City of Hollywood
Injection Well MIT and Cleaning
Recommendation for Award
City Project No. 16-9938

Dear Mr. Jiang:

We have reviewed the bid proposal documents opened on June 15, 2017 for the subject project and summarized them in the attached Bid Tabulation. The apparent low bidder, All Webbs Enterprises, Inc., was evaluated for their overall technical ability to perform the work proposed by our design documents. Our review did not include a determination of bidder responsiveness; however, all requested proposal items were submitted.

We have reviewed references identified by the apparent low bidder and have performed construction management services on projects with this bidder as the contractor. Based upon our past working experience with this contractor on our review of their submitted bid, we consider this contractor responsible and qualified to perform the work described in the contract documents. As such, we recommend that the Southern Regional Wastewater Treatment Plant Injection Well Mechanical Integrity Testing and Cleaning contract be awarded to All Webbs Enterprises, Inc.

We appreciate the opportunity to assist the City with this important project. Should you have any questions or require further information, please do not hesitate to contact our office.

Very truly yours,

HAZEN AND SAWYER,

Michael W. Wengrenovich, P.E.
Senior Associate
