974 (Title I) (42 U.S.C. 5309). Section 109 provides that no person in the United States shall, on the ground of race, color, national origin, religion or sex, be excluded from participation in, be denied the benefits of or be subjected to discrimination under any program or activity funded in whole or in part with Federal financial assistance. The Subrecipient will adhere to the prohibitions against discrimination on the basis of age under the Age Discrimination Act of 1975 (42 U.S.C. 6101-6107) (Age Discrimination Act) and the prohibitions against discrimination on the basis of disability under section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) (Section 504). Section 109 of the HCDA makes these requirements applicable to programs or activities funded in whole or in part with CDBG-MIT funds. Thus, the Subrecipient shall comply with regulations of 24 CFR part 8, which implement Section 504 for HUD programs, and the regulations of 24 CFR part 146, which implement the Age Discrimination Act for HUD programs.

b. Architectural Barriers Act and the Americans with Disabilities Act

The Subrecipient shall ensure that its activities are consistent with requirements of Architectural Barriers Act and the Americans with Disabilities Act. The Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) requires certain Federal and Federally funded buildings and other facilities to be designed, constructed, or altered in accordance with standards that ensure accessibility to, and use by, physically handicapped people. A building or facility designed, constructed or altered with funds allocated or reallocated under this part after December 11, 1995 and meets the definition of "residential structure" as defined in 24 CFR 40.2 or the definition of "building" as defined in 41 CFR 101-19.602(a) is subject to the requirements of the Architectural Barriers Act of 1968 (42 U.S.C. 4151-4157) and shall comply with the Uniform Federal Accessibility Standards (appendix A to 24 CFR part 40 for residential structures, and appendix A to 41 CFR part 101-19, subpart 101-19.6, for general type buildings).

The Americans with Disabilities Act (42 U.S.C. 12131; 47 U.S.C. 155, 201, 218 and 225) (ADA) provides comprehensive civil rights to individuals with disabilities in the areas of employment, public accommodations, State and local government services and telecommunications. It further provides that discrimination includes a failure to design and construct facilities for first occupancy no later than January 26, 1993, that are readily accessible to and usable by individuals with disabilities. Further, the ADA requires the removal of architectural barriers and communication barriers that are structural in nature in existing facilities, where such removal is readily achievable—that is, easily accomplishable and able to be carried out without much difficulty or expense.

c. State and Local Nondiscrimination Provisions

The Subrecipient must comply with the Florida Small and Minority Business Assistance Act (§§ 288.703-288.706, F.S.); Title VI of the Civil Rights Act of 1964 (24 CFR part 1)

(1) General Compliance

The Subrecipient shall comply with the requirements of Title VI of the Civil Rights Act of 1964 (P.L. 88-352), as amended. No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded by this agreement. The specific nondiscrimination provisions at 24 CFR 1.4 apply to the use of these funds. The Subrecipient shall not intimidate, threaten, coerce or discriminate against any person for the purpose of interfering with any right or privilege secured by title VI of the Civil Rights Act of 1964 or 24 CFR part 1, or because he has made a complaint, testified, assisted or participated in any manner in an investigation, proceeding or hearing under 24 CFR part 1. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of 2 CFR part 1, including the conduct of any investigation, hearing or judicial proceeding arising thereunder.

(2) Assurances and Real Property Covenants

As a condition to the approval of this Agreement and the extension of any Federal financial assistance, the Subrecipient assures that the program or activities described in this Agreement will be conducted and the housing, accommodations, facilities, services, financial aid or other benefits to be provided will be operated and administered in compliance with all requirements imposed by or pursuant to this part 1.

If the Federal financial assistance under this agreement is to provide or is in the form of personal property or real property or interest therein or structures thereon, the Subrecipient's assurance herein shall obligate the Subrecipient or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases, the assurance shall obligate the Subrecipient for the period during which Federal financial assistance is extended pursuant to the contract or application. This assurance gives DEO and the United States a right to seek judicial enforcement of the assurance and the requirements on real property.

In the case of real property, structures or improvements thereon, or interests therein, acquired with Federal financial assistance under this Agreement or acquired with CDBG-MIT funds and provided to the Subrecipient under this Agreement, the instrument effecting any disposition by the Subrecipient of such real property, structures or improvements thereon, or interests therein, shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If the Subrecipient receives real property interests or funds or for the acquisition of real property interests under this Agreement, to the extent that rights to space on, over, or under any such property are included as part of the program receiving such assistance, the nondiscrimination requirements of this part 1 shall extend to any facility located wholly or in part in such space.

d. Affirmative Action

(1) Approved Plan

The Subrecipient agrees that it shall carry out pursuant to DEO's specifications an Affirmative Action Program in compliance with the President's Executive Order 11246 of September 24, 1966, as amended, and implementing regulations at 42 CFR 60. DEO shall provide Affirmative Action guidelines to the Subrecipient to assist in the formulation of such program. The Subrecipient shall submit a plan for an Affirmative Action Program for approval prior to the release of funds under this agreement.

(2) Women- and Minority-Owned Businesses (W/MBE)

The Subrecipient shall take the affirmative steps listed in 2 CFR 200.321(b)(1) through (5) to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible when the Subrecipient procures property or services under this agreement.

(3) Notifications

The Subrecipient will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or worker's representative of the Subrecipient's commitments hereunder, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(4) Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

The Subrecipient shall, in all solicitations or advertisements for employees placed by or on behalf of the Subrecipient, state that it is an Equal Opportunity or Affirmative Action employer.

9. Labor and Employment
Labor Standards

The Subrecipient shall comply with the in labor standards in Section 110 of the Housing and Community Development Act of 1974, as amended and ensure that all laborers and mechanics employed by contractors or subcontractors in the performance of construction work financed in whole or in part with assistance received under this agreement shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis- Bacon Act, as amended (40 U.S.C. 3141, *et seq.*) and 29 CFR part 1, 3, 5, 6 and 7, provided, that this requirement shall apply to the rehabilitation of residential property only if such property contains not less than 8 units.

The Subrecipient agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874) and its implementing regulations of the U.S. Department of Labor at 29 CFR part 3 and part 5. The Subrecipient shall maintain documentation that demonstrates compliance with applicable hour and wage requirements. Such documentation shall be made available to DEO for review upon request.

Accordingly, a subrecipient of Section 3-covered assistance is required to develop strategies for meeting both the regulatory requirements at 24 CFR part 75 and any other applicable statutes or regulations. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty years old or older or that are included on a Federal, State, or local historic property list.

- (6) **Additional Regulations**
- (a) The Temporary Assistance for Needy Families Program ("TANF"), 45 CFR Parts 260-265, the Social Services Block Grant ("SSBG"), 42 U.S.C. 1397d, and other applicable federal regulations and policies promulgated thereunder.

- (d) The Pro-Children Act: Contractor agrees to comply with the Pro-Children Act of 1994, 20 U.S.C. 6083. Failure to comply with the provisions of the law may result in the imposition of civil monetary penalty up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity. This clause is applicable to all approved sub-contracts. In compliance with Public Law (Pub. L.) 103-277, the Contract shall not permit smoking in any portion of any indoor facility used for the provision of federally funded services including health, day care, early childhood development, education or library services on a routine or regular basis, to children up to age 18.
- (e) Public Announcements and Advertising: When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with federal money, Contractor shall clearly state (1) the percentage of the total costs of the program or project which will be financed with federal money, (2) the dollar amount of federal funds for the project

- or program, and (3) percentage and dollar amount of the total costs of the project or program that will be financed by nongovernmental sources.

The Continuing Appropriations Act, 2011, Sections 101 and 103 (Pub. L. 111-242), provides that appropriations made under Pub. L. 111-117 are available under the conditions provided by Pub. L. 111-117.
 - (h) Contract Work Hours and Safety Standards Act (40 U.S.C. §327–333) — If this Contract involves federal funding in excess of \$2,000 for construction contracts or in excess of \$2,500 for other contracts that involve the employment of mechanics or laborers, compliance with sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327–333), as supplemented by Department of Labor regulations (29 CFR Part 5) is required. Under section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1 ½ times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
 - (i) Resource Conservation and Recovery Act (RCRA). Under RCRA (Pub. L. 94–580 codified at 42 U.S.C. 6962), state and local institutions of higher education, hospitals, and non-profit organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.
 - (j) Immigration Reform and Control Act. Contractor shall comply with the requirements of the Immigration Reform and Control Act of 1986, which requires employment verification and retention of verification forms for any individuals hired who will perform any services under the contract.

When it is determined that the Subrecipient is in non-compliance with federal or state program requirements, the State may impose any of the additional conditions and/or requirements outlined in 2 CFR § 200.207.

Attachment F – Civil Rights Compliance

Fair Housing

As a condition for the receipt of CDBG-MIT funds, each Subrecipient must certify that it will "affirmatively further fair housing" in its community. A Subrecipient shall demonstrate its commitment to affirmatively further fair housing by implementing the actions listed below.

Each Subrecipient shall do the following:

1. Have in place a fair housing resolution or ordinance that covers all Federally protected classes (race, color, familial status, handicap, national origin, religion and sex);
2. Designate an employee as the Fair Housing Coordinator who is available during regular business hours to receive fair housing calls;
3. Publish the Fair Housing Coordinator's contact information quarterly in a newspaper of general circulation in the Subrecipient's jurisdiction so that people know who to call to ask fair housing questions or register a complaint. Alternatively, the Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website;
4. Establish a system to record the following for each fair housing call:
 - a) The nature of the call,
 - b) The actions taken in response to the call,
 - c) The results of the actions taken and
 - d) If the caller was referred to another agency, the results obtained by the referral agency;
5. Conduct at least one fair housing activity each quarter. Identical activities (see examples below) shall not be conducted in consecutive quarters; and
6. Display a fair housing poster in the CDBG-MIT Office. (This does not count as a fair housing activity.)

The Subrecipient shall ensure that the fair housing contact person has received training so that he/she can handle fair housing phone inquiries or refer the inquiries to the appropriate people/agencies. Records maintained by the contact will help the community do the following:

1. Define where discriminatory practices are occurring,
2. Help the community measure the effectiveness of its outreach efforts, and
3. Provide the community with a means to gain information that can be used to design and implement strategies that will eliminate fair housing impediments.

Examples of fair housing activities include the following:

1. Making fair housing presentations at schools, civic clubs and neighborhood association meetings;
2. Conducting a fair housing poster contest or an essay contest;
3. Manning a booth and distributing fair housing materials at libraries, health fairs, community events, yard sales and church festivals; and
4. Conducting fair housing workshops for city/county employees, realtors, bank and mortgage company employees, insurance agents and apartment complex owners.

Printing a fair housing notice on a utility bill is no longer accepted as a fair housing activity; however, mailing a DEO-approved fair housing brochure as an insert with utility bills will be accepted as an activity. Placing posters in public buildings does not meet the requirement for a fair housing activity.

The Subrecipient shall document its fair housing activities by keeping photographs, newspaper articles, sign-in sheets and copies of handouts in their CDBG-MIT project file and include information about the activities in the comment section of each quarterly report.

Equal Employment Opportunity

As a condition for the receipt of CDBG-MIT funds, each Subrecipient must certify that it and the contractors, subcontractors, subrecipients and consultants that it hires with CDBG-MIT funds will abide by the Equal Employment Opportunity (EEO) Laws of the United States. A Subrecipient shall demonstrate its commitment to abide by the laws through the actions listed below.

Each Subrecipient shall do the following:

1. Have in place an equal employment opportunity resolution or ordinance that protects its applicants and employees and the applicants and employees of its contractors, subcontractors, subrecipients and consultants from discrimination in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral and other aspects of employment, on the basis of race, color, religion, sex, national origin, disability, age or genetics;
2. Designate an employee as the EEO Coordinator who is available during regular business hours to receive EEO calls;
3. Publish the EEO Coordinator's contact information quarterly in a newspaper of general circulation in the Subrecipient's jurisdiction so that people know who to call to ask EEO questions or register a complaint. Alternatively, the Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website; and
4. Establish a system to record the following for each EEO call:
 - a) The nature of the call,
 - b) The actions taken in response to the call and
 - c) The results of the actions taken;
5. Each Subrecipient shall maintain a list of certified minority-owned business enterprises (MBE) and women-owned business enterprises (WBE) that operate in its region. The Subrecipient shall use this list to solicit companies to bid on CDBG-MIT-funded construction activities and shall provide a copy of the list to the prime contractor(s) to use when it hires subcontractors and consultants. The Department of Management Services maintains a list of certified minority- and women-owned businesses that can be used to develop a local MBE/WBE list at the following website: <https://osd.dms.myflorida.com/directories>.
6. Incorporate the Equal Employment Opportunity clause set forth in 41 CFR Part 60-1.4(b) into any contracts or subcontracts that meet the definition of "federally assisted construction contract" in 41 CFR 60-1.3.

Section 504 and the Americans with Disabilities Act (ADA)

As a condition for the receipt of CDBG-MIT funds, the Subrecipient must certify that it provides access to all federally funded activities to all individuals, regardless of handicap. The Subrecipient shall demonstrate its commitment to abide by the laws through the actions listed below.

The Subrecipient shall do the following:

1. Have in place a resolution or ordinance that is designed to eliminate discrimination against any person who:
 - a) Has a physical or mental impairment which substantially limits one or more major life activities,
 - b) Has a record of such an impairment or
 - c) Is regarded as having such an impairment;
2. Designate an employee as the Section 504/ADA Coordinator who is available during regular business hours to receive Section 504/ADA calls;
3. Publish the Section 504/ADA Coordinator's contact information quarterly in a newspaper of general circulation in the Subrecipient's jurisdiction so that people know who to call to ask Section 504/ADA questions or register a complaint. Alternatively, the Subrecipient can post the coordinator's contact information throughout the quarter on the home page of its website; and
4. Establish a system to record the following for each Section 504/ADA call:
 - a) The nature of the call,
 - b) The actions taken in response to the call and

- c) The results of the actions taken.

Section 504 prohibitions against discrimination (see 45 CFR part 84) apply to service availability, accessibility, delivery, employment and the administrative activities and responsibilities of organizations receiving Federal financial assistance. A Subrecipient of Federal financial assistance may not, on the basis of disability:

1. Deny qualified individuals the opportunity to participate in or benefit from Federally funded programs, services or other benefits,
2. Deny access to programs, services, benefits or opportunities to participate as a result of physical barriers, or
3. Deny employment opportunities, including hiring, promotion, training and fringe benefits, for which they are otherwise entitled or qualified.

The ADA regulations (Title II, 28 CFR part 35, and Title III, 28 CFR part 36) prohibit discrimination on the basis of disability in employment, State and local government, public accommodations, commercial facilities, transportation, and telecommunications. To be protected by the ADA, one must have a disability or have a relationship or association with an individual with a disability.

Title II covers all activities of state and local governments regardless of the government entity's size or receipt of Federal funding. Title II requires that State and local governments give people with disabilities an equal opportunity to benefit from all of their programs, services and activities (e.g. public education, employment, transportation, recreation, health care, social services, courts, voting and town meetings). State and local governments are required to follow specific architectural standards in the new construction and alteration of their buildings. They also must relocate programs or otherwise provide access in inaccessible older buildings, and communicate effectively with people who have hearing, vision or speech disabilities.

Title III covers businesses and nonprofit service providers that are public accommodations, privately operated entities offering certain types of courses and examinations, privately operated transportation and commercial facilities. Public accommodations are private entities who own, lease, lease to or operate facilities such as restaurants, retail stores, hotels, movie theaters, private schools, convention centers, doctors' offices, homeless shelters, transportation depots, zoos, funeral homes, day care centers and recreation facilities including sports stadiums and fitness clubs. Transportation services provided by private entities are also covered by Title III.

Section 3 - Economic Opportunities for Low- and Very Low-Income Persons

Each Subrecipient shall encourage its contractors to hire qualified low- and moderate-income residents for any job openings that exist on CDBG-MIT-funded projects in the community. The Subrecipient and its contractors shall keep records to document the number of low- and moderate-income people who are hired to work on CDBG-MIT-funded projects. The number of low- and moderate-income residents who are hired to work of the project shall be reported in the comment section of the quarterly report.

The following Section 3 clause is required to be included in CDBG-MIT-funded contracts of \$100,000 or more:

Section 3 Clause

1. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are Subrecipients of HUD assistance for housing.
2. The Parties to this contract agree to comply with HUD's regulations in 24 CFR part 75, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 75 regulations.
3. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the

notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

4. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 75, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 75. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 75.
5. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 75 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 75.
6. Noncompliance with HUD's regulations in 24 CFR part 75 may result in sanctions, termination of this contract for default and debarment or suspension from future HUD assisted contracts.
7. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. § 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).

Civil Rights Regulations

As a condition for the receipt of CDBG-MIT funds, each Subrecipient must certify that it will abide by the following Federal laws and regulations:

1. Title VI of the Civil Rights Act of 1964 – Prohibits discrimination by government agencies that receive Federal funding;
2. Title VII of the Civil Rights Act of 1964 – prohibits employment discrimination on the basis of race, color, religion, sex or national origin;

Activities during this close-out period may include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances and accounts receivable to the Subrecipient) and determining the custodianship of records.

Notwithstanding the terms of 2 CFR 200.343, upon the expiration of this Agreement, the Subrecipient shall transfer to the recipient any CDBG-MIT funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG-MIT funds. Further, any real property under the Subrecipient's control that was acquired or improved in whole or in part with CDBG-MIT funds (including CDBG-MIT funds provided to the Subrecipient in the form of a loan) shall be treated in accordance with 24 CFR 570.503(b)(7).

4. In accordance with 2 CFR part 200, should the Subrecipient meet the threshold for submission of a single or program specific audit, the audit must be conducted in accordance with 2 CFR part 200 and submitted to DEO no later than nine months from the end of the Subrecipient's fiscal year. Attachment H – Warranties and Representations

Financial Management

The Subrecipient's financial management system must comply with the provisions of 2 CFR part 200 (and particularly 2 C.F.R 200.302 titled "Financial Management"), Section 218.33, F.S., and include the following:

1. Accurate, current and complete disclosure of the financial results of this project or program.
2. Records that identify the source and use of funds for all activities. These records shall contain information pertaining to grant awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.
3. Effective control over and accountability for all funds, property and other assets. The Subrecipient shall safeguard all assets and assure that they are used solely for authorized purposes.
4. Comparison of expenditures with budget amounts for each Request for Funds (RFF). Whenever appropriate, financial information should be related to performance and unit cost data.
5. Written procedures to determine whether costs are allowed and reasonable under the provisions of the 2 CFR part 200 (and particularly 2 CFR 200 Subpart E titled "Costs Principles") and the terms and conditions of this Agreement.
6. Cost accounting records that are supported by backup documentation.

Competition

All procurement transactions must follow the provisions of 2 CFR §§ 200.318-200.327 and be conducted in a manner providing full and open competition. The Subrecipient shall be alert to conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids or requests for proposals shall be excluded from competing for such procurements. Awards must be made to the responsible and responsive bidder or offeror whose proposal is most advantageous to the program, considering the price, quality and other factors. Solicitations shall clearly set forth all requirements that the bidder or offeror must fulfill in order for the bid or offer to be evaluated by the Subrecipient. Any and all bids or offers may be rejected if there is a sound, documented reason.

Codes of Conduct

The Subrecipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer or agent shall participate in the selection, award or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict would arise when the employee, officer or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated, has a financial or other interest in a tangible personal benefit from a firm considered for a contract. The officers, employees and agents of the Subrecipient shall neither solicit nor accept gratuities, favors or anything of monetary value from contractors or parties to subcontracts. The standards of conduct must provide for disciplinary actions to be applied for violations of the standards by officers, employees or agents of the Subrecipient. (*See* 2 CFR § 200.318(c)(1).)

Business Hours

The Subrecipient shall have its offices open for business, with the entrance door open to the public, and at least one employee on site at all reasonable times for business. "Reasonable" shall be construed according to circumstances, but ordinarily shall mean normal business hours of 8:00 a.m. to 5:00 p.m., local time, Monday through Friday.

Licensing and Permitting

All contractors or employees hired by the Subrecipient shall have all current licenses and permits required for all of the particular work for which they are hired by the Subrecipient.

Attachment I – Audit Requirements

The administration of resources awarded by DEO to the Subrecipient may be subject to audits and/or monitoring by DEO as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR 200 Subpart F - Audit Requirements, and section 215.97, F.S., as revised (see “AUDITS” below), monitoring procedures may include, but not be limited to, on-site visits by DEO staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this Agreement, the Subrecipient agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by DEO. In the event DEO determines that a limited scope audit of the Subrecipient is appropriate, the Subrecipient agrees to comply with any additional instructions provided by DEO staff to the Subrecipient regarding such audit. The Subrecipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED. This part is applicable if the Subrecipient is a state or local government or nonprofit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

1. A Subrecipient that expends \$750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. EXHIBIT 1 to this form lists the federal resources awarded through DEO by this agreement. In determining the federal awards expended in its fiscal year, the Subrecipient shall consider all sources of federal awards, including federal resources received from DEO. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the Subrecipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, the Subrecipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §§200.508-512.
3. A Subrecipient that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If the Subrecipient expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from Subrecipient resources obtained from other than federal entities).

PART II: STATE FUNDED. This part is applicable if the Subrecipient is a non-state entity as defined by Section 215.97(2), F.S.

1. In the event that the Subrecipient expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such Subrecipient (for fiscal years ending June 30, 2017, and thereafter), the Subrecipient must have a state single or project-specific audit for such fiscal year in accordance with section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through DEO by this agreement. In determining the state financial assistance expended in its fiscal year, the Subrecipient shall consider all sources of state financial assistance, including state financial assistance received from DEO, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.
2. For the audit requirements addressed in Part II, paragraph 1, the Subrecipient shall ensure that the audit complies with the requirements of section 215.97(8), F.S. This includes submission of a financial reporting

package as defined by section 215.97(2), F.S., and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the Subrecipient expends less than \$750,000 in state financial assistance in its fiscal year (for fiscal years ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. If the Subrecipient expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the Subrecipient's resources obtained from other than state entities).

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), F.S., State agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with Section 215.97, F.S. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

N/A

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and required by Part I of this form shall be submitted, when required by 2 CFR § 200.512, by or on behalf of the Subrecipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR § 200.36 and §200.512.

2 CFR Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to

construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended - Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Attachment M**State of Florida
Department of Economic Opportunity****Federally Funded
Community Development Block Grant
Disaster Recovery (CDBG-MIT) Subrogation Agreement**

This Subrogation and Assignment Agreement (“Agreement”) is made and entered into by and between the City of Hollywood (hereinafter referred to as “Subrecipient”) and the State of Florida, Department of Economic Opportunity (hereinafter referred to as “DEO”).

In consideration of Subrecipient’s receipt of funds or the commitment by DEO to evaluate Subrecipient’s application for the receipt of funds (collectively, the “Grant Proceeds”) under the DEO Community Development Block Grant-Mitigation Program (the “CDBG-MIT Program”) administered by DEO, Subrecipient hereby assigns to DEO all of Subrecipient’s future rights to reimbursement and all payments received from any grant, subsidized loan, lawsuit or insurance policies of any type or coverage or under any reimbursement or relief program related to or administered by the Federal Emergency Management Agency (“FEMA”) or the Small Business Administration (“SBA”) (singularly, a “Disaster Program” and collectively, the “Disaster Programs”) that was the basis of the calculation of Grant Proceeds paid or to be paid to Subrecipient under the CDBG-MIT Program and that are determined in the sole discretion of DEO to be a duplication of benefits (“DOB”) as provided in this Agreement.

The proceeds or payments referred to in the preceding paragraph, whether they are from insurance, FEMA or the SBA or any other source, and whether or not such amounts are a DOB, shall be referred to herein as “Proceeds,” and any Proceeds that are a DOB shall be referred to herein as “DOB Proceeds.” Upon receiving any Proceeds, Subrecipient agrees to immediately notify DEO who will determine in its sole discretion if such additional amounts constitute a DOB. If some or all of the Proceeds are determined to be a DOB, the portion that is a DOB shall be paid to DEO, to be retained and/or disbursed as provided in this Agreement. The amount of DOB determined to be paid to DEO shall not exceed the amount received from the CDBG-MIT Program.

Subrecipient agrees to assist and cooperate with DEO to pursue any of the claims Subrecipient has against the insurers for reimbursement of DOB Proceeds under any such policies. Subrecipient’s assistance and cooperation shall include but shall not be limited to allowing suit to be brought in Subrecipient’s name(s) and providing any additional documentation with respect to such consent, giving depositions, providing documents, producing record and other evidence, testifying at trial and any other form of assistance and cooperation reasonably requested by DEO. Subrecipient further agrees to assist and cooperate in the attainment and collection of any DOB Proceeds that the Subrecipient would be entitled to under any applicable Disaster Program.

If requested by DEO, Subrecipient agrees to execute such further and additional documents and instruments as may be requested to further and better assign to DEO, to the extent of the Grant Proceeds paid to Subrecipient under the CDBG-MIT Program, the Policies, any amounts received under the Mitigation Programs that are DOB Proceeds and/or any rights thereunder, and to take, or cause to be taken, all actions and to do, or cause to be done, all things requested by DEO to consummate and make effective the purposes of this Agreement.

Subrecipient explicitly allows DEO to request of any company with which Subrecipient held insurance policies, or FEMA or the SBA or any other entity from which Subrecipient has applied for or is receiving Proceeds, any non-public or confidential information determined to be reasonably necessary by DEO to monitor/enforce its interest in the rights assigned to it under this Agreement and give Subrecipient's consent to such company to release said information to DEO.

If Subrecipient (or any lender to which DOB Proceeds are payable to such lender, to the extent permitted by superior loan documents) hereafter receives any DOB Proceeds, Subrecipient agrees to promptly pay such amounts to DEO, if Subrecipient received Grant Proceeds under the CDBG-MIT Program in an amount greater than the amount Subrecipient would have received if such DOB Proceeds had been considered in the calculation of Subrecipient's award.

In the event that the Subrecipient receives or is scheduled to receive any subsequent Proceeds, Subrecipient shall pay such subsequent Proceeds directly to DEO, and DEO will determine the amount, if any, of such subsequent Proceeds that are DOB Proceeds ("Subsequent DOB Proceeds"). Subsequent Proceeds in excess of Subsequent DOB Proceeds shall be returned to the Subrecipient. Subsequent DOB Proceeds shall be disbursed as follows:

1. If the Subrecipient has received full payment of the Grant Proceeds, any Subsequent DOB Proceeds shall be retained by DEO.
2. If the Subrecipient has received no payment of the Grant Proceeds, any Subsequent DOB Proceeds shall be used by DEO to reduce payments of the Grant Proceeds to the Subrecipient, and all Subsequent DOB Proceeds shall be returned to the Subrecipient.
3. If the Subrecipient has received a portion of the Grant Proceeds, any Subsequent DOB Proceeds shall be used, retained and/or disbursed in the following order: (A) Subsequent DOB Proceeds shall first be used to reduce the remaining payments of the Grant Proceeds, and Subsequent DOB Proceeds in such amount shall be returned to the Subrecipient; and (B) any remaining Subsequent DOB Proceeds shall be retained by DEO.
4. If DEO makes the determination that the Subrecipient does not qualify to participate in the CDBG-MIT Program or the Subrecipient determines not to participate in the CDBG-MIT Program, the Subsequent DOB Proceeds shall be returned to the Subrecipient, and this Agreement shall terminate.

Once DEO has recovered an amount equal to the Grant Proceeds paid to Subrecipient, DEO will reassign to Subrecipient any rights assigned to DEO pursuant to this Agreement.

Subrecipient represents that all statements and representations made by Subrecipient regarding Proceeds received by Subrecipient shall be true and correct as of the date of the signing of this Agreement.

Warning: Any person who intentionally or knowingly makes a false claim or statement to HUD may be subject to civil or criminal penalties under 18 U.S.C. 287, 1001 and 31 U.S.C. 3729.
