FSA20-VEL28.0 PURSUIT, ADMINISTRATIVE, AND OTHER VEHICLES

Contract Term: October 1, 2020 – September 30, 2022

The Florida Sheriffs Association in partnership with the Florida Association of Counties offers statewide purchasing contracts on a variety of vehicles, equipment and services that are available to all eligible* agencies. While most agencies purchasing from our contracts are within the state of Florida, eligible* agencies from other states have used the contracts if their governing purchases ordinance allows.

For details of the products and services available, use the links located below that match the commodity you are seeking to purchase. The bid links will take you to pages that are solely dedicated to the bid award for particular commodities. Follow the purchasing instructions and remember to send CPP a copy of your purchase order. Continue to scroll the bottom of the page to find links to all the bid supporting bid documents.

The bid awards and schedules are supported by a dedicated FSA staff with the assistance of our Advisory Board(s). We are available Monday through Friday to answer any questions or assist you in your purchasing transactions. Before you make a purchase, we encourage you to read the terms and conditions associated with each commodity. There are certain requirements for manufacturers, vendors, and the end user that you should be familiar with prior to and after the initial acquisition. These terms and conditions are written based on best practices to simplify the process for the buyer and the seller.

Since its inception in November 1993, approximately 64,000 vehicles and equipment have been purchased through these programs, resulting in tremendous savings and workload efficiencies for participating agencies statewide.
