Hi Tammie,

Public Officials Liability – the expiring premium is \$174,069. With open claims (wrongful termination & civil complaint) and depending on how these claims develops, expect 25% to 50% increase plus any exposure increase (this is a conservative estimate). At 25% increase, the estimated premium would be about \$217,586 and at 50% increase, it would be around \$261,104.

Kind regards,

Bing,

This will not go before Commission until December 6, 2023. What is the premium estimated to be so that I may estimate appropriately.
