Violation of this section shall result in termination of this Contract and recovery of all monies paid hereto, and may result in debarment from CITY's competitive procurement activities.

In addition, to the foregoing, CMAR further represents that there has been no determination, based on an audit, that it committed an act defined by Section 287.133, Florida Statutes, as a public entity crime and that it has not been formally charged with committing an act defined as a public entity crime regardless of the amount of money involved and regardless of whether CMAR has been placed on the convicted vendor list.

9.5 INDEPENDENT CONTRACTOR

CMAR is an independent contractor under this Contract. Services provided by CMAR pursuant to the CONTRACT DOCUMENTS shall be subject to the supervision of CMAR. In providing such services, neither contractor nor its

agents shall act as officers, employees, or agents of the CITY. The contract shall not constitute or make the parties a partnership or joint venture. The CITY is not responsible for any debt, default, act or omission of CMAR.

9.6.1 CMAR shall be responsible for ensuring payment of the rate of wages and fringe benefits, or cash equivalent, for all laborers, mechanics and apprentices employed by him/her or his/her SUBCONTRACTORS on the work covered by this contract which shall be not less than the prevailing rate of wages and fringe benefits or cash equivalent for similar skills or classifications of work as established by the General Wage Decision by the United States Department of Labor for Broward County, Florida that is in effect prior to the date the CITY issued the Request for Qualifications (RFQ) for this PROJECT.

If the General Wage Decision fails to provide for a fringe benefit rate for any worker classification, then the fringe benefit rate applicable to such worker classification shall be the fringe benefit rate that has a basic wage rate closest in dollar amount to the work classification for which no fringe benefit rate has been provided.

9.6.2 Upon commencement of work, CMAR and all of its SUBCONTRACTORS shall post a notice in a prominent place at the work site stating the requirements of this section.

9.6.3 If any questions should arise concerning the applications of this Section, which are not specifically addressed, the CITY may, but is not required to, rely on rules, regulations, practices, administrative rulings and court decisions governing applications of the Davis-Bacon Act.

9.6.4 CMAR and its SUBCONTRACTORS shall submit to the CITY on a regular basis, but not less than monthly, payroll sheets, which have been certified under oath by CMAR and/or SUBCONTRACTORS as to their accuracy and compliance with the provisions of this Section. The certified payroll sheets shall contain the following: name and address of each employee; his/her current classification; rate of pay (including rates of contributions for, or costs assumed to provide, fringe benefits); daily and weekly number of hours worked; deductions made; and actual wages paid. Such records shall be maintained by CMAR and its SUBCONTRACTORS for a period of at least three years following completion of the work.

9.6.5 The CITY may withhold, or cause to be withheld from CMAR, so much of any requisitioned payment as may be considered necessary to pay laborers, mechanics and apprentices the full amount of wages required by this section. The CITY, or its designee, may enter on the job site and

conduct such inquiries of CMAR'S workers and its subcontractor's workers to determine whether this section is being complied with. If CMAR or its SUBCONTRACTOR fails to pay any laborers, mechanics or apprentices employed or working on the job site all or part of the wages required by this section, then the CITY may, after written notice to CMAR, take such action as may be necessary to cause suspension of any further payments or advances until such violations have been corrected. If the violations are not corrected, the CITY may terminate CMAR's right to proceed with the work or such part of the work for which there has been a failure to pay the required wages and take such steps as are necessary to complete the work, whereupon CMAR and its sureties shall be liable to the CITY for all excess costs incurred by the CITY.

9.6.6 The CMAR shall insert in any subcontracts such language as is necessary to require all of its SUBCONTRACTORS to comply with the requirements of this section. CMAR shall be responsible for noncompliance by any of its SUBCONTRACTORS. This section shall be deemed part of any contract entered into between CMAR and any of his/her SUBCONTRACTORS.

9.7 THIRD PARTY BENEFICIARIES

Neither CMAR nor CITY intends to directly or substantially benefit a third party by this contract. Therefore, the parties agree that there are no third party beneficiaries to this contract and that no third party shall be entitled to assert a claim against either of them based upon the CONTRACT DOCUMENTS. The parties expressly acknowledge that it is not their intent to create any rights or obligations in any third person or entity under the CONTRACT DOCUMENTS.

9.8 NOTICES

Whenever either party desires to give notice to the other, such notice must be in writing, sent by certified United States mail, postage prepaid, return receipt requested, or by hand-delivery with a request for a written receipt of acknowledgment of delivery, addressed to the party for whom it is intended at the place last specified. The limitations of this section shall not preclude CMAR or any other persons from representing themselves in any action or in any administrative or legal proceeding.

In the event CMAR is permitted to utilize subcontractors to perform any services required by the CONTRACT DOCUMENTS, CMAR agrees to prohibit such SUBCONTRACTORS, by written contract, from having any conflicts within the meaning of this section.

9.11 PROHIBITION AGAINST CONTINGENT FEES.

CMAR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for CMAR, to solicit or secure this contract and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for CMAR, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this contract.. For a breach or violation of this provision, CITY shall have the right to terminate this contract without liability at its discretion, or to deduct from the contract price or otherwise recover the full amount of such fee, commission, percentage, gift or consideration.

9.12 TRUTH IN NEGOTIATION

CMAR shall execute and furnish to the CITY a Truth-in-Negotiation Certificate, stating that wage rates and other factual unit costs supporting compensation are accurate, complete and current at the time of execution of the contract. The original contract amount and any additions thereto shall be adjusted to exclude any significant sums when CITY determines the contract amount was increased due to inaccurate, incomplete or noncurrent wage rates or other factual costs.

9.13 MATERIALITY AND WAIVER OF BREACH

CITY AND CMAR agree that each requirement, duty, and obligation set forth herein is substantial and important to the formation of this contract and, therefore, is a material term hereof.

CITY's failure to enforce any provision of this contract shall not be deemed a waiver of such provision or modification of this contract. A waiver of any breach of a provision of this contract shall not be deem a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this contract.

This contract may be executed in two or more copies by all parties, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

ARTICLE 10 SUBCONTRACTORS AND PURCHASE ORDERS

Unless waived in writing, for good cause, by the CONSULTANT or PROJECT MANAGER, CMAR must obtain competitive pricing and subcontract, in compliance with the requirements of this Article 10, for 100% of CMAR direct construction cost required under this contract. Subcontracts and purchase orders, involving amounts not in excess of (\$25,000.00) may be awarded without the prior approval of the CONSULTANT. All other subcontracts and purchase orders shall be awarded according to the following procedure:

CMAR shall prepare for CONSULTANT'S and PROJECT MANAGER'S review and approval a list of subcontractors and suppliers for each bid who meet the CMAR's schedule of minimum requirements. CMAR shall obtain bids from a minimum of three such subcontractors for each subcontract, when available. After receiving such bids, CMAR shall analyze them and make recommendations to the CONSULTANT for awards. When the CONSULTANT and the PROJECT MANAGER have approved the award of any such subcontract or purchase order, CMAR shall contract solely in its own name and behalf, and not in the name or behalf of the CITY, with the specified subcontractor or supplier. All subcontracts shall, so far as applicable, contain unit prices and any other feasible formula for use in determination of the cost of changes in the WORK.
