**Re: RFQ-4421-14-RD – Continuing Contract for Structural Engineering Services**

Dear Mr. Dierks,

Lakdas/Yohalem Engineering, Inc. is pleased to present this Request for Letter of Interest to offer structural engineering services to the City of Hollywood.

Lakdas/Yohalem Engineering, Inc has been practicing structural, marine, and bridge engineering services for many state, county and city agencies in support of high visible and miscellaneous public projects, for the last 45 years in Fort Lauderdale Florida. We have performed similar structural engineering services for various public entities such as:

Entities:

- City of Fort Lauderdale
- City of Hollywood
- City of Tamarac
- Town of Davie
- Four Depts. Of Broward County
- Broward and Palm Beach County School Boards
- City of Lauderhill
- City of Pompano Beach
- City of Plantation

Services:

- A. New and Renovation of Building Structures: Fire Stations, Community Centers, Libraries, Police Stations, Public Works Maintenance Facilities, and Operational Complexes.
- B. Park Facilities such as Meeting Rooms, Picnic Shelters, Restroom Facilities, Corporate Picnic Pavilions, Beach Lifeguard and Rescue Facilities.
- C. C.R.A., residential buildings to comply building code requirement
- D. Re-roofing, Condition Survey and Design for New Roof Systems
- E. Wind Mitigation of existing building facilities
- F. Hurricane hardening of existing facilities
- G. Structural Condition Surveys of building structures prior to city acquiring
- H. 40 Year Certification of existing facilities
- I. Threshold and Special Inspection services for building and special structures during construction
- J. Value Engineering and Constructability Reviews of Projects Designed by other Consultants
- K. Highway and Pedestrian Bridges, L Culvert structures
- L. Marinas, Seawalls and Fishing Piers
- M. Condition Survey and Renovations and expansion of Existing Utility Structures

**L.Y.E is a Minority Business certified by the State of Florida, Broward County School Board as well as Broward County CBE Firm. Additionally, Lakdas/Yohalem Engineering, Inc. (L.Y.E) is a certified masonry and threshold inspection engineering firm.**

It is our understanding that the referenced contract requires structural services for: condition survey, Structural Design as well as inspection services for the City of Hollywood and its departments, including Public works, Building, Park and recreation, Public utilities and Planning.

Our office and team members Tierra of South Florida, Inc office's are situated less than 17 miles from City Hall in the City of Fort Lauderdale.

LYE has up to date state of the art software with B.I.M. (Revitt and Auto Cad) system to provide efficient and detail oriented engineering services, with well experienced technical staff of who are professional engineers with a general contractor background and extensive experience in South Florida with in-depth knowledge of the Florida building code and with Broward County requirement.

L.Y.E, has performed similar requested structural and engineering services since 1983 for the City of Hollywood for several departments.

L.Y.E. Has appointed , Lakdas Nanayakkara, P.E., (Principle in Charge), as the liaison and project manager for this contract.

Lakdas Nanayakkara. P.E.  
2211 N.E. 54<sup>th</sup> Street  
Ft. Lauderdale, Fl. 33308  
Phone: (954) 771-0630  
Cell: (954) 448-0628  
Fax: (954) 771-0519  
Email: [lye@lyengineering.com](mailto:lye@lyengineering.com)

We will assure you that Lakdas/Yohalem Engineering, Inc.'s Team will provide you with a good standard of structural, and marine engineering services for the City of Hollywood, within the established budget, in a timely manner.

Sincerely,

Lakdas Nanayakkara P.E.  
#37590

**H. ADDITIONAL INFORMATION****30. PROVIDE ANY ADDITIONAL INFORMATION REQUESTED BY THE AGENCY. ATTACH ADDITIONAL SHEETS AS NEEDED.**

**LAKDAS/YOHALEM ENGINEERING, INC., (LYE)** is a Structural Engineering firm, which was established in Florida in the late 1960's as Yohalem Engineering, Inc.

1. The firm offers a variety of Structural Engineering services, specializing in commercial, institutional and educational facilities, water and wastewater treatment facilities, water control structures and bridges. The firm also has completed numerous city complexes and participated as City Consultant and Special Inspector for construction design.
2. **Structural Engineering:** Prepare Drawings, Specifications and Contract Documents to satisfy the engineering requirements for commercial, educational, institutional and residential buildings, parks and recreational facilities, city complexes, water and wastewater treatment facilities, water control structures, pumpstations , pipelines and bridges.
3. **Construction Observation/Inspection:** Provide Threshold and Special Inspection and Observations of civil and structural systems under construction.  
Mr. Nanayakkara is a Uniform Building Code Inspector certified by the Florida Department of Education. Special Inspector (Threshold Inspector) authorized by the Florida Concrete and Products Association.
4. **Value-Engineering:** Mr. Nanayakkara has participated in several multi-million dollar value-engineering and constructability review projects, design and construction of several projects within a specified budget, which resulted in substantial savings to the Owners.
5. **Small Business Enterprise:** Lakdas/Yohalem Engineering, Inc. is a Small Business certified in Broward, Dade and Palm Beach Counties and by the Florida Department of Management Services.
6. **Insurance:** The firm is fully insured and carries \$2,000,000 in Professional Liability Insurance.

The firm's commitment to success begins with a highly skilled design and construction inspection team. knowledgeable in all aspects of a project from start to finish. Throughout completion of a project, Lakdas/Yohalem, Inc. encourages continuous two-way communication between Owners, Clients and Contractors.

## Firm Overview

Lakdas/Yohalem Engineering, Inc. (LYE) is a medium sized professional structural and civil engineering firm that has been in operation in South Florida since 1970 (Broward County). We have provided structural and civil engineering and threshold inspection services on a number of high profile projects in the tri-counties, which includes city complexes, institutional buildings, residential properties, water treatment plants, waste water treatment plants, fire stations, police stations, school facilities, libraries, emergency power stations, parks, bridges, marinas, resorts, airports and petroleum facilities.

Lakdas / Yohalem's Engineering commitment to success begins with a highly skilled and motivated design team that has knowledge in all aspects of a project from inception to realization. This cohesive team's wide range of experience in building design, commitment to excellence and community engagement, during the last 45 years, has been recognized by several municipalities and civil / social organizations.

Our firm has completed over 4,500 projects with over 1800 commercial and office building projects during the past 40 years in the US and on several islands in the Caribbean Basin. We are a Minority Business certified by the state of Florida, Broward county School Board as well as Broward county CBE Firm. Additionally, Lakdas / Yohalem Engineering, inc is a Certified Masonry and Threshold Inspection engineering firm. Lakdas/Yohalem Engineering, Inc. offers a variety of engineering services which include: threshold and site inspections, feasibility studies, design, condition survey of structures, restoration damage assessments, value engineering and constructability review.

As experienced, well diverse professional staff of engineers and technicians, we have consistently proven that projects are completed on schedule and within the set budget. This commitment to quality though-out the duration of the project and beyond, insures the satisfaction of our clients, as well as, recognition within our community.

## Firm Location

Our firm is conveniently located in Broward county, and within 10 minutes drive to the City of Hollywood:

### **Lakdas / Yohalem Engineering, Inc.**

2122 NE 54th Street  
Fort Lauderdale, Florida 33308  
Telephone: (954) 771-0630  
Fax: (954) 771-0519

**Lakdas / Yohalem Engineering, Inc**

**City Of Hollywood.**

## **FIRM EXPERIENCE AND QUALIFICATIONS**

Lakdas/Yohalem Engineering, Inc, (45 years of engineering excellent), has been providing engineering services for many state, county and city agencies in support of high visible and miscellaneous public projects ranging from municipal complexes, libraries, fire stations, community centers and parks.

### **OUR SERVICES**

#### **Design Services**

- New buildings, Marinas and Bridge structures
- Addition to existing building structures
- Renovations of existing Buildings, Marinas & Bridge structures

#### **Inspection**

- Threshold and Special inspections services
- Re-roofing
- Constructability review
- Wind mitigation and hurricane hardening
- Life cycle cost analysis
- Value Engineering Services
- Independent damage assessment for insurance claims and settlements.
- 40 year certification of existing buildings for code compliance

### **SIMILAR EXPERIENCE**

Our staff has performed similar services for the following entities in recent past:

- |                                  |   |
|----------------------------------|---|
| • Village of Bal Harbor          | Extended arm of the building department services          |
| • Broward County Port Everglades | Design and special Inspections for the past 12 years      |
| • Broward County Airport         | Design Inspection contract for 6 years (two 3 year terms) |
| • City of Lauderhill             | Design and special Inspections                            |
| • City of Lauderdale Lakes       | Design and special Inspections                            |
| • City of Hollywood              | Design and special Inspections                            |
| • City of Pompano Beach          | Design and special Inspections                            |

## LAKDAS NANAYAKKARA P.E. #37590

### EDUCATION:

Post Graduate Diploma in Structural Engineering - 1981  
Council of National Academic Awards  
England, United Kingdom

Bachelor of Science Honors Degree in Civil Engineering  
With Structural Engineer Major - 1978  
Council of National Academic Awards  
England, United Kingdom

Higher National Certificate in Civil Engineering - 1975  
Hertfordshire College of Building  
England, United Kingdom

### PROFESSIONAL ENGINEER REGISTRATIONS:

- Chartered Structural Engineering  
London, England – 1981
- Florida #037590

- South Dakota - 4058
- Minnesota - #17947

- Certified Structural Masonry Inspector – 1992
- Certified General Contractor – CGC 044303
- Certified Threshold Inspector – 1987
- Certified Uniform Building Code Inspector - 690

Structural Engineering Expert for Unsafe Structure Board – City of Margate since “ 2001”.

Bridge Engineering Design and Construction Engineering Services for over 50 projects.

### EMPLOYMENT:

1987 to present    Lakdas / Yohalem Engineering, Inc  
Fort Lauderdale, FL 33308

Principal - in charge of structural design and final review of construction documents

1986 - 87            Yohalem Engineering, Inc.  
Fort Lauderdale, FL 33308

Principal Associate - structural design, site supervision,  
Structural Investigation and reports, liaison with Architects and General  
Contractors.

### AWARDS:

- *Tamarac City Complex: National Award*
- *Aventura City Complex: State Award*
- *City of Pompano Waste Water Re-Use Facility: State Award*
- *Tamarac Pedestrian Bridge: State Award*
- *2011 Tilt-Up wall National Award – Tilt-Up Concrete Association*

### PATENT LICENSE TO INDUSTRY:

- *Metal stud frame system # US 6980 347 B2*
- *Interlocking masonry wall # US 6550 208 B2*
- *Light gauge metal frame # US 6163 674 B1*

1984- 86            Darg Palanasami and Associates, Inc.  
Minneapolis, MN

Project Engineer - Structural design, site supervision, structural investigations and reports, liaise with Architects and General Contractors

#### **EXPERIENCE:**

Mr. Nanayakkara has extensive experience in civil and structural condition survey, design, inspection and construction management of buildings, bridges, water control structures, water and waste water treatment plants.

Mr. Nanayakkara's experience extends to design and construction observation of more than 2000 projects in Florida, Minnesota, South Dakota and in seven islands in the Caribbean Basin.

As president of Lakdas/Yohalem Engineering, Inc., he has been practicing civil, structural and marine engineering services for many state, county and city agencies in support of high visible and miscellaneous public projects during the last 36 years in South Florida. We have performed design & construction observation on civil structural bridge & marine engineering services for a number of public entities and over 4,000 projects.

#### **FOR:**

- Port Everglades Engineer      • City of Pompano Beach
- City of Tamarac                      • City of Coral Springs
- City of Lauderdale Lakes      • City of Hollywood
- City of Lauderhill                  • Solid Waste Authority Palm Beach County
- Palm Beach County Engineering & Utilities

#### **CEI INSPECTION SERVICES OF:**

- Minor Highway Bridge
- Pedestrian Bridge
- Culvert Bridge Structures

#### **Professional Societies:**

*Institute of Structural Engineers, London, England*  
*American Society of Civil Engineers, American Concrete Institute*  
*Florida Institute of Consulting Engineers, The Masonry Society*

#### **Civic Organizations:**

*Member of Broward County Construction Executive Association*  
*Member of Florida Consulting Engineers*

## ZUHAIR JALLOUL P.E. #35416

### EDUCATION:

B.S. Civil Engineering  
University of Tennessee, 1977

### REGISTRATION:

Florida, Alabama, Kentucky  
Special Inspector, **State of Florida #35416**

### EXPERIENCE:

Feb. 1994 -  
Present

**Lakdas/Yohalem Engineering, Inc.**

*Civil Engineer - Senior Project Engineer*

Providing: design, permitting and construction phase engineering services for land development projects, roadway improvements, buildings, bridges, marinas, storm drainage, major water and wastewater projects including water, sewer paving and grading.

Jan. 1985 -

Feb. 1994 **City of Pompano, City Engineer**

Served as chief design engineer for major water, wastewater, storm drainage and roadway projects. Prepared bids, contract documents and all regulatory submission; oversaw advertisement, bids, contract awards, and construction for major infrastructure projects. Services included resident engineering, change orders and claims negotiations, review and oversight of contractor's schedule and pay requests. Supervised 12 employees, including draftsmen, engineers and inspectors.

June 1979 -

Jan. 1985 **Commonwealth of Kentucky, Engineer**

*Department of Natural Resources*

Completed environmental studies for impacts to surface water and groundwater from coal mining. Prepared probable hydrological consequences reports for coal mining operations. Designed retention ponds for controlling runoff from coalmines.

Nov. 1977 -

April 1979 **Mothercat, Nigeria, Africa**

*Supervisory Engineer*

Supervised \$50 million annual highway construction program. Provided site development of oil fields prior to drilling. Supervised two engineers and four foremen.

**MEMBERSHIPS:**American Society of Civil Engineers

**FITZ A. HARRIS, P.E. #32596****EDUCATION: Post Graduate Diploma in Bridge Engineering**

University of Surrey, England - 1976

**B.S. (Honors) Civil Engineering**

University of the West Indies, St. Augustine, Trinidad -1971

**REGISTRATION**

Professional Engineer in the State of Florida -1982 #32596

General Contractor in the State of Florida - 1984

Certified Threshold Inspector in the State of Florida -1985

**SUMMARY OF**

**EXPERIENCE** Mr. Harris has over thirty five years of experience in the design, inspection and construction supervision of bridges, commercial, institutional and residential buildings, water plants, sewage treatment plants, mass transit stations and airport structures.

**DETAILED WORK HISTORY**April '08 to Present **LAKDAS/YOHALEM ENGINEERING, INC.**

STRUCTURAL ENGINEERING

Responsibilities Responsible for the design and construction inspection of various structures including residential and commercial buildings, water tanks

and

sewage treatment plants, as well as supervision of drafting and review

and

approval of shop and placing drawings.

Apr'07 -Mar '08 **MIAMI-DADE BUILDING DEPARTMENT, Miami, Florida**

STRUCTURAL PLANS PROCESSOR

Responsibilities Providing structural review and approval of various residential and commercial projects in Dade County and meeting with various architects, engineers and owners in order to help resolve any discrepancies that the county found in their structural drawings.

Apr'93 -Apr '07 **MAURICE GRAY ASSOCIATES, INC., Miami, Florida**

STRUCTURAL ENGINEERING COORDINATOR with DADE

AVIATION CONSULTANTS, providing Program Management of engineering, architecture, construction and other technical support services

to the Dade County Aviation Department. The structures included: airport

terminals, concourses, bridges, elevated roadways, cargo buildings,

parking garages, vaults and other underground structures, control towers, chiller plants, tunnels, office buildings, hotels and automated people mover structures.

Responsibilities Provide technical expertise to the Planning and Programming Department.

Provide the design consultants with detailed program documents outlining the project scope and design parameters, and the guidelines and governing criteria for the provision of the design services. Provide Q/A reviews of the contract documents for conformance with the Miami-Dade Aviation Department's Design Guidelines, local building codes, FAA regulations, pertinent engineering codes and good engineering practice. Provide technical expertise to the field staff and the office staff as required. Assist the owner in claim negotiations/construction dispute resolution. Develop and recommend for implementation; procedures, guidelines and forms for Quality Assurance during construction. Review calculations of the A/E or delegated engineer whenever necessary. Perform engineering analysis and design in supporting and assisting the Planning and Estimating departments.

Mar '92 - Jan '93

**ACT SERVICES INC., Miami, Florida**

PROJECT MANAGER ON THE ADDITION TO AND RENOVATION OF CAROL CITY MIDDLE SCHOOL

Responsibilities:

Management, coordination and supervision of all aspects of the project's construction.

July '85 -Feb'92

**President, FITZ A. HARRIS ASSOCIATES, Fort Lauderdale, Florida**

Operated Fitz A. Harris Associates, a Consulting Engineering firm. Responsibilities included management and coordination of all the company's activities such as marketing, client interaction, design, coordination and construction administration of the firm's projects. Projects included condominiums, office buildings, warehouses, malls, churches and sewage treatment plants. Work included engineering design, threshold building inspection as well as inspection on the Miami Downtown People Mover project (south loop).

## Luan Nguyen, E.I.T

### Education

2002 Master of Engineering, University of Florida

2000 Bachelor of Civil Engineering, University of Florida

### Registration

Engineer-In-Training, US-Florida-Tallahassee Certification

(EIT certified by the Florida Board of Professional Engineers) 2000

### Years of Experience

Lakdas/Yohalem Engineering, Inc.: 5 years

Ayres Associates Inc.: 5 years

### Relevant Projects:

#### Building Projects

- ❖ 2 new stand alone multi-story parking garages
- ❖ 2 multi-story residential buildings with parking garages
- ❖ 2 multi-story commercial buildings with parking garages
- ❖ 3 high schools
- ❖ 2 multi-story hotels and resort projects
- ❖ 2 new fire stations, 2 police and public safety buildings
- ❖ 2 new community centers

#### Highway Pedestrian Bridge

- ❖ 2 high-way bridge expansion projects
- ❖ 2 passenger loading bridges

#### Park Facilities

- ❖ 2 park and amusement park facilities

#### Civil Engineering

- ❖ 2 pump stations, design and detail

## Sergio Barbarena B.ARCH

### EDUCATION

Florida Atlantic University  
Bachelor in Architecture

### RELATED EXPERIENCE

Skilled designer with strong graphic communication.  
Capable to develop a project from conceptual to construction documents.  
Ten years of experience in commercial, educational and municipal facilities.  
Proficient with: AutoCAD, Architectural Desktop, Accurender, Lightscape, Archicad, and AutoDesk Inventor.  
Excellent presentation and model making techniques

### EMPLOYMENT

*2008- Present* **Lakdas / Yohalem Engineering, Inc.** Ft. Lauderdale, Florida

**Project Manager**

Develop Conceptual drawings and construction documents.

*2007-2008* **Bermello- Ajamil & Partners,** Ft. Lauderdale, Florida

**Project Designer**

Develop schematic documents for:

D7 – D8, a mix use development. Dubai, UAE

7 Zones, a design center. Kuwait

Cruise terminal. South Carolina Port Authority

*2005-2007* **The Tamara Peacock Company,** Ft. Lauderdale, Florida

**Project Designer**

Develop conceptual drawings and construction documents for:

The Village at Marina Mile, a mix use development.

Island Village, a 120 unit's hotel in Ft. Lauderdale

Miramar Christian Center, a 40,000 sq. ft. campus

The Atrium, 150,000 sq. ft. business center.

*2002-2005* **Southeast Architects, Inc.** Plantation, Florida

**Cad Manager-Job Captain**

Develop conceptual drawings and construction documents for:

Salomon Media Center. a 300,000 sq. ft. film and TV studios

Riva Motorsport. A 20,000 sq. ft. Motorcycle retail facility

## Our Team

## Our Approach

Lakdas/Yohalem Engineering, Inc. and its team of consultants approach will be primarily based on excellent communication between each Sub-Consultant and City Project Manager. Great communication, our extensive level of similar experience, designated Project Manager and support staff behind him, this will allow us to meet, exceed and surpass City of Hollywood's expectations.

With the support staff, LYE will develop a scope of services, communicate and discuss alternatives and provide a budgetary cost estimate for each project. Once a Contract and Notice to Proceed has been issued, LYE will mobilize the necessary resources to perform each of the requested tasks as scheduled in timeline. LYE will provide progress of the work in bi-weekly progress meetings and e-mails to Project Manager. We will carry out each task in a timely, thorough and methodical manner and address all alternatives to provide the most professional and cost effective services. Upon completion of our services, a final report and drawings will be provided to the City of Hollywood for review and comments.

Delivering a quality product to our clients is essential for client satisfaction and repeat business. LYE maintains an unyielding quality assurance/quality control plan that is implemented on every project. To enhance our approach to providing the requested services, we have developed individual approaches for general Engineering and consulting projects. The following approach clearly focuses on the importance of continued communication and quality service.

### Proposal

- Attend meetings between City of Hollywood representatives, LYE and team members projected personnel to review and define project objectives, to establish scope of study and to establish the time required to complete the scope of work
- Research any and all available data, such as existing construction documents, maintenance record, etc.
- Submit a preliminary proposal to City Project Manager
- Agree on proposal and receipt of Notice to Proceed
- Assign project team for specific project task
- Schedule activities for Professional Services Support, Planning, Design Services, Support and Construction Management

### Field Investigation and Testing

- Perform field reconnaissance to determine existing conditions pertaining to project information
- Record data obtained during reconnaissance and additional information provided by the City personnel or records
- Generate summary report based on findings for use by City Staff and for further preparation of design and construction documents
- Communicate findings to Project Manager

## **Professional Services, Support, Planning and Design Services**

- Perform project management services and conduct field inspections
  - Evaluate results of Field Investigation and Testing
  - Analyze and evaluate alternatives
  - Develop Engineering parameters from the final field and laboratory data
  - Outline potential alternative solutions
  - Discuss possible alternatives, associated risks and costs with City Project Manager
- 
- Develop schedules, estimates and other necessary information for review of contractor's bids
  - Select and recommend alternatives
  - Review and provide professional opinions of various types of plans, projects and information
  - Review and coordinate work with sub-consultants
  - Review and comment on submittal of construction plans for 30, 60 and 90% submittals
  - Provide Constructability and Code Compliance review
  - Generate or review proposed scope of services to ensure that project will be competitively bid by multiple contractors
  - Provide Value Engineering
  - Provide services associated with other unforeseen circumstances

## **Pre-Construction Phase**

- Reply to City staff review comments
- Reply to Contractors Pre-Bid RFI's
- Submit documents for City permit for dry run
- Evaluate bids with emphasis given to efficiency, understanding and skill of contractor
- Provide constructability reviews for plans and specifications prepared by (shop drawings) Specialty Contractor
- Review contract documents, drawings, details, shop drawings, product approval, etc. prepared by other Consultants

## **Construction Administration / Inspection**

- Provide project management and resident engineer service as necessary, depending on the size and schedule of the project
- Provide professional support daily activities and all aspects of construction inspection projects
- Review Contractor Pay request services
- Sign off the project at substantial and final completion upon successful execution of the work

## **Reporting**

- Complete all tasks associated with the project
- Provide daily report on a weekly format for City record
- Submit a final report with executive summary in the cover letter
- Submit all invoices in a timely manner in the fashion agreed to with the City at the beginning of the project

PROCUREMENT SERVICES RM. 303  
P. O. Box 229045 ZIP 33022-9045

### NOTICE TO PROPOSERS

NOTICE IS HEREBY GIVEN, that the City Commission of the City of Hollywood, Florida is advertising for Sealed Request for Qualifications, which will be received by the City Clerk of the City of Hollywood, Florida until **3:00 P.M., May 30, 2014**, at which time they will be opened and publicly read in the Procurement Services Division, Room 303, City Hall, 2600 Hollywood Boulevard, Hollywood, Florida. FOR: **Continuing Contract for Structural Engineering Services (PW 14-009)**

RFQ NO. 4421-14-RD  
ADDENDUM NO. 1

Please make the following changes (additions, deletions or corrections) in the above named RFQ.

Questions submitted in regards to the above RFP and corresponding answers:

Q1: We have the following questions/clarifications in regards to the RFQ referenced above: Page 5 – 2<sup>nd</sup> bullet: "Perform all field tests, laboratory test and collect....  
Question: what type of testing? Load tests, test pits, magnetic scanning, etc.  
OR Geotechnical studies

A1: **CLARIFICATION:**

**Any testing to be done would be determined on a project by project basis. If any required testing cannot be done by the Structural Consultant then the City would order the testing directly from other Testing Services".**

Q2: Page 11 Top of page states "Eight (8) Copies..." however the Page 16 checklist states 1 Original and 10 copies – Please clarify.

A2: **Page 16 is correct: please submit one (1) original and ten (10) copies of entire proposal with addendums.**

All other specifications, terms & conditions remain the same.

### MAILED RFQ'S

If you have already submitted your printed Request for Qualifications, it will be retained in the City Clerk's Office until the Proposal opening time and date. If you wish to pick up your RFQ that has already been submitted, you can do so by showing proper identification, in the Office of the City Clerk, 2600 Hollywood Blvd, Room 221, Hollywood, Florida 33020.

Please sign and return with your RFQ.
