"Equipment" means a hardware and systems software configuration meeting the "Equipment" criteria set forth in Exhibit 1.

"Exhibit 1" means, collectively: (i) The schedule attached to this Agreement which is marked as "Exhibit 1," including all attached Software Supplements; and (ii) any schedule also marked as "Exhibit 1" (also including any attached Software Supplements) that is attached to any amendment to this Agreement. If any terms of a Software Supplement conflicts with any other terms of this Agreement, the terms of the Software Supplement will control.

"Source Code" means computer programs written in higher-level programming languages,

sometimes accompanied by English language comments and other programmer documentation.

2. Right to Grant License and Ownership. SunGard Public Sector has the right to grant Customer this license to use the Software. Except as otherwise indicated in a Software Supplement, SunGard Public Sector owns the Software.

3. License. Subject to the terms and conditions of this Agreement, SunGard Public Sector grants Customer a perpetual, non-exclusive, non-transferable license to use and copy for use the Software on the Equipment within the United States of America for Customer's own, non-commercial computing operations. Any rights not expressly granted in this Agreement are expressly reserved.

(a) **Source Code.** SunGard Public Sector has placed the Source Code for those SunGard Public Sector-proprietary (as opposed to third party-owned) Component Systems identified in Exhibit 1 in escrow with Iron Mountain Intellectual Property Management ("Iron Mountain") pursuant to a Source Code Escrow Agreement between Iron Mountain and SunGard Public Sector ("Escrow Agreement"). SunGard Public Sector updates such Source Code escrow deposits at least once a calendar year. Such Source Code will only be made available on the release terms of the Escrow Agreement, and only to those SunGard Public Sector licensees that have elected to be named "Preferred Beneficiaries" under the Escrow Agreement by executing a Preferred Beneficiary Acceptance Form and paying Iron Mountain the beneficiary fee specified by Iron Mountain (as of the Execution Date, approximately \$700 per year). SunGard Public Sector will provide Licensee with a copy of the Preferred Beneficiary Acceptance Form at Licensee's request.

(b) **Object Code.** Customer has right to use the Software in Object Code form. Customer also has the right to use the Software in Object Code form temporarily on another SunGard Public Sector-supported configuration, for disaster recovery of Customer's computer operations.

(c) **Documentation.** Except as otherwise provided for in the applicable Software Supplement, Customer can make a reasonable number of copies of the documentation for each Component System for its use in accordance with the terms of this Agreement.

(d) **Restrictions on Use of the Software.** Customer is prohibited from causing or permitting

the reverse engineering, disassembly or decompilation of the Software. Customer is prohibited from using the Software to provide service bureau data processing services or to otherwise provide data processing services to third parties. Customer will not allow the Software to be used by, or disclose all or any part of the Software to, any person except Customer Employees. Without limiting the foregoing, Customer is permitted to allow use of the input and/or output sensory displays of or from the Software by third parties on a strict "need to know" basis, and such use will not be deemed a non-permitted disclosure of the Software. Customer will not allow the Software, in whole or in part, to be exported outside of the United States of America, in any manner or by any means, without in each instance obtaining SunGard Public Sector's prior written consent and, if required, a validated export license from the Office of Export Administration within the U.S. Department of Commerce and such other appropriate United States governmental authorities.

(e) **Intellectual Property Rights Notices.** Customer is prohibited from removing or altering any of the Intellectual Property Rights notice(s) embedded in or that SunGard Public Sector otherwise provides with the Software. Customer must reproduce the unaltered Intellectual Property Rights notice(s) in any full or partial copies that Customer makes of the Software.

4. Services.

(a) **Generally.** SunGard Public Sector will provide Customer with the information services identified in Exhibit 1, for the fees provided in Exhibit 1

(b) **Additional Services.** SunGard Public Sector can also provide Customer with additional information services, at SunGard Public Sector's then-current rates, or at such other rates as are agreed to by the parties in an amendment to this Agreement.

(c) **Workmanlike Skills.** SunGard Public Sector will render all services under this Agreement in a professional and workmanlike manner. SunGard Public Sector will promptly replace any SunGard Public Sector personnel that are rendering services on-site at a Customer facility if Customer reasonably considers the personnel to be unacceptable and provides SunGard Public Sector with notice to that effect, provided that such replacement does not violate

any law or governmental regulation applicable to such personnel replacement.

(d) Conditions On Providing Services. In each instance in which SunGard Public Sector is providing Customer with services, SunGard Public Sector and Customer will develop a project plan that identifies each party's responsibilities for such services. The project plan will describe in detail the tentative schedule and the scope of services that SunGard Public Sector will provide. Customer will establish the overall project direction, including assigning and managing the Customer's project personnel team. Customer must assign a project manager who will assume responsibility for management of the project. Customer must ensure that the Equipment is operational, accessible and supported at the times agreed to by the parties in the project plan. While SunGard Public Sector is providing such services, Customer must provide SunGard Public Sector with such facilities, equipment and support as are reasonably necessary for SunGard Public Sector to perform its obligations, including remote access to the Equipment.

5. Delivery. Except as otherwise provided in Exhibit 1, SunGard Public Sector will deliver all Component Systems to Customer at the Delivery Address.

6. Payment and Taxes.

(a) Payment. All fees and payments required under this Agreement are contingent upon an annual appropriation by the City Commission as set forth in Chapter 30 of the Code of Ordinances. If sufficient funds are not appropriated and budgeted in any fiscal period for payments due under the Agreement, then Customer will immediately notify SunGard Public Sector of such occurrence and SunGard Public Sector will notify Customer that SunGard Public Sector's obligation to provide Customer with services, and Customer's obligation to obtain services from SunGard Public Sector, will expire effective on the last day of the fiscal period for which appropriations were received.

(i) License Fees. Fees for the Software will be due to SunGard Public Sector as provided for in Exhibit 1.

(ii) Professional Services Fees. Fees for the Professional Services will be due to SunGard Public Sector as provided in Exhibit 1

(iii) Travel Reimbursement. Customer will reimburse SunGard Public Sector for actual travel and living expenses that SunGard Public Sector incurs in providing Customer with services under this Agreement. Such travel and living expenses will be governed by SunGard Public Sector's Corporate Travel and Expense Reimbursement Policy, will be invoiced on a monthly basis in arrears and will be due pursuant to Chapter 218, Part VII, Florida Statutes, "Local Government Prompt Payment Act."

(iv) Late Charge. Any late charges shall be pursuant to Chapter 218, Part VII, Florida Statutes, "Local Government Prompt Payment Act."

(b) Taxes. Customer is responsible for paying all taxes (except for taxes based on SunGard Public Sector's net income or capital stock) relating to this Agreement, the Software, any services provided or payments made under this Agreement. Applicable tax amounts (if any) are NOT included in the fees set forth in this Agreement. If Customer is exempt from the payment of any such taxes, Customer must provide SunGard Public Sector with a valid tax exemption certificate; otherwise, absent proof of Customer's direct payment of such tax amounts to the applicable taxing authority, SunGard Public Sector will invoice Customer for and Customer will pay to SunGard Public Sector all such tax amounts.

(c) Customer acknowledges that SunGard Public Sector makes every effort to schedule training and project management sessions sufficiently in advance to make effective use of SunGard Public Sector's personnel and to obtain favorable prices for travel and living. Accordingly, the following cancellation charges apply to training and on-site project management sessions canceled at the request of Customer: Cancellation within seven (7) days of start date, Customer pays fifty percent (50%) of the total price for the training or on-site project management; cancellation within three (3) days of start date, Customer is responsible for entire price of the training or on-site project management. In addition to the foregoing, Customer shall be obligated to reimburse SunGard Public Sector for any non-refundable expenses incurred by SunGard Public Sector for travel expenses. Notwithstanding the above, SunGard Public Sector will endeavor to reschedule SunGard Public Sector personnel in order to mitigate Customer's costs and expenses under this paragraph. To the extent SunGard Public Sector

is successful in such rescheduling, Customer's payment obligations shall be reduced.

7. Limited Warranty, Disclaimer of Warranty and Election of Remedies.

(a) **Limited Software Warranty by SunGard Public Sector and Remedy For Breach.** For each Component System, SunGard Public Sector warrants to Customer that, for a period of eighteen (18) months after the Delivery Date, the Baseline Component System, as used by Customer on the Equipment for its own, non-commercial computing operations, will operate without Defects. For each Defect, SunGard Public Sector, as soon as reasonably practicable and at its own expense, will provide Customer with an avoidance procedure for or a correction of the Defect. If, despite its reasonable efforts, SunGard Public Sector is unable to provide Customer with an avoidance procedure for or a correction of a Defect, then, subject to the limitations set forth in Section 16 of this Agreement, Customer may pursue its remedy at law to recover direct damages resulting from the breach of this limited warranty. These remedies are exclusive and are in lieu of all other remedies, and SunGard Public Sector's sole obligations for breach of this limited warranty are contained in this Section 7(a).

(b) **Disclaimer of Warranty.** The limited warranty in Section 7(a) is made to Customer exclusively and is in lieu of all other warranties. **SUNGARD PUBLIC SECTOR MAKES NO OTHER WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, WITH REGARD TO ANY SERVICES PROVIDED UNDER THIS AGREEMENT AND/OR THE SOFTWARE, IN WHOLE OR IN PART. SUNGARD PUBLIC SECTOR EXPLICITLY DISCLAIMS ALL WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE. SUNGARD PUBLIC SECTOR EXPRESSLY DOES NOT WARRANT THAT THE SOFTWARE, IN WHOLE OR IN PART, WILL BE ERROR FREE, WILL OPERATE WITHOUT INTERRUPTION OR WILL BE COMPATIBLE WITH ANY HARDWARE OR SOFTWARE OTHER THAN THE EQUIPMENT. CUSTOMER WAIVES ANY CLAIM THAT THE LIMITED WARRANTY SET FORTH IN SECTION 7(A) OR THE REMEDY FOR BREACH OF SUCH LIMITED WARRANTY FAILS OF ITS ESSENTIAL PURPOSE.**

(c) **Abrogation of Limited Warranty.** The limited warranty in Section 7(a) will be null and void if: (i) anyone (including Customer) other than SunGard Public Sector modifies the Baseline Component System; or (ii) Customer does not implement changes that SunGard Public Sector provides to correct or improve the Baseline Component System. If despite any modification of the Component System, SunGard Public Sector can replicate the reported problem in the Baseline Component System as if the problem were a Defect, then SunGard Public Sector will nonetheless provide Customer with an avoidance procedure for or a correction of that reported problem for use in the Baseline Component System as though the reported problem were a Defect.

(d) FAILURE OF ESSENTIAL PURPOSE. THE PARTIES HAVE AGREED THAT THE LIMITATIONS SPECIFIED IN SECTIONS 7 AND 16 WILL SURVIVE AND APPLY EVEN IF ANY LIMITED REMEDY SPECIFIED IN THIS AGREEMENT IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE, AND REGARDLESS OF WHETHER CUSTOMER HAS ACCEPTED ANY SOFTWARE OR SERVICE UNDER THIS AGREEMENT.

8. Confidential Information. SunGard Public Sector hereby acknowledges that as Customer is a governmental entity, this Agreement is subject to Chapter 119, Florida Statutes, "Public Records Law." Any confidentiality relating to the disclosure of information and software will be in accordance with Chapter 119, Florida Statutes. A party in possession of the other party's Confidential Information will protect the confidentiality of the information using the same degree of care that it uses to protect its own information of similar importance, but will in any case use no less than a reasonable degree of care to protect such information and will disclose such information only to its employees or agents under its control and direction in the normal course of its business and only on a need-to-know basis.

9. Indemnity by SunGard Public Sector. SunGard Public Sector at its own expense, shall defend and hold harmless the Customer, its officers, agents and employees from and against any and all claims that the Software and Baseline Component System supplied by SunGard Public Sector infringes a U.S. Patent or copyright. SunGard Public Sector shall pay all costs, damages and attorney's fees that a court awards as a result of such claim, including those fees at any trial and appellate level provided that

Customer: (1) Gives SunGard Public Sector prompt written notice of any such claim; and (2) SunGard Public Sector is given sole control of the defense of such claim; and (3) Any settlement negotiations and settlements relating to such claim must be authorized by the City Attorney of Hollywood, Florida and approved by the City Commission of which said authorization and approval will not be unreasonably withheld; and (4) Customer shall reasonably cooperate with SunGard Public Sector in the defense of such claim or action. The Customer agrees to allow SunGard Public Sector, at SunGard Public Sector's option and expense, if such claim has occurred or in SunGard Public Sector's judgment, is likely to occur, to procure the right for the Customer to continue using the Software and Baseline Component System or to replace or to modify them so that they become non-infringing. If use of the Software and Baseline Component System supplied by SunGard Public Sector to the Customer is enjoined by an infringement proceeding, SunGard Public Sector, shall, if possible, obtain without unreasonable expense the right of License for the Customer to use the Software and Baseline Component System or if that is not possible, SunGard Public Sector shall refund to the Customer the fees paid under this Agreement for the particular Software and Baseline Component System that is determined to be infringing along with any maintenance and support fees that attach to the Software and Baseline Component System. SunGard Public Sector shall have no obligation with respect to any claim based upon the Customer's modification of the Software. **THE FOREGOING IS SUNGARD PUBLIC SECTOR'S EXCLUSIVE OBLIGATION WITH RESPECT TO INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS.**

10. Term and Termination.

(a) Right of Termination. A party has the right to terminate this Agreement if the other party breaches a material provision of this Agreement. Either party has the right to terminate this Agreement at any time while an event or condition giving rise to the right of termination exists. To terminate this Agreement, the party seeking termination must give the other party notice that describes the event or condition of termination in reasonable detail. From the date of its receipt of that notice, the other party will have thirty (30) days to cure the breach to the reasonable satisfaction of the party desiring termination. If the event or condition giving rise to the right of termination is not cured within that period, this Agreement will automatically be deemed

terminated at the end of that period. However, notice to SunGard Public Sector of a suspected Defect will not constitute a notice of termination of this Agreement.

(b) Effect of Termination. Upon termination of this Agreement by either party, Customer will promptly return to SunGard Public Sector or (at SunGard Public Sector's request) will destroy all copies of the Software, and will certify to SunGard Public Sector in writing, over the signature of a duly authorized representative of Customer, that it has done so.

(c) Survival of Obligations. All obligations relating to non-use and non-disclosure of Confidential Information and indemnity will survive termination of this Agreement.

(d) Termination Without Prejudice to Other Rights and Remedies. Termination of this Agreement will be without prejudice to the terminating party's other rights and remedies pursuant to this Agreement.

11. Notices. All notices and other communications required or permitted under this Agreement must be in writing and will be deemed given when: Delivered personally; sent by United States registered or certified mail, return receipt requested; transmitted by facsimile confirmed by United States first class mail; or sent by overnight courier. Notices must be sent to a party at its address shown on the first page of this Agreement, or to such other place as the party may subsequently designate for its receipt of notices.

12. Force Majeure. Neither party will be liable to the other for any failure or delay in performance under this Agreement due to circumstances beyond its reasonable control, including Acts of God, acts of war, accident, labor disruption, acts, omissions and defaults of third parties and official, governmental and judicial action not the fault of the party failing or delaying in performance.

13. Assignment. Neither party may assign any of its rights or obligations under this Agreement, and any attempt at such assignment will be void without the prior written consent of the other party. For purposes of this Agreement, "assignment" will include use of the Software for benefit of any third party to a merger, acquisition and/or other consolidation by, with or of Customer, including any new or surviving entity that results from such merger, acquisition and/or other consolidation. However, the following will not be considered

"assignments" for purposes of this Agreement: SunGard Public Sector's assignment of this Agreement or of any SunGard Public Sector rights under this Agreement to SunGard Public Sector's successor by merger or consolidation or to any person or entity that acquires all or substantially all of its capital stock or assets; and SunGard Public Sector's assignment of this Agreement to any person or entity to which SunGard Public Sector transfers any of its rights in the Software.

14. **No Waiver.** A party's failure to enforce its rights with respect to any single or continuing breach of this Agreement will not act as a waiver of the right of that party to later enforce any such rights or to enforce any other or any subsequent breach.

15. **Choice of Law; Severability.** This Agreement will be governed by and construed under the laws of the State of Florida, without reference to the choice of laws provisions thereof. If any provision of this Agreement is illegal or unenforceable, it will be deemed stricken from the Agreement and the remaining provisions of the Agreement will remain in full force and effect.

16. **LIMITATIONS OF LIABILITY.**

(a) **LIMITED LIABILITY OF SUNGARD PUBLIC SECTOR.** SUNGARD PUBLIC SECTOR'S LIABILITY IN CONNECTION WITH THE SOFTWARE, ANY SERVICES, THIS LICENSE OR ANY OTHER MATTER RELATING TO THIS AGREEMENT WILL NOT EXCEED THE FEE THAT CUSTOMER ACTUALLY PAID TO SUNGARD PUBLIC SECTOR (OR, IF NO DISCRETE FEE IS IDENTIFIED IN EXHIBIT 1, THE FEE REASONABLY ASCRIBED BY SUNGARD PUBLIC SECTOR) FOR THE COMPONENT SYSTEM OR SERVICES GIVING RISE TO THE LIABILITY

(b) **EXCLUSION OF DAMAGES.** REGARDLESS WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE OR OTHERWISE, IN NO EVENT WILL SUNGARD PUBLIC SECTOR BE LIABLE TO CUSTOMER FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, WHETHER BASED ON BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR OTHERWISE, AND WHETHER OR NOT SUNGARD PUBLIC SECTOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

(c) **BASIS OF THE BARGAIN.** CUSTOMER ACKNOWLEDGES THAT SUNGARD PUBLIC SECTOR HAS SET ITS FEES AND ENTERED INTO THIS AGREEMENT IN RELIANCE UPON THE LIMITATIONS OF LIABILITY AND THE DISCLAIMERS OF WARRANTIES AND DAMAGES SET FORTH IN THIS AGREEMENT, AND THAT THE SAME FORM AN ESSENTIAL BASIS OF THE BARGAIN BETWEEN THE PARTIES.

17. **Entire Agreement.** This Agreement contains the entire understanding of the parties with respect to its subject matter, and supersedes and extinguishes all prior oral and written communications between the parties about its subject matter. Any purchase order or similar document which may be issued by Customer in connection with this Agreement does not modify this Agreement. No modification of this Agreement will be effective unless it is in writing, is signed by each party, and expressly provides that it amends this Agreement.

General Project Conditions are as follows:

GENERAL PROJECT CONDITIONS

General Project Conditions - Applies to Entire Project

- Item 1:** This Agreement is based on the assumption that a Windows 2000 or higher Domain is already in place and functional. If this is not the case, the Customer is required to provide all necessary equipment and services for such implementation.
- Item 2:** The Customer shall provide a certified TCP/IP network with all communications equipment and any other required components. The cabling of this network, installation of punch down panels, hubs, routers, etc. will be the responsibility of the Customer. Additionally, the Customer is responsible for acquiring software that is needed for monitoring and maintaining the network.
- Item 3:** SunGard Public Sector always recommends the highest performance connection for all LAN and WAN connections. Listed below are SunGard Public Sector's recommendations in order of highest throughput:
- a. 1 Gb CAT5 (LAN) or Fiber (WAN)
 - b. 100 Mb CAT5 (LAN) or Fiber (WAN)
 - c. 10 Mb CAT5 (LAN) or Fiber (WAN)
 - d. Line of Site Technology
- Item 4:** If applicable, all RMS/JMS Workstations must be connected to a 10 Mb/sec or faster TCP/IP LAN. SunGard Public Sector recommends a 100 Mb/sec Switched LAN for optimum performance.
- Item 5:** If applicable, all CAD Workstations must be connected to a dedicated 100 Mb/sec switched TCP/IP LAN.
- Item 6:** The Customer is responsible for the physical placement of all CAD and/or RMS/JMS workstations and certifying that they are operational on the Customer's network. SunGard Public Sector will load our CAD and/or RMS/JMS software on up to five (5) CAD and/or RMS/JMS workstations and train the Customer on the loading process.
- Item 7:** SunGard Public Sector's CAD Application Software interfaces with the E911 telephone switch via an RS-232 Serial Cable. The Customer must provide this cable (with accurate pin-outs) to connect their E911 ALI Controller's CAD Port to the SunGard Services Workstation's serial port. The maximum length of this cable is 50 feet. In the event that a single CAD Server is servicing multiple communication centers (one CAD Server and multiple E911 ALI sources), a SunGard Public Sector Services Workstation will be required for each PSAP for proper ALI functionality. The Customer must also provide SunGard Public Sector with accurate ALI interface data formats from their E911 Vendor
- Item 8:** In acquiring SunGard Public Sector's Message Switch and Mobile Software, the Customer is responsible for all of the associated costs for wireless, WAN and LAN communication with the local provider/State/NCIC networks. This may include the following:
- i. Dedicated Line
 - ii. Any encryption to meet State and FBI requirements
 - iii. DSU to State
 - iv. Any wireless carrier charges and setup
 - v. Any installation Charges

- vi. Recurring charges or costs
- vii. Surcharges by the State

Item 9: The Customer shall implement an Uninterruptible Power Supply (UPS) system for all servers and all CAD workstations. This can be at the machine level or at the site level. SunGard Public Sector recommends the use of an enterprise level Master UPS and external generator for full power backup.

Item 10: SunGard Public Sector software is designed for use with laser jet printers for report output in order to utilize the wider margins available. Report output on non-laser printers (inkjet, dot-matrix, etc.) may be adequate, but is not guaranteed by SunGard Public Sector

Item 11: Virtual Environment Platform

Infrastructure Overview.

The server hardware may be made up of physical servers, virtual servers (using VMware ESX), or a combination of the two, provided, however, that following conditions apply.

Customer and VMware are responsible for selecting the appropriate VMware application software and solution.

VMware supports a set of certified operating systems and hardware. Customer and VMware are responsible for any interactions and/or issues that arise at the hardware or operating system layer as a result of their use of VMware.

The use of a VMware virtual machine adds software overhead, which may impact performance or scalability. Any statements made by SunGard Public Sector on expected product performance on a hardware platform cannot be interpreted to apply to a virtual machine running on the same hardware platform. Customer must allocate at least an equivalent amount of virtualized resources to the OSSI systems in order to address performance issues. The VMware organization can provide information on how to tune your environment to maximize the performance within a virtual machine. If a performance issue is reported, the VMware layer, as well as the software, will be suspect in the research. Any research required on the VMware performance will be the responsibility of the County.

SunGard Public Sector will use commercially reasonable efforts to investigate potential issues with OSSI software running in conjunction with VMware. Where issues are confirmed to be unrelated to the VMware software, SunGard Public Sector will support its software in a manner that is consistent with support provided when that software is running natively under the host operating system.

Required and/or optional software vendors may not support VMware software. These vendors may require the issue to be reproduced independently from VMware software.

DATA ACCESS SUBSCRIPTION SUPPLEMENT

1. Additional Definitions.

"Agency" means any law enforcement organization that hosts an Agency Database on its own computer system and that makes its Agency Database available for query and retrieval access by other law enforcement agencies having a public service interest in obtaining the information contained on that Agency Database.

"Agency Database" means a compilation of data related to law enforcement, public safety or emergency activities, events or records, made available by an Agency for remote, electronic access. Each Agency maintains sole control over the nature and extent of access to its own Agency Databases.

"Data Sharing Network" means the combination of hardware, software and Agency Databases that enable Agencies to exchange data electronically through Internet protocols.

"Security System" means the combination of a User ID, an Agency Code and a password that uniquely identifies each individual using the Data Sharing Network, and that is required in order for such individual to obtain access to the Server and Agency Databases via the Server.

"Server" means the computer system maintained and operated by SunGard Public Sector Public Sector, and through which Users obtain remote access to Agency Databases.

"User" means Customer, and includes for purposes of this Supplement the User's employees and agents on a "need to know" basis. Where the Exhibit 1 to which this Supplement is attached identifies a limitation on the number of "Sworn Officers," the term "User" shall mean only that quantity of sworn police officers or State/NCIC query-certified officers employed by User. For the avoidance of doubt, no license is deemed granted to any person meeting the definition of "User" other than Customer itself. The right that any other User acting for on behalf of Customer has pursuant to this Supplement is derivative of Customer's right of use.

2. Access Subscription to Data Sharing Network. In connection with Customer's license to use the RMS Component Systems as otherwise provided for in the Agreement, Customer, as the "User," is also obtaining a subscription to access and use the Data Sharing Network, subject to the following additional terms and restrictions:

- a. For the term provided for in Section 2(b) below, Customer will have the right to access the Server to participate in and use the Data Sharing Network. Customer's subscription to use the Data Sharing Network (the "Subscription") permits Customer to send queries and to receive information from Agency Databases made available by other participating Agencies. In connection with the Subscription:
 - i. User may create on-line or printed reports of information retrieved from Agency Databases, and reproduce, reformat, print, display and distribute internally such reports, consistent with User's normal internal procedures.
 - ii. Notwithstanding the foregoing, User is prohibited from copying, distributing or displaying any information obtained from the Data Sharing Network for commercial sale, redistribution, broadcast or transfer, or to otherwise use such information in breach of any duty of confidentiality or privacy; and further, User is prohibited from allowing any other person or entity from using the information in any manner that is prohibited by the terms of this Supplement.
 - iii. User shall not, nor authorize or enable anyone else to, access the Server or use the Software or Data Sharing Network except as expressly permitted in this Supplement.

- b. The Subscription will be co-terminus with the term during which Customer is a subscriber to "Improvements" for the Baseline RMS Component Systems pursuant to the Software Maintenance Agreement entered into by the parties on or about the Execution Date. For the avoidance of doubt, neither Customer nor any User having access to the Data Sharing Network pursuant to Customer's Subscription will have any right to access the Data Sharing Network if Customer is no longer a subscriber to Improvements for the Baseline RMS Component Systems pursuant to the Software Maintenance Agreement.

3. Security System. User has sole responsibility and liability for the use and security of all user IDs, Agency Codes and passwords provided by it to any individual. User will comply with all policies and procedures established by SunGard Public Sector Public Sector from time to time related to the issuance, validation and use of individual passwords. User will promptly notify SunGard Public Sector Public Sector of the identity of the individual assigned to a particular password, of the cancellation or expiration of a password, and of the loss or misuse of any password or other Security System element. All passwords are subject to cancellation or suspension by SunGard Public Sector Public Sector at any time and without notice, if SunGard Public Sector Public Sector has reason to believe that a password has been or is being utilized in any manner or for any purpose not expressly authorized under this Supplement.

Each Agency Database and all information available through the Data Sharing Network is created by and is under the care, custody and control of, the individual Agencies that makes the same available to the Data Sharing Network. **SUNGARD PUBLIC SECTOR PUBLIC SECTOR DISCLAIMS ALL RESPONSIBILITY OR LIABILITY WHATSOEVER FOR THE CONTENT OF ANY AGENCY DATABASE OR RETRIEVED INFORMATION, FOR ITS ACCURACY, COMPLETENESS OR TIMELINESS OR FOR ANY DELAY OR NON-AVAILABILITY OF THE DATA SHARING NETWORK OR ANY DATA THEREIN. USER ACCEPTS SOLE RESPONSIBILITY FOR THE ACCURACY, COMPLETENESS AND TIMELINESS OF SUCH CONTENT, FOR ITS AVAILABILITY AND FOR ANY USE TO WHICH IT IS PUT OR RESULTS OBTAINED THEREFROM. CUSTOMER AGREES AND UNDERSTANDS THAT SUNGARD PUBLIC SECTOR MAKES NO WARRANTIES WHATSOEVER, EXPRESSED OR IMPLIED, WITH REGARD TO ANY INFORMATION USED, ACCESSED OR PLACED ON ANY AGENCY DATABASE, AND SUNGARD PUBLIC SECTOR EXPLICITLY DISCLAIMS ALL WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE IN CONNECTION THEREWITH.**

5. User Responsibilities.

- a. User is responsible for procuring, installing, and operating the individual computers used to access the Server, for providing a proper physical environment and software utilities (including PC Anywhere, as it may be updated from time to time) for such computers, for obtaining and installing an SunGard Public Sector-approved firewall and security system, for securing a dedicated Internet connection sufficient to meet User's data access needs and for providing such training and ongoing support services for individual users.
- b. User is solely responsible for adopting and maintaining procedures and security measures in connection with its use of the Data Sharing Network, any Agency Databases that it maintains, and in connection with any Agency Databases that it accesses. SunGard Public Sector has no responsibility and/or liability whatsoever for any: (1) security breaches or unauthorized access to the Data Sharing Network or to User's system, (2) interruption, delay, errors, or omissions of or in any Agency Database, or the results thereof, including (without limitation) examination and confirmation of data prior to use thereof, (3) provision for identification and correction of errors and omissions, (4) preparation and storage of backup data, and (5) replacement or reconstruction of lost or damaged data or media. - e. User warrants and represents that it has sufficient right and authority to grant SunGard Public Sector and other users access to its Agency Databases, to cooperate with SunGard Public Sector, as necessary, in the performance of this Agreement and to authorize and permit SunGard Public Sector to perform all work required to allow the Data Sharing Network access to User's Agency Databases (if applicable according to Section 6).

6. Agency Database Sharing. As part of the Subscription, Customer, as User, agrees to make its Agency Databases available to the Data Sharing Network. User shall host such Agency Databases on its server and shall cooperate if and when SunGard Public Sector, at its sole discretion, implements minor modifications reasonably required to provide Agency Database compatibility with and accessibility to the Data Sharing Network. Notwithstanding the foregoing, this Section 6 is not applicable where User has purchased a Non-RMS (view only) license and shall not be sharing any data on the P2P network (querying data from other agencies only). Notwithstanding anything to the contrary, User grants SunGard Public Sector permission to use the information contained in User's Agency Database to demonstrate solely to other law enforcement personnel the capabilities of the Data Sharing Network for purposes of increasing the number of departments utilizing the Data Sharing Network.

Accordingly, the parties agree as follows:

1. Incorporation By Reference. Sections 1 (Definitions), 8 (Confidential Information) and 11 through 15, inclusive (Notices, Force Majeure, Assignment, No Waiver and Choice of Law, Severability, respectively) of the License Agreement are incorporated into this Agreement by this reference as fully as if written out below. 2. Additional Definitions.

"Commencement Date" means the date specified in Exhibit 1 as the "Commencement Date."

3. Services.

(a) **Types of Services.** During the term of this Agreement, SunGard Public Sector will provide Customer with Maintenance for Component Systems, Enhancements of, and New Releases of each Baseline Component System and each Custom Modification identified in Exhibit 1

(b) **Limitations.** All Improvements will be part of the applicable Baseline Component System/Custom Modification, and will be subject to all of the terms and conditions of the License Agreement and this Agreement. SunGard Public Sector's obligation to provide Customer with Improvements for Baseline Component Systems owned by parties other than SunGard Public Sector is limited to providing Customer with the Improvements that the applicable third party owner provides to SunGard Public Sector for that Baseline Component System. Customer must provide SunGard Public Sector with such facilities, equipment and support as are reasonably necessary for SunGard Public Sector to perform its obligations under this Agreement, including remote access to the Equipment.

4. Payment and Taxes.

(a) **Maintenance Fees.** For the Improvements, Customer will pay SunGard Public Sector the amount provided for in Exhibit 1 as the "Payment Amount" for the first Contract Year. For each Contract Year subsequent to the initial Contract Year, SunGard Public Sector reserves the right to increase the Improvements fees, however, SunGard Public Sector shall notify Customer 90 days prior to any such increase. Customer shall have the right to terminate this Agreement if said increased fees are not acceptable to Customer. Fees for Improvements for a Baseline Component System/Custom Modification are due on the first day of the first month of the Contract Year for that Baseline Component System/Custom Modification. Any and all payments under this Agreement for the initial Contract Year and any subsequent years are contingent upon an annual appropriation by the City Commission as set forth in Chapter 30 of the Hollywood Code of Ordinances.

(b) **Additional Costs.** SunGard Public Sector shall notify Customer prior to any travel by SunGard Public Sector to determine if such travel is necessary under this Agreement. Upon approval of such travel, Customer will reimburse SunGard Public Sector for actual travel expenses that SunGard Public Sector incurs in providing

Customer with Improvements under this Agreement, with reimbursement to be on an as-incurred basis as set forth below.

Such travel expenses/costs shall be separately billed by SunGard Public Sector and paid by the Customer. All requests for "travel expenses" eligible for reimbursement under the terms of this Agreement shall include copies of paid receipts, invoices, or other documentation acceptable to the Customer's representative and to the Finance Department. Such documentation shall be sufficient to establish that the expense was actually incurred and necessary in the performance required under this Agreement by SunGard Public Sector.

(c) **Taxes.** Customer is responsible for paying all taxes (except for taxes based on SunGard Public Sector's net income or capital stock) relating to this Agreement, the Improvements, any services provided or payments made under this Agreement. Applicable tax amounts (if any) are NOT included in the fees set forth in this Agreement. If Customer is exempt from the payment of any such taxes, Customer must provide SunGard Public Sector with a valid tax exemption certificate; otherwise, absent proof of Customer's direct payment of such tax amounts to the applicable taxing authority, SunGard Public Sector will invoice Customer for and Customer will pay to SunGard Public Sector all such tax amounts.

(d) **Late Charges.** Any late charges shall be pursuant to Chapter 218, Part VII, Florida Statutes, "Local Government Prompt Payment Act."

5. **Term.** This Agreement will remain in full force and effect throughout the initial Contract Year. After the initial Contract Year, this Agreement will renew for an additional Contract Year unless, at least six (6) months prior to the expiration of the initial Contract Year, Customer notifies SunGard Public Sector in writing of Customer's intent not to renew the Agreement for the second Contract Year. After the second Contract Year, this Agreement will automatically be extended for consecutive Contract Years on a year-to-year basis unless either party notifies the other in writing of its intent not to extend this Agreement for any particular Baseline Component System/Custom Modification at least six (6) months prior to the expiration of the then-current Contract Year. Any and all renewals are subject to an annual appropriation by the City Commission as set forth in Chapter 30 of the Hollywood Code of Ordinances.

6. **Disclaimer of Warranties.** Customer agrees and understands that SUNGARD PUBLIC SECTOR MAKES NO WARRANTIES WHATSOEVER, EXPRESSED OR IMPLIED, WITH REGARD TO ANY IMPROVEMENTS AND/OR ANY OTHER MATTER RELATING TO THIS AGREEMENT, AND THAT SUNGARD PUBLIC SECTOR EXPLICITLY DISCLAIMS ALL WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. FURTHER, SUNGARD PUBLIC SECTOR EXPRESSLY DOES NOT WARRANT THAT A COMPONENT SYSTEM, ANY CUSTOM MODIFICATION OR ANY IMPROVEMENTS WILL BE USABLE BY CUSTOMER IF THE COMPONENT SYSTEM OR CUSTOM MODIFICATION HAS BEEN MODIFIED BY ANYONE

OTHER THAN SUNGARD PUBLIC SECTOR, OR WILL BE ERROR FREE, WILL OPERATE WITHOUT INTERRUPTION OR WILL BE COMPATIBLE WITH ANY HARDWARE OR SOFTWARE OTHER THAN THE EQUIPMENT.

7. Termination. A party has the right to terminate this Agreement if the other party breaches a material provision of this Agreement. Either party has the right to terminate this Agreement at any time while an event or condition giving rise to the right of termination exists. To terminate this Agreement, the party seeking termination must give the other party notice that describes the event or condition of termination in reasonable detail. From the date of its receipt of that notice, the other party will have thirty (30) days to cure the breach to the reasonable satisfaction of the party desiring termination. If the event or condition giving rise to the right of termination is not cured within that period, then the party seeking to terminate this Agreement can effect such termination by providing the other party with a termination notice that specifies the effective date of such termination. Termination of this Agreement will be without prejudice to the terminating party's other rights and remedies pursuant to this Agreement.

8. LIMITATIONS OF LIABILITY.

(a) LIMITED LIABILITY OF SUNGARD PUBLIC SECTOR. SUNGARD PUBLIC SECTOR'S LIABILITY IN CONNECTION WITH THE IMPROVEMENTS OR ANY OTHER MATTER RELATING TO THIS AGREEMENT WILL NOT EXCEED THE FEES THAT CUSTOMER ACTUALLY PAID TO SUNGARD PUBLIC SECTOR FOR THE

IMPROVEMENTS FOR THE YEAR THAT SUCH LIABILITY ARISES.

(b) EXCLUSION OF DAMAGES. REGARDLESS OF WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE OR OTHERWISE, IN NO EVENT WILL SUNGARD PUBLIC SECTOR BE LIABLE TO CUSTOMER FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, WHETHER BASED ON BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR OTHERWISE, AND WHETHER OR NOT SUNGARD PUBLIC SECTOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

(c) BASIS OF THE BARGAIN. CUSTOMER ACKNOWLEDGES THAT SUNGARD PUBLIC SECTOR HAS SET ITS FEES AND ENTERED INTO THIS AGREEMENT IN RELIANCE UPON THE LIMITATIONS OF LIABILITY AND THE DISCLAIMERS OF WARRANTIES AND DAMAGES SET FORTH IN THIS AGREEMENT, AND THAT THE SAME FORM AN ESSENTIAL BASIS OF THE BARGAIN BETWEEN THE PARTIES.

9. Entire Agreement. This Agreement contains the entire understanding of the parties with respect to its subject matter, and supersedes and extinguishes all prior oral and written communications between the parties about its subject matter. Any purchase order or similar document which may be issued by Customer in connection with this Agreement does not modify this Agreement. No modification of this Agreement will be effective unless it is in writing, is signed by each party, and expressly provides that it amends this Agreement.
