DECLARATION OF UNITY OF TITLE

KNOW ALL MEN BY THESE PRESENTS, that pursuant to the ordinances of the City of Hollywood pertaining to zoning, the issuance of building permits and regulating building construction activities, the undersigned, being the fee owner(s) of the following described real property situated in the City of Hollywood, County of Broward and State of Florida, do hereby make the following declaration of conditions, limitations and restrictions on said lands, hereinafter to be known and referred to as a DECLARATION OF UNITY OF TITLE, as to the following particulars:

1. The undersigned is the owner in fee simple of the properties described as follows:

Parcel 1: Lots 3, Block 12, of Hollywood Little Ranches, according to the plat thereof, as recorded in Plat Book 1, at Page 26, of the Public Records of Broward County, Florida.

Parcel 2: Lots 19, Block 12, of Hollywood Little Ranches, according to the plat thereof, as recorded in Plat Book 1, at Page 26, of the Public Records of Broward County, Florida.

Parcel 3: Lots 4, East 50 Feet, Block 12, of Hollywood Little Ranches, according to the plat thereof, as recorded in Plat Book 1, at Page 26, of the Public Records of Broward County, Florida.

Parcel 4: Lots 4, West 50 Feet, Block 12, of Hollywood Little Ranches, according to the plat thereof, as recorded in Plat Book 1, at Page 26, of the Public Records of Broward County, Florida.

2. That the parcels described herein will be developed for Multi-Family Residential in substantial accordance with the plans under City File No. 24-DP-14 currently being reviewed by the Technical Advisory Committee.
3. The aforesaid plot or combination of separate lots, plots, parcels, acreage or portions thereof shall hereafter be regarded and is hereby declared to be unified under one title as an indivisible building site (hereinafter referred to as "Property").
4. The said Property, for the purpose of building, zoning and other applicable codes and regulations, shall henceforth be considered as one parcel of land and that no portion shall be sold, assigned, transferred, conveyed or devised except in its entirety as one plot or parcel of land; provided, however, that recordation

of a mortgage on any portion of the Property shall not be deemed to be in contravention of this Declaration.

5. The undersigned further agrees that this Declaration of Unity of Title shall constitute a covenant to run with the land, as provided by law, and shall be binding upon the undersigned, their successors and assigns, and all parties claiming under them until such time as the same may be released in writing under the approval of the City Manager or his or her designee.

6. The undersigned also agrees that this instrument shall be recorded in the Public Records of Broward County.

IN WITNESS WHEREOF, the said property owner has signed and sealed these presents this _____ day of _____, 2024.

Re: Lincoln Park Residences
 Location: 2219, 2225, 2231 Lincoln St. & 2226 Johnson St. 33351

This letter, regarding the project mentioned above, is intended to demonstrate compliance with the City of Hollywood, sustainability requirements.

After reviewing the drawings and holding discussions with the owner and design team, it is my opinion that the project is eligible for the National Green Building Standard (NGBS) and is in good standing to achieve a gold level certification under the program.

The NGBS certification program is developed by Home Innovation Research Laboratory. This green building certification program is thorough, and it is intended to be used by designers, builders, and developers to improve the efficiency of buildings while reducing environmental impacts associated with real estate development projects, promoting healthier indoor and outdoor environments.

The "Lincoln Park Residences" project has been registered with the Home Innovation Research Laboratory to use the NGBS 2020 program and the team has a strategy in place to achieve the Silver level certification.

Please feel free to contact me directly with any questions, comments, or concerns. I will be working with the project team, to ensure NGBS certification.

Best regards,

Jason Biondi

CIRCLEBR52 – Tandem Stainless Steel Bike Rack, Surface Mount

Tandem stainless steel bike rack, surface mount

Material

The bike rack is 32.25" tall and made from 2.38" O.D. Schedule 10, 316L stainless steel pipe support sections. 316/316L stainless steel derives its advantage through an addition of at least 2% molybdenum. Molybdenum provides increased resistance to corrosion including sea water and deicing salt environments. Bike rack will accommodate up to two bikes, one on each side of the rack.

The bike rack is designed to be surface mounted. Each leg features a 7.75" x 5.5" plate with three .5" diameter predrilled holes for surface mounting to prevent movement.

Surface mounting is required; mounting hardware is not included. Stainless steel hardware recommended to prohibit rusting.

Finish

316/316L stainless steel is highly resistant to salt corrosion, rusting, pitting, and cracking. It remains clean and rust-free without paint or alternative finish.

Color

See website or sales representative for color choices.

Assembly

The bike rack ships fully assembled and ready for use. Surface mounting may require some assembly.

Maintenance

Clean periodically, as conditions dictate. See ANOVA® stainless steel care guide at <http://www.anovafurnishings.com/sites/default/files/products/CIRCLEBR52/resources/stainless-steel-maintenance.pdf>.

Warranty

20-year limited structural warranty from the date of purchase. See full details on multi-year warranties for components at www.anovafurnishings.com/warranty.aspx.
