Al Roop, Assistant Director
IPTM
University of North Florida
12000 Alumni Drive
Jacksonville, FL 32224

Dear Mr. Roop,

On behalf of the Hollywood Police Department, we are interested in participating in the Alert Today Florida's High Visibility Enforcement for Pedestrian and Bicycle Safety program, and would appreciate the support from your organization. The ability to provide officers overtime hours to increase presence, visibility, and awareness to our citizens, we hope will have a direct impact on the safety of our pedestrians and bicyclists. We request the full funding available, in the amount of \$37,486.36 for this initiative.

The 12 intersections identified in the FDOT Report, within our city limits which would benefit from the overtime hours are:

1. Griffin Road from State Road 7 to SW 45th Avenue (642 Feet / .12 miles)
2. Hollywood Boulevard from I-95 to S 28th Avenue (1,418 feet / .27 miles)
3. S State Road 7 from Hollywood Boulevard to Washington Street (2,679 feet / .51 miles)
4. N Ocean Drive from Johnson Street to Sheridan Street (5,464 Feet / 1.03 miles)
5. Sheridan Street, 300 feet west of US-1 to 300 feet east of US-1 (297 Feet / .06 miles)
6. Sheridan Street from N 26th Avenue to N 24th Avenue (1,359 feet / .26 miles)
7. Federal Highway from Johnson Street to Harding Street (3,325 feet / .63 miles)
8. Federal Highway from Madison Street to Tyler Street (2,597 feet / .49 miles)
9. N State Road 7 from West Park Road to Atlanta Street (2,636 feet / .50 miles)
10. S State Road 7 from Pembroke Road to Wiley Street (1,109 feet / .21 miles)
11. Federal Highway from Pembroke Road to Wiley Street (1,055 feet / .20 miles)
12. Johnson Street from N 64th Avenue to 59th Avenue (3,333 feet / .63 miles)

Any consideration allotted for the Hollywood Police Department to participate in your program, and receive this grant funding, would be greatly appreciated.

Sincerely,

CHRIS O'BRIEN
Chief of Police
