Explanation:

This Resolution seeks authorization for the appropriate City Officials to enter into a service line agreement between the City of Hollywood and the Seminole Tribe of Florida for access to the Seminole Okalee Indian Village located at 3551 and 3681 North State Road 7, Hollywood, Florida for the repair and maintenance of the fire hydrant and water main being constructed and installed by the Seminole Tribe of Florida.

Connections for service with the City of Hollywood typically require the private property owner to provide an easement to allow the City access to the fire hydrant and water

main. Since this is Tribal land, instead of an easement the Landowner will provide a Service Line Agreement.
