Subject: Aclara Sole Source Statement

Dear Mr. Bentley,

This letter is to confirm that Aclara Technologies LLC is the sole source manufacturer of the Aclara RF® Advanced Metering Infrastructure (AMI) System which is currently installed throughout City of Hollywood's service territory.

The Aclara RF® Network and its software, Aclara Mobile Programmer Software, Wireless Field Programmer, Meter Transmission Unit (MTU), and Data Collector Unit (DCU) are proprietary products of Aclara and are not compatible with any other AMI System.

We look forward to the opportunity to continue to support City of Hollywood with our Aclara RF® products.

Should you have any questions or require additional information regarding this matter, please feel free to contact me on my office telephone at (314) 895-6503 or by email at smorrison@hubbell.com

Sincerely,

Sherri L. Morrison
