**REMARKS**

Stantec - Presentation most organized, followed layout the most.  
All 3 have said they will provide a CIP update program to keep track of progress of MP suggestion, as well as keep a process of completed projects/CIP.  
I think this to be key in this type of RFP. As the purpose of MP is to keep equipment running and up to date.  
Key factor was staff experience of doing MP.  
Resume showed this the most.
