RE: LWCF Grant Application – Keating Park

Dear Ms. Bright:

The City of Hollywood is requesting \$750,000 in LWCF funding to assist with the completion of the Keating Park project. The City of Hollywood Community Redevelopment Agency will provide the required 100% local matching funds in the amount of \$750,000 if the project is awarded.

Estimates for the project were determined from an opinion of probable cost, which was developed by the design consultant who is preparing the project plans.

As a matter of practice, the City will comply with all applicable federal funding requirements, including those of the Build America/Buy America Act.

Please contact the project liaison, Sarita Shamah, CRA Senior Project Manager, if you have questions or need additional information about the project. Ms. Shamah can be reached at 954-924-2980 or via email at SSHAMAH@hollywoodfl.org.

The City of Hollywood appreciates the FDEP's continued support of its recreational projects, and we look forward to working with you.

Sincerely,

DocuSigned by:
