TIPS TO DETERMINE GALLONS-PER-FLUSH VOLUME

Look for marks or labels near the toilet seat hinge. A 5-gallon per flush (gpf) toilet might be shown as 22.73 liters, a 3.5 gpf as 15.91 liters. All 3 gpf (6.1 liters) toilets should be marked at the toilet seat hinge. If no markings are present, check the underside of the tank lid or the tank's inside back wall for a date stamped in the porcelain. Toilets produced before 1985 are 5-7 gpf, a date between 1985 and 1991 would be 3.5 gpf. All toilets made after 1993 are 1.6 gpf and are NOT eligible to receive a rebate.

REBATE AMOUNT

The value of the high efficiency toilet rebate is up to \$100.00 per toilet; maximum of 2 toilets per residential account, and a maximum of 10 per commercial account (unless pre-authorization is received, in advance for additional). The rebate may cover the entire retail cost of an HET if the total cost does not exceed the total value of the rebate. High efficiency toilet purchase costs that exceed the rebate value are not covered under this program. Any high efficiency toilet cost that exceeds the rebate value is to be paid by the applicant and is the sole responsibility of the applicant. Should the cost of the toilet be less than \$100.00, you will be rebated for the purchase price of the toilet, excluding taxes. The rebate amount covers the cost of the toilet only and excludes taxes.

VERIFICATION OF INSTALLATION

The City of Hollywood reserves the right to inspect to verify the installation of the new HET model(s) submitted for this rebate program, and if contacted, you agree to allow for a post-installation inspection. Inspections will be scheduled Monday through Friday.

DURATION

The start date for the City of Hollywood, FL, Department of Public Utilities Retrofit High Efficiency Single Family Toilet Rebate Program is October 20, 2010, Multi-Family is February 6, 2013 and Commercial Properties is May 2015. Toilets purchased and/or installed prior to the start date(s) of the corresponding appropriate program will NOT be rebated. Applications will be accepted on a first come, first served basis, while funding is available, or until the program is discontinued. The City of Hollywood, at its discretion, may, at any time modify, suspend or terminate this program without prior notice.
