July 4 roundup

By CINDY KENT

July Fourth is on Thursday this year, and there are many celebrations planned around the holiday. Here's a look at some of the events across Broward, Miami-Dade and Palm Beach counties. Events are on July 4 unless otherwise noted. Most fireworks displays start at around 9 p.m. Additionally, many venues will not allow pets, alcohol, personal fireworks or coolers, and organizers recommend you bring a chair or blanket for seating. Events may be free to attend, but food vendor prices and some ride and amusement activity fees may apply. For traffic alerts, bridge closings and shuttle provisions, call or visit city and organizer's websites where available.

July 3

Fireworks Show by Grucci of New York, 7-9 p.m., Seminole Casino Coconut Creek, 5550 N.W. 40 St., Coconut Creek. The designated public viewing area welcomes all ages. The 18-minute program will feature three distinctive and exciting scenes, each with its own unique facets. Variety of gourmet food trucks and drinks for purchase; and live entertainment. 954-977-6700. CasinoCo-co.com Free.

p.m. 5701 Margate Blvd., Margate. 954-972-6458. margatefl.com. Free.

Independence Day Celebration: 9 a.m.-9 p.m. Presented by the city of Plantation and Rick Case Automotive Group. Events begin with parade starting at the corner of West Broward Boulevard and Northwest 46th Avenue. The parade ends at City Hall with an awards ceremony. Kid's Zone, concert and fireworks at the Plantation Central Park Ball Fields. Food available for purchase. 954-425-2510. Free admission.

See ROUNDUP, 4B

Important Notice For Coral Springs Water Customers

Beginning on July 15th and running through July 29th, the City of Coral Springs Utilities & Engineering Division, Royal Waterworks, Coral Springs Improvement District, and the North Springs Improvement District will temporarily be changing its method of chlorinating its water to comply with the recommendations of the Department of Environmental Protection. As a result, within the two-week period, you may notice a chlorine taste or odor in the tap water. Water main flushing will also take place during this period between the hours of 7 a.m. and 4 p.m. A temporary discoloration of the water and a reduction in pressure as a result of Fire Hydrant flushing may also occur.

These temporary conditions should not be harmful to your health. However, customers are cautioned to determine if the water is clear before washing clothes (or any other processing) as staining may occur. Customers are also advised to set aside water for drinking and cooking purposes, and after flushing in your area to check the water clarity before use. If you experience discolored water, run the cold water in all your faucets for approximately 5-10 minutes. If conditions persist, please contact your water provider at the number listed below. Additionally, if you are on kidney dialysis, please consult your physician for any special instructions concerning this matter. If you have tropical fish or aquatic animals, please contact your local pet store for advice. Customers with inline filters may want to contact the equipment manufacturer for any precautions that may be required.

If you are especially sensitive to the taste and odor of chlorine, try keeping an open container of drinking water in your refrigerator. This will enable the chlorine to dissipate, thus reducing the chlorine taste. Remember, drinking water has a shelf life. Change out the water in your refrigerated container weekly.

The flushing program serves two important functions. First, it minimizes the build-up of mineral and other sediments, that over time can affect water quality and water flows through the pipes. Secondly, it allows the Water Department to verify the fire hydrants are working properly and available for fire protection.

We regret any inconvenience you may experience during this time, but this is necessary to maintain our high quality water standards throughout our system. If you have any questions, please call:

Coral Springs Improvement District at (954) 753-0380
Coral Springs Utilities & Engineering Division at (954) 345-2160
North Springs Improvement District at (954) 752-0403
Royal Waterworks at (954) 344-9106

Please note early deadlines for 4th of July holiday. Obits and Advertising will be CLOSED on Thursday, 7/4/19.

Notice of Community Meeting and Public Hearings for Green Reuse Area Designation

Representatives for Pinnacle at Peacefield, Ltd., will hold a community meeting on July 9, 2019, from 5:30 p.m. to 7:00 p.m. for the purpose of affording interested parties the opportunity to provide comments and suggestions about the potential designation of land located on Adams Street, Hollywood, FL 33020, Folio Nos. 514216011380, 514216210070, and 514216011460, as a Green Reuse Area. The designation is being made pursuant to Section 376.80, Florida Statutes, of Florida's Brownfield Redevelopment Act, and will involve two public hearings before the Hollywood City Commission. The community meeting will also address future development and rehabilitation activities planned for the site. The community meeting will be held at the Fred Lippman Multi-purpose Center, located at 2030 Polk Street, Hollywood, FL 33020, and is free and open to all members of the public. For more information regarding the community meeting, including directions, the dates of the two public hearings, or to provide comments and suggestions regarding designation, development, or rehabilitation at any time before or after the meeting date, please contact Michael R. Goldstein, who can be reached by telephone at (305) 777-1682, U.S. Mail at The Goldstein Environmental Law Firm, P.A., 2100 Ponce de Leon Boulevard, Suite 710, Coral Gables, FL 33134, and/or email at mgoldstein@goldsteinenvlaw.com.
