

CITY COMMISSION

Historic Preservation Board

May 3, 2023

Mission:

To protect and preserve properties and areas of historical, architectural and archeological merit; to encourage and promote restoration, preservation, rehabilitation and revitalization of Historic Sites and Districts by providing technical assistance, investment incentives, and facilitating the development review process; to combat urban blight, promote tourism, foster civic pride, and maintain physical evidence of the City's heritage; and to promote excellence in urban design by assuring the compatibility of restored, rehabilitated, or replaced structures within Historic Districts.

Purpose:

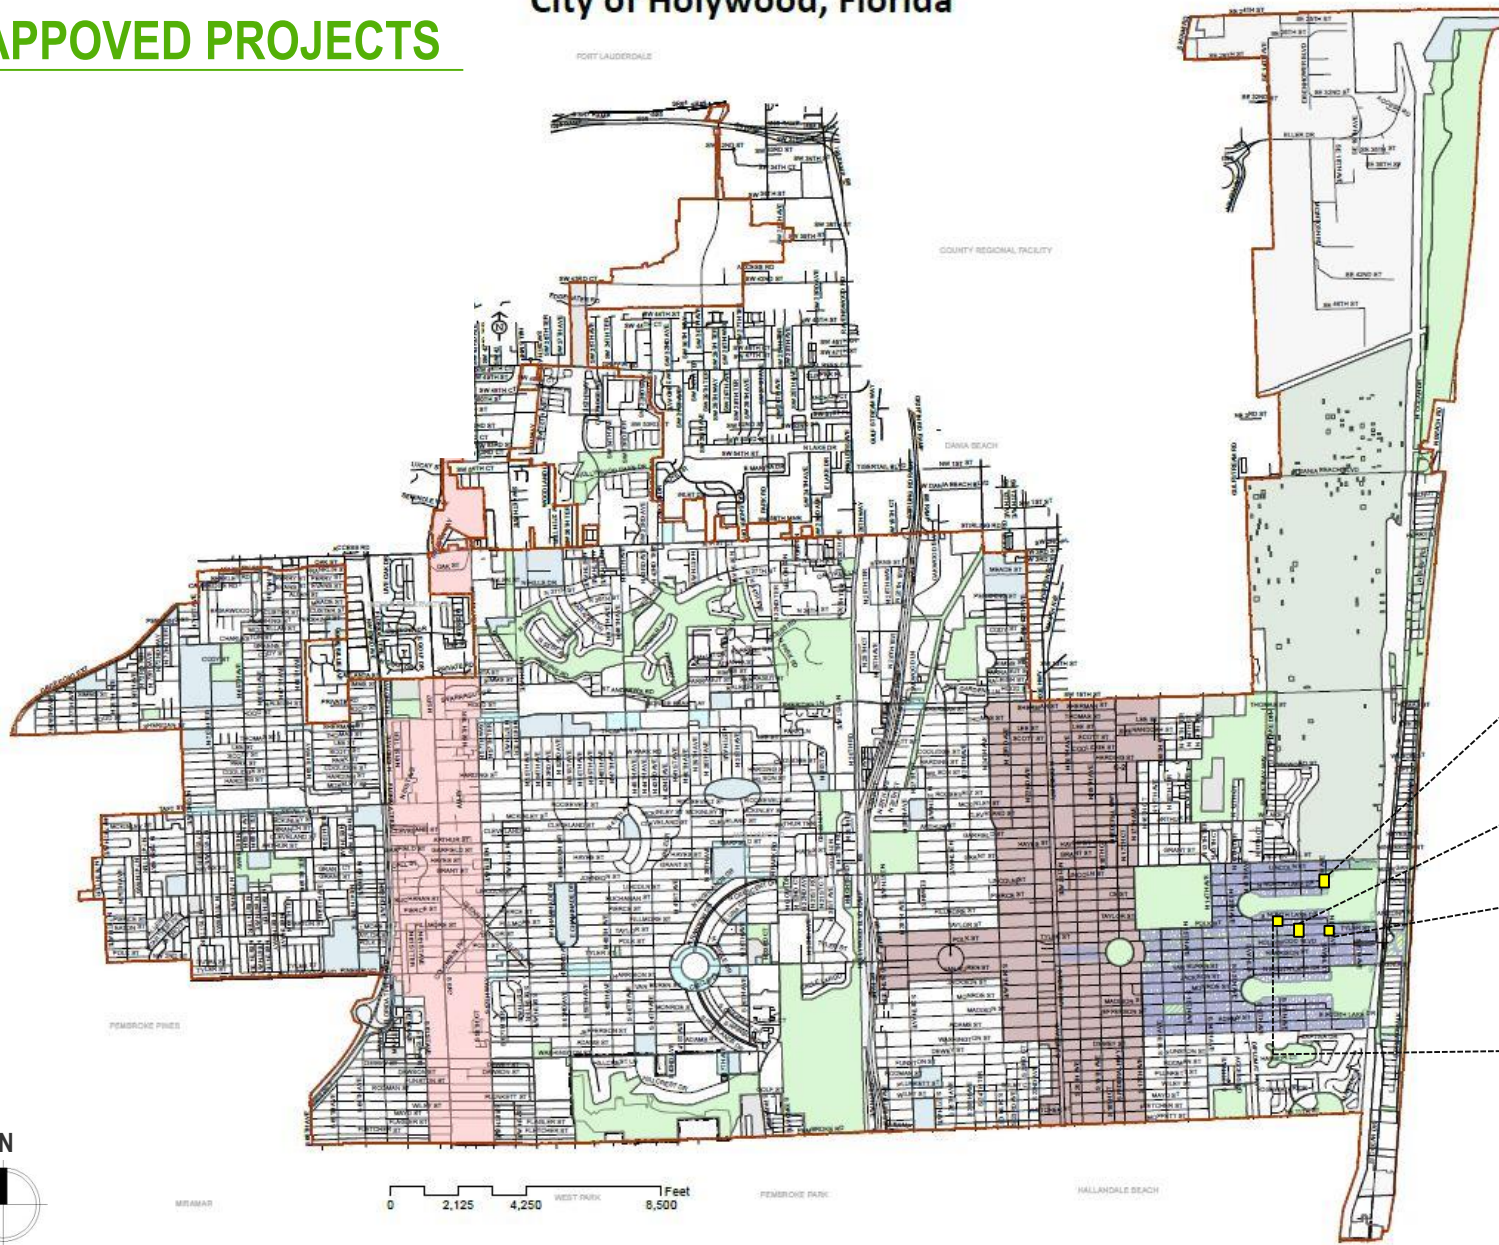

To make recommendations and decisions to better position the City for appropriate growth through a public hearing process; which promotes community input.

Goals: To protect the precious and finite resources which give the City its character in the interest of future prosperity.

Duties: Review and consideration of projects on Historic Sites, or within Historic Districts, or Historic Multiple Property Resource Listing Districts and requiring Variances, Certificates of Appropriateness for Demolition or Design, and Site Plan, pursuant to Article 5 of the Zoning and Land Development Regulations. The Board also considers the designation of new historic sites and districts; and any amendments applicable to existing historic sites and districts.
