Subject: SR A1A and Garfield Street
Mast-Arm Painting Maintenance by City of Hollywood

Dear Mark,

Broward County has no objection to the City of Hollywood painting and/or maintaining the paint finish on the traffic signal mast-arms and related structures at the intersection of SR A1A and Garfield Street. The County does not object to the City of Hollywood and the Department entering into a maintenance agreement to perform and/or maintain the mast-arm painting in accordance with the District's mast-arm painting procedures and any other applicable paint-over-galvanized steel structure standards and specifications. County staff would appreciate at least seven (7) calendar days notification of any scheduled paint finish maintenance work to avoid any conflicts with any signal equipment maintenance to be performed by our agency.

If you have any questions, please feel free to contact me at (954) 847-2600.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew G. Sebo".
