### UTILITY CARGO VAN SPECIFICATION #34

#### 2018 Chevrolet Express Cargo Van (CG23405)

The Chevrolet Express Cargo Van (CG23405) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	★Northern	★Central	Southern
BASE PRICE:	\$20,525.00	\$20,275.00	\$20,225.00	\$21,007.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

If the **Contract Registration Page** reflects the purchase of **Platinum or Silver**, **Coverage** under this **Contract** begins on the **Contract Purchase Date** unless the **Contract Purchase Date** is more than 10 days after the **Vehicle Purchase Date**, then a **MANDATORY "WAITING PERIOD"** will apply before **Coverage** begins as explained below. This **Contract** will expire according to the **Term Months and/or Miles**, whichever occurs first, as shown on the **Registration Page**, and/or when the **Limits of Liability** for the **Contract** have been reached.

- Expiration is measured in time from the **Contract Purchase Date** and expiration mileage is derived by adding **Miles of Coverage** as shown on the **Registration Page** to the **Odometer Mileage** at **Contract Purchase Date**. Maximum expiration mileage is 150,000 **Odometer Miles**.

- **The "WAITING PERIOD" is 30 days and 1,000 miles from the Contract Purchase Date. However, an additional 30 days and 1,000 miles will be added to Your Contract's scheduled expiration. Therefore the Waiting Period will not reduce the actual time/mileage during which You have Coverage. Coverage will commence the day following the Waiting Period. Claims incurred during the Waiting Period are not covered.**

**PLATINUM WRAP COVERAGE PLANS**

If the Contract Registration Page reflects the purchase of Platinum Wrap, Coverage under this Contract begins on the Contract Purchase Date and will expire according to the Term Months and/or Miles, whichever occurs first, as shown on the Registration Page, and/or when the Limits of Liability for the Contract have been reached.

- Expiration is measured in time from the Vehicle's In-Service Date and expiration mileage is reached when the Vehicle's odometer reaches the mileage indicated in Term Miles on the Registration Page, whichever occurs first. If the Vehicle In-Service Date box is blank on Your Registration Page, expiration is measured in time from January 1st of the Vehicle's model year and expiration mileage is reached when the Vehicle's odometer reaches the mileage indicated in Term Miles on the Registration Page, whichever occurs first.

**2. COVERAGE**

The Coverage afforded You for Your Vehicle is fully described in this Contract. Please see section: "Schedule of Coverages" of this Contract.

**3. BREAKDOWN OF COVERED PARTS**

Additionally, should Your permanent residence move more than 100 miles, You may contact the Administrator for assistance in changing Your Selling Chevrolet, Buick, GMC, Cadillac Dealer designation. If the Deductible box is blank on Your Registration Page, Your Deductible is \$100.

**6. TERRITORY**

This Contract applies only to Breakdowns that occur and repairs made within the United States of America and Canada.

**7. LIMITS OF LIABILITY**

In no event will the liability for each Breakdown, under this Contract, exceed the average retail value of the Vehicle established by NADA (Official Used Car Guide) at the time immediately preceding the Breakdown. The established value of the Vehicle does not take into consideration the cost of repairs and no deduction for the cost of repairs is to be taken from the published value. In no event shall We or the Administrator have any liability for injury to or death of any person arising out of any services rendered or parts provided (or any failure to render service or provide parts) under this Contract and/or otherwise in connection with the operation, maintenance or use of Your Vehicle described in this Contract.

**8. MAINTENANCE REQUIREMENTS**

You must have Your Vehicle serviced as recommended by the Vehicle's manufacturer. If requested, proof of required service including verifiable receipts proving purchases of all required parts and materials necessary to perform the required maintenance; confirming the date and mileage for the services performed. Maintenance and/or service work receipts may be requested by the Administrator. Upon customarily and reasonable notice of the occurrence of a Breakdown, You shall protect Your Vehicle from further damage, whether or not such Breakdown is covered by this Contract. Any operation of the Vehicle that results in further damage, related to the original Breakdown, shall be considered Your failure to protect the Vehicle and shall not be covered under this Contract. You are responsible for making sure the oil warning light/gauge and the temperature warning light/gauge are functioning before driving the Vehicle. You are required to safely pull Your Vehicle off the road and shut off the engine immediately when either of these lights/gauges indicates a problem. You must give Your authorization to the repair facility for teardown to diagnose a problem. You may be required to supply the Administrator with all maintenance records for service performed on the Vehicle, when the maintenance involved relates to the specific Breakdown or to verify odometer operation.

**9. TRANSFER OF YOUR VEHICLE SERVICE CONTRACT**

- a. Your Contract is transferable to the person You sell or otherwise transfer Your Vehicle to while this Contract is still in force. This Contract cannot be transferred if the title transfer of Your Vehicle passes through an entity other than the subsequent buyer, or Your Vehicle is sold or traded to a dealership, leasing agency or entity/individual in the business of selling vehicles. This Contract cannot be transferred on a leased Vehicle, unless original lessee is purchasing the Vehicle. This Contract can only be transferred once and the transfer must be made by the original Contract Holder.

  - \$75.00 Transfer Fee (\$40.00 Florida Only) made payable to the Administrator.
- c. Any remaining manufacturer's warranty must also be transferred at the same time as Vehicle ownership transfer.

**10. SUBROGATION**

You are entitled to complete reimbursement for Your loss before the Administrator is entitled to subrogation proceeds. You agree that We, after honoring a claim on Your Contract, have all rights of subrogation against those who may be responsible for Your Breakdown and You agree to provide reasonable assistance to secure such rights.

**11. RENEWABLE COVERAGE**

All Vehicle Service Contracts may be replaced upon expiration in accordance with the guidelines outlined in the Contract. The request for replacement must be made at least 30 days and/or 1,000 miles before the expiration of the Vehicle Service Contract to qualify for a Replacement Contract.
