Describe your knowledge of Civil Service and its purpose. 4. Why do you want to serve on this Civil Service Board? 5. Are you a continuous resident of and continuous registered elector in the City of Hollywood?

**Community Development Advisory Board - Questions\***

1. I presently live in a LMI neighborhood of Hollywood. Although there are many community development issues to be addressed, I believe that education and the dissemination of information are important for many residents. The city needs a better way of bringing information to the public and creating access for the public to participate in their own rescue. Healthy neighborhoods are viewed from many different perspectives. Honestly, a healthy neighborhood is an informed neighborhood. In order for residents to make appropriate decisions to participate in their civic duties, they also have to be well informed. The primary work of the CDAB is to be the voice of the residents to the mayor and commissioners as it relates to issues in the neighborhoods. What qualifies me to serve on the board is my commitment to my community and to the City of Hollywood as a whole. I have committed and continue to commit my time and passion to the progress of our wonderful city.

Please answer these five questions above. 1. Do you reside in a low and moderate income (LMI) neighborhood in Hollywood per the most recent US Census data? A Hollywood LMI Map is located at [www.hollywoodfl.org](http://www.hollywoodfl.org) on the Community and Economic Development webpage. 2. What Community Development issues do you believe are the most important to Hollywood? 3. What is your definition of a healthy neighborhood? 4. What do you believe is the vision and primary work of the Community Development Advisory Board? 5. What do you believe uniquely qualifies you to serve on the Community Development Advisory Board?

If so, what kind of business and for how long? 3. How often do you visit Hollywood beach and/or Broadwalk? 4. What three things do you love the most about Hollywood beach?

**Education Advisory Committee - Questions\***

There are many challenges facing education in our communities. Student and parents need to be better informed. Parents need to be encouraged to be part of their children's educational success. Hollywood does an excellent job at educating our children and my vision as a committee member is to support and be the voice for the community to our public officials as it pertains to education in the City of Hollywood. To be effective with a once a month meeting, the committee needs to focus on issues that we can support and possible projects that bring others together to be effective participants in the supporting of our schools and children. To know we are on task, our annual report should outline the success, goals and objectives that we plan on addressing throughout the year.

Please answer these five questions above. 1. What are the current challenges facing education? 2. What is your vision for education in Hollywood? 3. What do you see as the primary work of the Education Advisory Committee? 4. With only one meeting a month, the Committee is limited in what it can do. How does/should the Committee decide what's most important? 5. How can the Committee know if its mission and goals are being accomplished?

**Hollywood Housing Authority - Questions\***

1. We need more subsidized housing to allow lower income people to continue to live in Hollywood. It is clear that we cannot continue to hope that the market will provide the affordable housing that so many of our current residents need in order to remain here.

2. My legal background gives me the skills to assist in all of the categories listed.

3. I am most passionate about rental housing affordability. My eldest sister is currently renting in Hollywood and we want her to stay here but she is quickly approaching the status where she cannot afford to rent decent housing in Hollywood.

4. While my wife and I are financially stable today, this was not always the case. I can appreciate the difficulties that so many people have in living paycheck to paycheck, with housing costs often taking up the largest share of income. I hope that my service on the Hollywood Housing Authority will allow me to give something back to the residents of Hollywood.

5. Hollywood was founded by immigrants, people who came from somewhere else. While I am proud to have been a resident of Hollywood my entire life, almost sixty years, I recognize that it is the diverse makeup of our citizenry that makes Hollywood the special place it is today. We are so fortunate to have so many different cultures represented in Hollywood and providing affordable housing will allow that diversity to continue.

Please answer these five questions above. 1. In your opinion what is the greatest challenge to keeping housing affordable in Hollywood? 2. ## Experience

### **Senior Project Manager / Construction at University of Miami**

July 2007 - Present

Current projects include: cancer research laboratory renovation projects (1K-9K SF), clean room laboratory remodeling projects (1K – 2.5K SF), interior office remodeling of a former 50K SF laboratory building at the UM medical campus, UM Miami Project research occupancy of 30K SF in the new Christine E. Lynn Rehabilitation Center for the Miami Project to Cure Paralysis at Jackson Heath System campus, and the new Scuba Diving Training Pool at the UM RSMAS campus on Virginia Key. Noteworthy projects include: UM RSMAS Marine Technology Life Science Seawater Complex (MTLSS) on Virginia Key (86K SF) to support marine life science and hurricane research and the BioNUIM Nano-tech clean room project (2K SF) to facilitate the growth of UM's bioengineering research.

### **Senior Program Manager / Hospital Design & Construction at Heery International**

November 2005 - July 2007 (1 year 9 months)

Senior program manager leading a team of architects, engineers, construction managers, and technical consultants to design and build a new 300 bed hospital with 16 OR's, diagnostic treatment and exams areas, clinics and public spaces for the University of Miami Miller School of Medicine. At the completion of design development, the University reset its priorities and purchased the Cedars hospital adjacent to the project site. In addition to closing out the design contracts, the University requested that I take over the construction project management of the 10 story Biomedical Research Building.

### **Deputy Program Director / Director of Design at Corgan Associates**

July 2004 - November 2005 (1 year 5 months)

The 3.3 million SF, Miami International Airport North Terminal Development Program, consisted of the development of 52 airline gates in 1.6 million SF of new construction, and 1.7 million SF of remodeled space. This program was executed while the terminal was in operation. Responsibilities consisted of managing multiple groups of design managers and professionals to complete the final phases construction documents while limiting changes to the design, and minimizing false work to keep the airport terminal in operation. Additional responsibilities included developing contracting strategies for the remainder of the

terminal work (approximately \$800M), packaging this effort into multiple contracts, developing bid manuals and supporting documentation and bidding the work which lead to the “single” Miami-Dade County contract with the Parsons Odebrecht, Joint Venture.

### **Senior Project Manager / Hospital Design & Construction at Jacobs Engineering**

September 1993 - June 2004 (10 years 10 months)

The Jacobs Engineering Group teamed with Power Construction to provide design and construction management services for the Northwestern Memorial Hospital redevelopment project which consolidated 23 hospital functions into a single super block construction project in the downtown Chicago Streeterville neighborhood. This redevelopment project included the multi-prime contract construction management of a 2.1 million square foot hospital, emergency room and ambulatory care facility in the high-end urban location with a construction value of \$450 million. In addition, this redevelopment included multiple enabling projects, valued at \$50 million, and interim moves to position Northwestern Memorial Hospital to decommission and demolish the Wesley Pavilion in order to accommodate the New Women’s Hospital. My role in the redevelopment project was to manage the design from a CM POV, develop front-end contract documents with NMH, manage the permitting and interior construction of the hospital, coordinate construction strategies with the planning and design team for the new women’s hospital, and to translate the lessons learned from this development to the Jacobs Engineering project management development team.

### **Architectural Programming Specialist**

July 1987 - August 1993 (6 years 2 months)

---

### **Education**

#### **Georgia Institute of Technology**

Master of Architecture (MArch), Architecture, 1985 - 1987

#### **University of Houston**

Please answer the additional questions listed below

Unsafe Structures Board

1. **What legal document describes the process by which buildings and structures are designated unsafe?**

*The Florida Building Code, Broward County Administrative Provisions Section 116 defines the process to designate unsafe structures.*

2. **What is the difference between unsightly and unsafe?**

*An unsightly structure relates to the appearance of a building and is generally caused by infrequent maintenance. An unsafe structure relates to the deteriorated condition of the building components, i.e. electrical, mechanical, plumbing and structural systems. Although an unsafe structure may not be unsightly, its condition is hazardous to its occupants and possibly the general public.*

3. **Once a notice is posted on an unsafe structure by the Building Official, how many occupants are allowed to enter the structure?**

*None; no one is permitted to occupy a building that has been posted unsafe by the Building Official.*

4. **Can construction work that was commenced without a building permit be deemed unsafe?**

*Yes; the code presumes that any construction work on a building, or part thereof, is unsafe unless a permit and certificate of occupancy have been issued.*

5. **What is the significance of the code requiring a citizen with experience and background in social problems to sit on the Unsafe Structures Board?**

*The code recognizes that this board may have to deal with personal hardship cases which displace families and/or employees from their homes and/or businesses. By requiring the board composition to include social problem experience, the code is demonstrating the compassion of its forebears.*

Office of the City Clerk City of Hollywood  
2600 Hollywood Blvd. Room 221  
Hollywood, Florida 33022

Dear Sirs:

I wish to apply for board membership on the City of Hollywood Historic Preservation Board. as Architectural Historian/Urban Planner.

My background in architecture, architectural history and urban & regional planning provides me with a perspective on matters coming before this board.

I have worked for a number of important local architects in southern Florida and studied architecture/ history at the University of Florida, Columbia University and the University of Miami where I received a M.A. in American Studies/Urban Studies.

I have recently retired from my position as Curator of Exhibits/ Exhibit Designer at the Historical Museum of Southern Florida where I participated in the design/production of over 75 significant installations. As part of the museum team I assisted in the interpretation of historical material related directly to the history of Florida architecture.

I have also served Broward Community College as "Professor" in the Department of Fine Arts for over 12 years with a specialty in fine art photography and the history of photography.

I came to Hollywood in 1939 arriving at the Seaboard Station in this city and I have avidly followed the development of this community.

I wish to continue my service to this important board.

Thank you,

George Chillag

## RESUME'

3/22/18

I am married with 2 grown children and 2 grandchildren. I've been retired for over 10 years. During the course of my work experience, I was a Customer Service Agent and a Color Coordinator for home builders. I would like to start volunteer work for the City of Hollywood as I find it interesting. I live in Hollywood District 6.

### Work experience:

1982 - 1997 Pasadena Homes (Pembroke Pines & Davie) Customer service and Color Coordinator

Help Homeowners with any problems with their new homes and schedule work orders

Worked with builders and developers

1997 - 2006 Waterways of Naples Joint Venture with Pasadena Homes (Naples) Color Coordinator.

Assisted Homeowners with all their colors selections for their new homes (models, cabinets, flooring, paint, roof, all stages of their new homes). Coordinated with subcontractor regarding all their selections). Follow through with paper work.

I work well with Builders, other employees, homeowners and Subcontractors

2006 I moved to Hollywood and retired.

Dear City of Hollywood,

I would like to apply for the position of Board Member with the City Of Hollywood. Prior to living in Hollywood I resided in Staten Island, New York Housing for 35 years. I am currently an active resident at Hollywood Housing and have been since December 20, 2014. I had been involved in assisting the residents with helping organize different activities that takes place during the holidays that required assistance from me. For example, we arrange Bingo for the residents on Thursday and we organized the bread distribution on Fridays. I also arrange and collect household items for two (2) rummage sales that takes place every winter and spring of every year. These monies which are collected and are used for the Holiday parties that I also organize for the residents. In addition, we organize Health event presentations for resident; as well doing translation for non-English speaking residents in the building. I am an active RAB board member with five years of experience and I would love the chance to give back by lending my advisory skills to the Hollywood Housing Board.

I am confident that you'll find me a good fit for your needs as a Board Member to the Housing Authority. Please contact me by phone at a convenient time for you. I look forward to hearing from you and thank you so much for your time

Sincerely,
