The Hollywood Marina Dockmaster currently has several vessel owners who have breached their dockage agreements and in order to institute the appropriate civil action, including but not limited to in rem and in personam actions pursuant to state and federal law and in conjunction with the United States Marshal, if required, the City Attorney must have the authorization of the City Commission as per Section 7.02(b)(4) of the City Charter. The Department of Parks, Recreation and Cultural Arts has requested that the City Attorney's Office pursue recovery of the delinquent fees as well as possibly obtaining ownership of the vessels.
