Contractor's initial authorized list shall be identical to the discounted list submitted with the bid. Contractor shall not make the list generally available or accept any orders off it until the Cooperative Bid Coordinator approves the list. Contractor may thereafter amend the list to reflect product line and price changes, subject to the following restrictions:

- For product line changes, a Contractor may amend its list to reflect product developments. Any added product shall be offered at the then-current authorized percentage discount, which shall always be at least as great as the discount offered initially.
- For price changes, a Contractor shall only decrease, and shall never increase, the prices offered initially. Posted price reductions shall take effect immediately and be applied to unshipped and subsequent orders. **CONTRACTORS ARE FREE TO OFFER GREATER DISCOUNTS FOR INDIVIDUAL TRANSACTIONS, AND CUSTOMERS ARE ENCOURAGED TO SEEK THEM AND TO EXPLORE WHETHER OTHER CONTRACTORS AUTHORIZED FOR THE PRODUCT GROUP MIGHT OFFER BETTER DISCOUNTS.**
- At least two (2) business days before making any changes to the posted authorized list – whether to products, to prices, or otherwise – a Contractor shall notify the Cooperative Bid Coordinator by mail of its intent to make a change and describe the proposed change. The Cooperative Bid Coordinator may, in its sole discretion, prohibit any requested change or direct a Contractor to undo any change already made.
- Changes to the authorized list or to related information (i.e.: ordering information) shall not be deemed Contract amendments.

PRICE SHEETS

For each Specification, please identify the net discounted price of the tire bid. In addition, submit a price list reflecting the discounted prices (that is: expressing in dollars what customers actually will pay for each tire under the contract).

All required additional services must be bid and added to the manufacturer's benchmarks to obtain a total for each item.

All taxes and environmental or waste clean-up fees imposed by the state, federal or local governments, and in effect at the time of the bid opening shall be listed separately, and will be added to invoices. Any increases or mandated new fees effective subsequent to the bid opening must be approved in advance by the Cooperative Bid Coordinator.

evidence which is gathered or comes to the attention of the agency which demonstrates the Contractor's capability to fully satisfy the requirements of the solicitation and the contract.

Contractors that are not in compliance with any of the provisions of this contract may be fined (see schedule of fines below), suspended and or terminated from the contract and future competitive bid solicitations at the discretion of the FSA Contract Administrator.

In some instances, contractors may be required to develop corrective action plans to address contract compliance. In situations where there is evidence the dealer, contractor, fleet sales manager or other representative has demonstrated egregious breaches of the contract or trust to both with the FSA and the customer, the contract will automatically be terminated and the dealer and their representative will be removed from future solicitations for a period up to three (3) years.

Failure to abide by corrective action plans will result in the dealer and the dealer representative to be terminated from the contract and future competitive bid solicitations at the discretion of the FSA Contract Administrator.

Specific conditions for termination include, but are not limited to; failure to perform, refusal to accept orders during the contract period while manufacturer orders are still being accepted for current model year and/or the new year if the tire(s) or related service is price protected by the factory, charging amounts exceeding MSRP on factory installed items and packages, requiring the purchase of additional options over and above the base tire as a condition of acceptance of order, providing aftermarket options where factory options are available without the consent of the Customer, any misrepresentation of optional equipment or service as being "factory" that fails to meet the definition as described in this document, and any other practice deemed to be outside of the intent of the contract.

Any contractor, who is presented with a valid purchase order as a result of a bid award for this contract, is required and bound by this contract to accept such purchase order(s) and deliver the product(s); regardless if the tires or service is at a higher cost. The contractor must deliver this product or service regardless of profit or loss based on their respective bid. Failure to deliver said product or service will result in the ordering agency and the FSA seeking damages for the difference of cost to issue the exact same order with another contractor plus any legal fees and damages that may be incurred in the process to facilitate a completed order.

When requesting an adjustment, including but not limited to price increases, the following must be submitted to the Contract Administrator:

- A letter of request from the contractor, including the specification number and model listed in the contract, along with the requested changes;
- When requested adjustment is based on production cutoff of a currently listed model, a letter of affirmation from the manufacturer;
