### Summary

This is a low mileage, well kept side loader trash truck in good operating order with no known defects. There are no industry publications that establish the values of these special application vehicles. I researched the value by calling various truck and trash truck dealers and getting valuations from experienced salespeople familiar with this type of equipment. I also researched online sales for comparatives and used all of these sources to establish a fair market value of the above vehicle

After careful evaluation of this vehicle, based on my expertise and experience, and when necessary consulting Old Cars Price Guide, NADA, Kruse International Auction Results, The Production Figure Book of US Cars, the International Vehicle Appraisers Network database, museums and other professional appraisers and automotive experts, I estimate this vehicle as having a cash value of \$ \$122,500.00 .

I hereby state that I have no financial interest, ownership or employment in/with any firm engaged in the purchase, sale, insurance or transport of motorized vehicles nor in any firm engaged in the repair or restoration of motorized vehicles. I further state that I have received no compensation for this appraisal, from any source, other than my fee of \$ 250.00 \_\_\_\_ . Therefore I have no actual or potential conflict of interest in providing this appraisal.

Signed:

 Daniel M. Schloss

**Description**

Mechanical condition: 10

**Description of Vehicle**

This 2008 Peterbilt Side Loader Waste Truck is powered by the 10.8L Cummings engine and Allison automatic transmission.

With only 5,433 miles on the odometer and 362 hours on the clock, this truck is in "like-new" condition.

This single rear axle truck carries a McNeilus 22 cubic yard body that is in excellent condition.

The frame and all areas underneath are rust free and collision free.

This truck has no engine, transmission, or rear axle oil leaks.

The exterior body panels are in excellent condition. The paint and fit and finish on this vehicle is excellent.

Cab and interior are in excellent condition. The interior upholstery and trim panels of the vehicle are in excellent condition. All the gauges, switches are in full operational condition. The dashboard and dash pad are in factory new condition.

One area where this truck needs attention is in the flat right side rear tires.

Overall, this is one of the cleanest, commercial trucks around.

Vehicle questions may be directed to Joel Wall, Fleet Management Coordinator at 954-967-4555 or via email at jwall@hollywoodfl.org

Vehicle viewing by scheduled appointment only at 1600 South Park Road, contact Joel Wall to schedule an appointment.

This vehicle is being sold as is, no warranty expressed or implied in any manner.

Winning bidder must provide removal and transportation of the vehicle at their own expense.

Winning bidder must pay for and remove the vehicle from City of Hollywood property within seven (7) business days after notification of winning the bid.
