R&M Service Solutions, LLC is excited to extend to the **City of Hollywood** the option to “piggyback” the Seminole County Term Contract for Hydrant and Valve Maintenance, Repair, and Flushing Services (IFB-603974-CAR). As you are probably aware, piggybacking avoids the lengthy bid process and allows you to take advantage of the low pricing structure offered to large municipalities for these services.

The Seminole County’s contract with **R&M Service Solutions, LLC** includes pricing for:

HYDRANT SERVICES

- Maintenance, testing, painting, repair, and replacement of **HYDRANTS** (includes sub-foot GPS Location)
- Maintenance, testing and replacement of **HYDRANT VALVES**
- Providing documentation in .XLS, Shapefile or Database formats

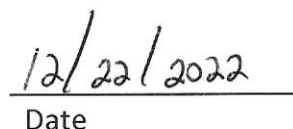

VALVE SERVICES

- **VALVE** assessment, maintenance, repair, and replacements (includes sub-foot GPS Location)
- **VALVE** assessment and maintenance (without GPS location)
- Providing documentation in .XLS, Shapefile or Database formats

Respectfully,

Mike George
