WHEREAS, Lift Station A-6 has been in service for more than 30 years and is approaching its end of life cycle; and

WHEREAS, the capacity of the existing pumps at Lift Station A-6 needs to be upsized to accommodate additional sewer flow from the Triangle Professional Building Corp. III at 4150 Davie Road Extension; and

WHEREAS, Lift Station A-6 was installed and operated as a self-priming package station and needs to be converted to a submersible-type lift station to meet current lift station standards; and

WHEREAS, the second bidder, Comtech Engineering, Inc., was determined to be the lowest responsive and responsible bidder; and

WHEREAS, a Notice of Intent to Award related to the project was posted on the City of Hollywood website and on DemandStar on June 14, 2016 and resulted in no bid protests; and
