Recommendation for Award
Bid No. IFB-4714-22-OT

Dear Mr. Jiang:

We have reviewed the bid proposal documents opened on April 7, 2022 for the subject project. A summary is included in the attached Bid Tabulation. The apparent low bidder, Layne Christensen Company, was evaluated for their overall technical ability to perform the work proposed by our design documents. Our review did not include a determination of bidder responsiveness; however, all requested proposal items were submitted.

We have reviewed references identified by the bidder. Based on our review, we consider this contractor responsible and qualified to perform the work described in the contract documents. As such, we recommend that the Southern Regional Wastewater Treatment Plant Mechanical Integrity Test contract be awarded to the Layne Christensen Company.

We appreciate the opportunity to assist the City with this important project. Should you have any questions or require further information, please do not hesitate to contact our office.

Very truly yours,

HAZEN AND SAWYER,

J. Philip Cooke, P.E.
Senior Associate
