**Compensation Disclosure Schedule**

Coverage(s)	Carrier Name(s)	Wholesaler, MGA, or Intermediary Name 1	Estimated Annual Premium 2	Comm % or Fee 3	Wholesaler, MGA or Intermediary % 4	AJG Owned? Yes or No
Watercraft Hull Coverage	Hartford Fire Insurance Company	NA	\$8,028.00	0%	Direct Placement	No

Some carriers pay Gallagher supplemental or contingent commissions in addition to the policy commission. Contingent commissions are typically contingent upon performance factors such as growth, profit, volume or retention, while supplemental commissions are not. These supplemental or contingent commissions may range from less than 1% up to 10 % of the policy premium. Please refer to the [Compensation Disclosure](#) or contact your Gallagher representative for additional information.

1. We were able to obtain more advantageous terms and conditions for you through an intermediary/wholesaler.
2. If the premium is shown as an indication: The premium indicated is an estimate provided by the market. The actual premium and acceptance of the coverage requested will be determined by the market after a thorough review of the completed application.  
\* A verbal quotation was received from this carrier. We are awaiting a quotation in writing.
3. The commission rate is a percentage of annual premium excluding taxes & fees.  
\* Gallagher is receiving \_\_\_% commission on this policy. The fee due Gallagher will be reduced by the amount of the commissions received.
4. \* The non-Gallagher intermediary/wholesaler did not provide their compensation information for this proposal. The usual and customary compensation to a wholesaler/ intermediary ranges from 5% to 12%, but we cannot verify that range is applicable in connection with this proposal.

### Important Disclosures

The quotation(s) attached are an outline of certain terms and conditions of the insurance proposed by the insurers, based on the information provided by your company. It does not include all the terms, coverages, exclusions, limitations and/or conditions of the actual policy contract language. The insurance policies themselves must be read for those details. Policy forms for your reference will be made available upon request.

We will not be operating in a fiduciary capacity, but only as your broker, obtaining a variety of coverage terms and conditions to protect the risks of your enterprise. We will seek to bind those coverages based upon your authorization; however, we can make no warranties in respect to policy limits or coverage considerations of the carrier. Actual coverage is determined by policy language, so read all policies carefully. Contact us with questions on these or any other issues of concern.

The information contained in this proposal is based on the historical loss experience and exposures provided to Arthur J. Gallagher Risk Management Services, Inc. This proposal is not an actuarial study. Should you wish to have this proposal reviewed by an independent actuary, we will be pleased to provide you with a listing of actuaries for your use.

TRIA/TRIPRA Disclaimer – If this proposal contains options to purchase TRIA/TRIPRA coverage, the proposed TRIA/TRIPRA program may not cover all terrorism losses. While the amendments to TRIA eliminated the distinction between foreign and domestic acts of terrorism, a number of lines of coverage excluded under the amendments passed in 2005 remain excluded including commercial automobile, burglary and theft insurance; surety insurance, farm owners multiple perils and professional liability (although directors and officers liability is specifically included). If such excluded coverages are required, we recommend that you consider purchasing a separate terrorism policy. Please note that a separate terrorism policy for these excluded coverages may be necessary to satisfy loan covenants or other contractual obligations. TRIPRA includes a \$100 billion cap on insurers' aggregate liability.

The TRIPRA program increases the amount needed in total losses by \$20 million each calendar year before the TRIPRA program responds from the 2015 trigger of \$100 million to \$200 million by the year 2020.

TRIPRA is set to expire on December 31, 2020. There is no certainty of extension, thus the coverage provided by your insurers may or may not extend beyond December 31, 2020. In the event you have loan covenants or other contractual obligations requiring that TRIA/TRIPRA be maintained throughout the duration of your policy period, we recommend that a separate "Stand Alone" terrorism policy be purchased to satisfy those obligations.

Compensation Disclosure

One of the core values highlighted in The Gallagher Way states, "We are an Open Society," and our open society extends to the compensation Gallagher receives. In general, Gallagher may be compensated as follows:

1. Gallagher Companies are primarily compensated from the usual and customary commissions or fees received from the brokerage and servicing of insurance policies, annuity contracts, guarantee contracts and surety bonds (collectively "insurance coverages") handled for a client's account, which may vary from company to company and insurance coverage to insurance coverage. As permitted by law, Gallagher companies occasionally receive both commissions and fees.
2. In placing, renewing, consulting on or servicing your insurance coverages, Gallagher Companies may participate in contingent and supplemental commission arrangements with intermediaries and insurance companies. Contingent commissions provide for additional contingent compensation if underwriting, profitability, volume or retention goals are achieved. Such goals are typically based on the total amount of certain insurance coverages placed by Gallagher with the insurance company and/or through the intermediary, not on an individual policy basis. Some insurance markets, including Gallagher-owned intermediaries, have modified their commission schedule with Gallagher, resulting in an increase in some commission rates. These additional commissions, commonly referred to as "supplemental commissions" are known as of the effective date, but some insurance companies are paying this commission later and apart from when commission is normally paid at policy issuance. As a result, Gallagher may be considered to have an incentive to place your insurance coverages with a particular insurance company. Note: Upon request, your Gallagher representative can provide more specific market information regarding contingent and supplemental commission related to your insurance coverage.
3. Gallagher Companies may also receive investment income on fiduciary funds temporarily held by them, such as premiums or return premiums.
4. Gallagher Companies may access other facilities, including wholesalers, reinsurance intermediaries, captive managers, underwriting managers and others that act as intermediaries for both Gallagher and other brokers in the insurance marketplace. Gallagher Companies may own some of these facilities, in whole or in part. If such a facility was utilized in the placement of a client's account, the facility may have earned and retained customary brokerage commission or fees for its work.
5. Gallagher assists its customers in procuring premium finance quotes and unless prohibited by law may earn compensation for this value added service.
6. From time to time, Gallagher may participate in insurance company promotional events or training and development that insurers provide for Gallagher employees.
7. Gallagher strives to find appropriate coverage at a competitive price for our customers. In order to achieve these goals, we gather and analyze data about our customers and their insurance coverage. This data and the resulting analytical tools help us better understand the current marketplace, more accurately predict future trends and offer tailored solutions to our customers. The data may also be provided to insurers pursuant to consulting service agreements from which we earn fees.

If you have specific questions about the compensation received by Gallagher and its affiliates in relation to your insurance placements, please contact your Gallagher representative for more details.

In the event you wish to register a formal complaint regarding compensation Gallagher receives from insurers or third parties, please send an e-mail to [Compensation\\_Complaints@ajg.com](mailto:Compensation_Complaints@ajg.com) or send a letter to:
