WHEREAS, currently the Department of Parks, Recreation and Cultural Arts rate schedule and fees are spread out among several Resolutions previously passed and adopted by the City Commission; and

WHEREAS, City staff has reviewed the multiple resolutions for the Department of Parks, Recreation and Cultural Arts rate schedule and fees and has determined that in order to minimize confusion and simplify the process for those users of the Department's various facilities, activities and programs, the establishment of a new cohesive rate schedule and fee structure should be established; and

WHEREAS, the Department has also determined that several fees that have not been used in many years should be eliminated and/or replaced by more equitable fees as based on similar fees charged by surrounding municipalities ; and

WHEREAS, the Department of Parks, Recreation and Cultural Arts (PRCA) has, from time to time, proposed changes to the various fees in order to help recover a portion of the expenses budgeted annually which supports the PRCA's current recreation programs and events; and

WHEREAS, the last Recreation rate increase approved by the City Commission was in September 2011 pursuant to Resolution No. R-2011-213; and

WHEREAS, the last Marina rate increase approved by the City Commission was in July 2008 pursuant to Resolution No. R-2008-231; and

WHEREAS, the last Golf rate increase approved by the City Commission was in June 2011 pursuant to Resolution No. R-2011-129; and

WHEREAS, the streamlined fee structure will be more customer friendly and will help supplement the City's allocation of General Fund dollars for various programs and services within PRCA;

NOW, THEREFORE, BE IT RESOLVED, BY THE CITY COMMISSION OF THE CITY OF HOLLYWOOD, FLORIDA:
