AGREEMENT

BY AND BETWEEN

THE SHERIFF OF BROWARD COUNTY, FLORIDA ON BEHALF OF CITY OF  
DANIA BEACH  
AND

CITY OF HOLLYWOOD, FLORIDA

PROVIDING FOR

AUTOMATIC AID OF FIRE RESCUE SERVICES BETWEEN THE CITY OF  
HOLLYWOOD AND CITY OF DANIA BEACH JURISDICTIONS

This Agreement is made and entered this 6<sup>TH</sup> day of April, 2015 by and between:  
THE SHERIFF OF BROWARD COUNTY (hereinafter referred to as "BSO") as the  
provider of fire rescue services for City of Dania Beach, and the City of Hollywood, a  
municipal corporation of the State of Florida (hereinafter referred to as "CITY").

ARTICLE 1

BACKGROUND; PURPOSE AND INTENT AND DEFINITIONS

- 1.1 It is the purpose and intent of this agreement for BSO and CITY, pursuant to Section 163.01, Florida Statutes, to cooperate and provide for a means by which each governmental entity may exercise its respective powers, privileges and authorities which they share in common and which each might exercise separately in order to further a common goal.
- 1.2 The BSO and CITY shall also each be referred to as a "Party" or jointly as "Parties" hereunder.
- 1.3 BSO currently is the agency which provides fire rescue services for the City of Dania Beach, Florida pursuant to an Agreement for Fire Rescue Services dated on or about January 6, 2014. BSO, City of Dania Beach, and CITY find that mutual cooperation in the delivery of fire rescue services can best be accomplished within a cooperative, interlocal configuration. To further that cause, both Parties willingly enter into this cooperative Agreement, which extends beyond the formal agreements already in place for mutual aid for fire and rescue services.
- 1.4 The Parties agree to act jointly rather than separately with regard to the provision of Automatic Aid for emergency services. It is mutually understood and agreed that this Agreement does not relieve any party hereto from the necessity and obligation of furnishing adequate services within their own jurisdictional boundaries.

- 1.5 For the purposes of this Agreement and the various covenants, conditions, terms and provisions which follow, the definitions set forth below are assumed to be true and correct and are agreed upon by the Parties.
- 1.5.1 Automatic Aid: means automatic assistance for aid for all emergency services including but not limited to: fire, EMS, first response, within the territorial boundaries of both CITY and the City of Dania Beach.
- 1.5.2 Responding Party: means the agency which is providing assistance to another agency in need of receiving assistance in mitigating an emergency incident.
- 1.5.3 Party in Need of Aid: means the agency which is in need of or receiving assistance from an outside agency to assist in mitigating an emergency incident by and through this Agreement.
- 1.5.4 Coverage: means the temporary allocation of emergency apparatus and crew for providing automatic aid to a different geographic area in which the emergency apparatus and crew are not normally located and that such aid is normally provided protection by the Party in Need of Aid.
- 1.5.5 Closest Unit Response Model: The closest available apparatus shall respond to a Party in Need of Aid regardless of whether the location of the emergency is within the jurisdiction of the Party operating the apparatus only if the primary responsible Party is not available to respond to the call. Notwithstanding anything to the contrary stated herein, the parties will follow the Closest Unit Response Model as stated in the Regional Interlocal Agreement with the County for E911/Communications Services upon full implement of such Model in Broward County.
- 1.5.6 Command: means the person responsible for the strategic and tactical coordination of all personnel and equipment then in use to control the emergency.
- 1.6 Whenever the employees of one Party to this agreement are rendering aid to the other Party pursuant to the authority contained in this agreement, such employees shall have the same powers, duties, rights and immunities as if they were taking action within their employing jurisdiction.
- 1.7 The Parties agree that words importing the singular include and apply to several persons, parties, or things; words importing the plural include the singular; and words used in the present tense include the future as well as the present.

**ARTICLE 2**  
**RESPONSE COMMITMENT**

- 2.1 Automatic Response Area: Each Party's fire suppression apparatus and ALS apparatus, and personnel shall provide automatic aid response within the areas determined by the Parties.
  - 2.2 The Parties agree to implement station response using the Closest Unit Response Model.
  - 2.3 The Parties shall, as soon as practical by their Fire Chiefs, develop policies, procedures, rules and regulations to carry out the Parties' intent in the coordination of functions and services described herein.
  - 2.4 Each Party agrees not to reduce the level of protection or services without notice to the other Party to this Agreement.
- 
- 2.5 Each Party shall be responsible for the normal maintenance and repair of its facilities and equipment.
  - 2.6 The Primary Response Zones may be amended from time to time and any changes shall be provided by the respective Fire Chiefs, or designees, to the other Party within a reasonable time.
  - 2.7 Each Party acknowledges that any change shall not increase response time or reduce any other efficiency of services.

**ARTICLE 3**  
**LIABILITY**

- 3.1 The Parties shall defend any action or proceeding brought against its respective agency arising in connection with this Agreement and shall, subject to the privileges and protections of sovereign immunity pursuant to Section 768.28, Fla. Stat., be responsible for all its own costs, attorneys' fees, expenses and liabilities incurred as a result of any such claims, demands, suits, actions, damages and causes of action, including the investigation or the defense thereof, and from and against any orders, judgments or decrees which may be entered as a result thereof.
- 3.2 Each party is entitled to the privileges and protections of sovereign immunity pursuant to Section 768.28, Fla. Stat., and subject to the limitations of that provision shall bear its own responsibility and be liable for any claims, demands, suits, actions, damages and causes or actions arising out of or occurring during travel to or from its own emergency or disaster site or to or from an emergency or disaster site covered by this Agreement, and no indemnification or hold harmless

Thereafter, this Agreement shall be automatically renewed for one-year terms, unless a Party notifies the other in writing, not later than forty-five (45) days prior to the expiration of this Agreement or any renewal term of this Agreement, of its intent not to renew.

**ARTICLE 7**  
**COMPENSATION**

- 7.1 This Agreement is an equitable exchange of services that shall not require monetary compensation from the Parties.

**COMMUNICATION**

- 11.2 In accordance with Section 11.1 above, the reasons justifying a failure to respond shall include, but are not limited to, the following:
